The Gullah Prince:

The Two Princes of Calabar Randy J. Sparks,2009-02-28 In 1767 two princes of a ruling family in Old Calabar on the slave coast of Africa were captured by English slavers The princes were themselves slavers betrayed by African competitors and so began their own odyssey of enslavement Their story written in their own hand survives as a rare firsthand account of the Atlantic slave experience *The Gullah Prince* Bill Lloyd,2005-08 It took Harry Cornell two years to figure out that his wife Karen Payne did not die in the World Trade Center on nine eleven He discovers that his wife had been obsessed with finding an historic African artifact a carved statue of a Bantu warrior brought to America on a slave ship in the late eighteenth century Convinced that finding the artifact will lead to his wife Cornell travels to the Sea Islands off the coast of South Carolina The trail narrows to the five star resort of Hilton Head Island His first discovery is the murder of his wife s former lover who also was reported as a casualty of nine eleven The brutal murder draws him deep into the low country and the world of the Gullah and root doctors Cornell discovers that these medicine men of years past still work voodoo magic He finds others are intensely interested in locating the artifact as well Rebecca Kane claims that the carved statue is an heirloom of her family and she knows her fellow native islanders will help her find it Clinton Cooper the unscrupulous and disgraced former CEO is convinced the artifact will lead to a hoard of diamonds and gold bullion a treasure he desperately needs The root doctor unleashes his terrible magic to help Rebecca Kane locate the artifact but the costs are high In the end the legendary curse that accompanied the Gullah Prince works its evil one final time **The Gullah Prince** Bill

God's Children Archibald Rutledge, 2009-03-01 This 1940s memoir provides a glimpse into the life and thoughts of a South Carolina plantation owner in the post Civil War pre Civil Rights era In 1937 after decades in the North Archibald Rutledge returned to what he described as the hyacinth days and camellia nights of his native Carolina Lowcountry to restore his ancestral home Hampton Plantation which had been in his family since 1730 Originally published in 1947 these pages describe in intimate and fascinating detail the plantation life he found upon his return In the simple lyrical language of the first poet laureate of South Carolina Rutledge portrays the black men and women descendants of slaves who labored alongside him in the marshes of the Santee the stories they shared and his interactions with them *God s Children* serves as a vivid snapshot of day to day activity on a plantation in the American South in the first half of the twentieth century and of a lifestyle that was ever so slowly disappearing

Carolina Christmas Archibald Rutledge, 2012-08-24 A collection of holiday tales poems and recipes celebrating hearth and hunt in the South of yesteryear *Carolina Christmas* collects for the first time holiday stories of Archibald Rutledge 1883 1973 one of the most prolific outdoor and nature writers of the twentieth century and the first poet laureate of South Carolina Some of Rutledge s finest writing revolves around his vivid memories of hunt hearth and holidays These memories are celebrated in this keepsake collection of enduring stories and poems further augmented with traditional recipes and food lore associated with the season Archibald Rutledge spent decades teaching at Mercersburg Academy in Pennsylvania All the while he supplemented his income through his writings in order to support a growing family and restoration efforts at Hampton Plantation his ancestral home in coastal South Carolina now a state historic site Each Christmas Rutledge returned to his cherished Hampton Plantation for hunting celebrations of the season

and renewal of his decidedly Southern soul This annual migration home meant the opportunity to enjoy hunting and communion with nature so vitally important to him and to renew acquaintances with those living on neighboring plantations and with the African American community he immortalized in his book *God's Children* Rutledge wrote dozens of stories and poems revolving around the Hampton Hunt fellowship with family and friends the serenity of the winter woods and his appetite for seasonal Southern foodways Edited by Jim Casada this collection highlights the very best of Rutledge's holiday tales in a vibrant tapestry through which Christmas runs as a bright sparkling thread In these tales of Christmas past each representative of the author's sterling literary reputation and continuing popularity Rutledge guides us once more into a world of traditions now largely lost But to tread those forgotten trails once more to sample and savor the foods he loved and to experience vicariously the sport he so enjoyed is to experience the wonder of yesteryear
