Michel Esparza leads the way out of this conundrum A lively sense of a Father who looks on us with delight and unconditional love together with a fearless acceptance of our own wretchedness is the key Fr Esparza teaches us how to cultivate that humble self esteem which neither strays from the truth about the person nor fosters discouragement at our failures Bringing together the best of classic spiritual wisdom and the insights of contemporary psychology he distinguishes between self esteem in the shallow pop psychology sense and the rightly ordered self love that is anything but self centered *Night Light* James C.
