

The Guns At Gettysburg

Thomas Griffiths

The Guns At Gettysburg:

The Guns at Gettysburg Fairfax Davis Downey, 2018-12-05 The guns still stand at Gettysburg amid the markers and the monuments on the hallowed ground And it is fitting that they do for Gettysburg marked not only the high tide of the Confederacy and the turning point of the war but also the greatest cannonade ever seen in this hemisphere In no battle of the Civil War did artillery play a more decisive role than it did here and no factor contributed more to the Union victory than the superior handling of the Federal cannon Amid all the discussions of the errors of generalship on both sides too little credit has been given to that all but forgotten hero of the battle General Henry Jackson Hunt the chief of the Union artillery In reappraising and retelling the battle from the artilleryman's point of view Colonel Downey has made a real contribution to our understanding of the reasons for the Confederate failure to crush the Army of the Potomac **The Guns at Gettysburg** Fairfax Downey, 1985-01-01 *The Guns at Gettysburg* Fairfax Downey, 1958-01-01 **The Guns of Gettysburg** Bowen Simmons, 2012 *Civil War Artillery At Gettysburg* Philip M. Cole, 2002-07-16 This study of artillery at Gettysburg will influence the history of this crucial battle for years to come BOOK JACKET **The A to Z of the Civil War and Reconstruction** William L. Richter, 2009-07-24 The importance of the Civil War and Reconstruction in the history of the United States cannot be overstated There was a very real possibility that the union could have been sundered resulting in a very different American history and probably world history But the union was held together by tough and determined leaders and by the economic muscle of the North Following the end of the war the period of American history known as Reconstruction followed This was a period construed in many different ways While the states were once again united many of the postwar efforts divided different segments of the population and failed to achieve their goals in an era too often remembered for carpetbaggers and scalawags and Congressional imbroglios and incompetent government This one volume dictionary with more than 800 entries covering the significant events persons politics and economic and social themes in the U S Civil War and Reconstruction is a research tool for all levels of readers from high school and up The extensive chronology introductory essay dictionary entries and comprehensive bibliography introduce and lead the reader through the military and non military actions of one of the most pivotal events in American history *The Great Invasion of 1863; Or, General Lee in Pennsylvania* Jacob Hoke, 1887 *Silent Sentinels* George Newton, 2005-09-19 Artillery played an important and perhaps decisive role at the July 1863 Battle of Gettysburg Although many hundreds of books have been published on the battle few have focused on the artillery *Silent Sentinels* fills this glaring gap in the literature This well written and illustrated study was designed for both the casual battlefield visitor and the serious scholar The former will use *Silent Sentinels* to tour the battlefield browse existing guns ponder the many photographs and learn more about artillery in general the latter will find the extensive primary sources diagrams appendices of numbers and losses and informative discussion of organization and tactics an indispensable reference resource *Silent Sentinels* discusses in detail every gun type used at Gettysburg the

equipment needed to operate the guns their organization and the tactics employed by both Union and Confederate artillery men In addition to a history of the artillery and how it was used the author includes chapters on the park s collection of 436 guns the pieces on display at the field today how to identify the different types of cannon and how to identify the date and place of manufacture Silent Sentinels concludes with a driving tour of the battlefield specially designed with the artillery in mind This lovely historical guide complete with detailed endnotes and bibliography will be a welcomed addition to the growing Gettysburg titles

The Photographic History of the Civil War: Forts and artillery Francis Trevelyan Miller,Robert Sampson Lanier,1911 Thousands of scenes photographed 1861 65 with test by many special authorities

Gettysburg Ben Nussbaum,2024-07-01 Packed with facts stories and illustrations a guide to the historic Pennsylvania battle that marked a turning point in the American Civil War From the first shots fired at 7 30 a m on July 1 1863 in a field west of Gettysburg to Robert E Lee s losing gamble known as Pickett s Charge on July 3 just fifty five hours later Gettysburg is a snapshot of three of the most important days in US history Editor Ben Nussbaum has compiled a fascinating retelling of political military and social conditions that thrust the sleepy town of Gettysburg forever into the pages of history books In addition to informative timelines and fact sheets of the battle of Gettysburg and the Civil War this handsomely illustrated volume also captures the human stories of Father Corby and the Irish Brigade Amos Humiston the unidentified father who died in battle clutching a photograph of his three children the eleven year old sergeant John L Clem who killed a Confederate soldier John Burns the only civilian to fight in the battle and Jubal Early an unlikely general who scared Abraham Lincoln like hell Also included is the poignant story and photographs of a reunion fifty years later of fifty thousand Union and Confederate veterans among them a man believed to be 112 years old and a chapter focusing on a dozen significant monuments among Gettysburg s numerous historic landmarks In addition a resource section offers readers and visitors ways to learn more about the Battle of Gettysburg including books websites and games

The Great Tradition of 1863 Jacob Hoke,1887 *The Photographic History of the Civil War in Ten Volumes: Forts and artillery* Francis Trevelyan Miller,Robert Sampson Lanier,1911 Thousands of scenes photographed 1861 65 with test by many special authorities *TIMES OF WAR & PERIL - The Historical Novels Series (Illustrated Edition)* G. A. Henty,2019-10-20 e artnow presents to you this unique historical collection with action adventure tales from all over the world This carefully crafted and meticulously edited collection is formatted for your eReader with a functional and detailed table of contents Out on the Pampas The Young Franc Tireurs The Young Buglers The Cornet of Horse In Times of Peril Winning His Spurs Boy Knight Friends Though Divided Jack Archer Under Drake s Flag By Sheer Pluck With Clive in India In Freedom s Cause St George For England True to the Old Flag The Young Colonists The Dragon and the Raven For Name and Fame The Lion of the North Through the Fray The Bravest of the Brave The Young Carthaginian With Wolfe in Canada Bonnie Prince Charlie For the Temple In the Reign of Terror Orange and Green Captain Bayley s Heir The Cat of Bubastes The Curse of Carne s Hold The Lion of St Mark By Pike and Dyke One

McEnany, 2015-04-07 A moving tribute to the first class of cadets that graduated into the cauldron of the Civil War honors the service of all the Army regulars America's Civil War During the tense months leading up to the American Civil War the cadets at the United States Military Academy at West Point continued their education even as the nation threatened to dissolve around them Students from both the North and South struggled to understand events such as John Brown's Raid the secession of eleven states from the Union and the attack on Fort Sumter By graduation day half the class of 1862 had resigned only twenty eight remained and their class motto Joined in common cause had been severely tested In *For Brotherhood Duty* Brian R McEnany follows the cadets from their initiation through coursework and on to the battlefield focusing on twelve Union and four Confederate soldiers Drawing heavily on primary sources McEnany presents a fascinating chronicle of the young classmates who became allies and enemies during the largest conflict ever undertaken on American soil Their vivid accounts provide new perspectives not only on legendary battles such as Antietam Gettysburg Fredericksburg and the Overland and Atlanta campaigns but also on lesser known battles such as Port Hudson Olustee High Bridge and Pleasant Hills There are countless studies of West Point and its more famous graduates but McEnany's groundbreaking book brings to life the struggles and contributions of its graduates as junior officers and in small units Generously illustrated with more than one hundred photographs and maps this enthralling collective biography illuminates the war's impact on a unique group of soldiers and the institution that shaped them *The Era of the Civil War--1820-1876* Louise A. Arnold-Friend, US Army Military History Institute, 1982 The Photographic History of the Civil War, 1911 Historical Dictionary of the Civil War and Reconstruction William L. Richter, 2011-12-01 The importance of the Civil War and Reconstruction in the history of the United States cannot be overstated Many historians regard the Civil War as the defining event in American history At stake was not only freedom for 3.5 million slaves but also survival of the relatively new American experiment in self government A very real possibility existed that the union could have been severed

but a collection of determined leaders and soldiers proved their willingness to fight for the survival of what Abraham Lincoln called the last best hope on earth The second edition of this highly readable one volume Historical Dictionary of the Civil War and Reconstruction looks to place the war in its historical context The more than 800 entries encompassing the years 1844 1877 cover the significant events persons politics and economic and social themes of the Civil War and Reconstruction An extensive chronology introductory essay and comprehensive bibliography supplement the cross referenced dictionary entries to guide the reader through the military and non military actions of one of the most pivotal events in American history The dictionary concludes with a selection of primary documents This book is an excellent access point for students researchers and anyone wanting to know more about the Civil War and Reconstruction For Brotherhood and Duty Brian R.

McEnany,2015-04-07 During the tense months leading up to the American Civil War the cadets at the United States Military Academy at West Point continued their education even as the nation threatened to dissolve around them Students from both the North and South struggled to understand events such as John Brown s Raid the secession of eleven states from the Union and the attack on Fort Sumter By graduation day half the class of 1862 had resigned only twenty eight remained and their class motto Joined in common cause had been severely tested In For Brotherhood and Duty The Civil War History of the West Point Class of 1862 Brian R McEnany follows the cadets from their initiation through coursework and on to the battlefield focusing on twelve Union and four Confederate soldiers Drawing heavily on primary sources McEnany presents a fascinating chronicle of the young classmates who became allies and enemies during the largest conflict ever undertaken on American soil Their vivid accounts provide new perspectives not only on legendary battles such as Antietam Gettysburg Fredericksburg and the Overland and Atlanta campaigns but also on lesser known battles such as Port Hudson Olustee High Bridge and Pleasant Hills There are countless studies of West Point and its more famous graduates but McEnany s groundbreaking book brings to life the struggles and contributions of its graduates as junior officers and in small units Generously illustrated with more than one hundred photographs and maps this enthralling collective biography illuminates the war s impact on a unique group of soldiers and the institution that shaped them

The Guns At Gettysburg Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has been apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**The Guns At Gettysburg**," compiled by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we will delve to the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
