## **The Heroic Confession:**

**The Heroic Confession** Teodoro M. Locsin, 1996      Unsettling Accounts Leigh A. Payne, 2008-01-11 Focuses on perpetrators of human rights crimes investigating confessions by human rights violators in contexts of transitional justice in South America and South Africa      **The Heroic Confession** Teodoro M. Locsin, 1978      What Justice? Whose Justice? Susan Eckstein, Timothy P. Wickham-Crowley, 2003-10-09 This splendid collection by two of our leading political sociologists pioneers new directions in the study of social justice in Latin America What Justice Whose Justice is impassioned scholarship at its best It brings together detailed studies of rights and institutions inequality and struggle citizenship and indigenous politics war and peace This book is essential reading for anyone interested in what the so called triumph of democracy over dictatorship in the region really means today in the lives of the still dispossessed Matthew C Gutmann author of The Romance of Democracy Compliant Defiance in Contemporary Mexico This book offers a stimulating interdisciplinary analysis of the gripping problems of justice inequality and citizenship and of citizen responses to these issues in contemporary Latin America It is essential reading on these interrelated themes Scott Mainwaring co editor of Presidentialism and Democracy in Latin America First rate contributors address the quality of democracy in several Latin American countries in these readable and provocative essays The volume focuses particularly on the relation between democracy and the law on the importance of the past and on informal politics and indigenous political movements A must read for all those who are tracking the course of democracy in the region and who are concerned about its political future Jane S Jaquette co editor of Women and Democracy Latin America and Central and Eastern Europe For anyone who still assumes that markets plus elections suffice to resolve the problems of injustice that are the political social and economic patrimony of Latin America this book will be a firm wake up call At the same time the excellent case studies in this book make it clear that the current global neoliberal regime is no more effective at suppressing local struggles for justice than the more traditional forms of domination that came before it It is valuable and provocative reading for anyone interested in understanding the contemporary political dynamics of justice and injustice Peter Evans editor of Livable Cities      **Confession** Jeremy Tambling, 1990      **Romantic Literature in Light of Bakhtin** Walter L. Reed, 2014-02-27 A major new piece of scholarship on Bakhtin and the idea of personality in literary theory      **Nightmare: From Literary Experiments to Cultural Project** Dina Khapaeva, 2012-11-13 What is a nightmare as a psychological experience a literary experiment and a cultural project Why has experiencing a nightmare under the guise of reading a novel watching a film or playing a video game become a persistent requirement of contemporary mass culture By answering these questions which have not been addressed by literary criticism and cultural studies we can interpret anew the texts of classic authors Charles Maturin Nikolai Gogol Fyodor Dostoevsky Thomas Mann Howard Philips Lovecraft and Victor Pelevin carry out bold experiments on their heroes and readers as they seek to investigate the nature of nightmare in their works This book examines their prose to reveal the unstudied features of the nightmare as a mental state and traces the

mosaic of coincidences leading from literary experiments to today's culture of nightmare consumption      *Poetics of Expressiveness* I?Uri? Konstantinovich Shcheglov,1987-01-01 The volume presents for the first time in book form in English the work of two major representatives of the so called Moscow Tartu school The Introduction outlines their project for a poetics of expressiveness against the background of the structural semiotic movement of the 60s and 70s Part I is a systematic exposition of the theory concentrating on the concepts of theme expressive device poetic world etc Part II and III apply these concepts to a structuralist portrayal of Leo Tolstoy's tales for children shown to be *A War and Peace* in miniature and of the medieval Latin author Archpoet of Cologne with special emphasis on his *Mock Penitent* The volume is provided with a Bibliography of the poetics of expressiveness and a Glossary of its metalanguage      **Revealing New Truths about Spain's Violent Past** Paloma Aguilar, Leigh A. Payne,2016-10-11 The foundation of a stable democracy in Spain was built on a settled account an agreement that both sides were equally guilty of violence a consensus to avoid contention and a pact of oblivion as the pathway to peace and democracy That foundation is beginning to crack as perpetrators' confessions upset the silence and exhumations of mass graves unbury new truths It has become possible even if not completely socially acceptable to speak openly about the past to disclose the testimonies of the victims and to ask for truth and justice Contentious coexistence that put political participation contestation and expression in practice has begun to emerge This book analyzes how this recent transformation has occurred It recognizes that political processes are not always linear and inexorable Thus it remains to be seen how far contentious coexistence will go in Spain      *Hearing Confessions* Kenneth N. Ross,2014-06-06 A restatement of the principles and practice of hearing confessions is long overdue The enlarged role of psychiatry and pastoral counseling the questioning of the special role of the priesthood the diminished sense of individual responsibility and the influence of situation ethics are all factors to be reckoned with no less than the practical questions of administering the sacrament This practical guide for confessors was prepared for publication following the author's death by Reginald Cant Canon of York Minster and includes a memoir of the author by Gordon Hopkins      *On Heroes, Hero-Worship, and the Heroic in History* Thomas Carlyle,2013-08-20 Carlyle's classic exploration of heroes and heroic leadership is accompanied by essays that reevaluate the spiritual rather than the authoritarian roots of his thought      Female Heroism in the Works of Corneille and Racine Dana Lungu,2023-07-24 This study breaks with traditional readings in terms of tragic model and tragic hero in the works of Racine and Corneille It departs from the critical tradition of examining the tragic hero as an isolated figure defined by autonomy it approaches the behaviour of M d e Clytemnestre and Ph dre from a relational perspective It argues that these female characters belong to the tragic hero category hold valid and valuable ethical positions and deserve to be treated as equal to their male counterparts It also redefines the way we look at the tragic dynamic The characters are no longer antagonists but inadvertent collaborators working towards the tragic outcome in order to satisfy desires and beliefs about themselves and the world that are deeply rooted in their psyche This book shows that alternative interpretations of the

behaviour of Medea Clytemnestre and Phaedra can be obtained and must be obtained by applying modern methodologies in order to challenge the biased readings from the past and to see these characters in a new light      **The Lutheran Quarterly**, 1900      *Holy Warriors* Richard W. Kaeuper, 2009-08-19 Kaeuper argues that chivalric ideology of the high and later Middle Ages selectively appropriated religious ideas to valorize the institution of knighthood He describes how both elite warriors and clerics contributed to a Christian theology that validated the knights bloody profession      The Hero: How The Story of God Shapes Our Life Together Steve Kroeker, 2011-10-31 Who's your hero We each have this propensity to view our life as our own independent story with ourselves in the starring role We live as our own saviour overcoming our challenges and living for our glory How's this working out for us The Gospel of Jesus calls us to flip the script and find our place in the story of God We are minor characters in his grand and glorious story We find true meaning forgiveness purpose and joy as we find our place in God's story shaped by the gospel of Jesus Whether you have never opened a Bible or have been a Christian your entire life The Hero calls us to truly know and be defined by the gospel story and to experience life as God intended it to be

Cody,2019-05-16 This is an intriguing coming of age story that centers on friendship and love but also incorporates elements of magical realism and science fiction The setting descriptions are vibrant and the characters are realistic and nicely flawed A thirty seven year old virgin known as the Indian Hero has not consummated his marriage of twelve years To top it off he has a gold digging girlfriend who has not slept with him in five years an employer who owes him a year s salary and a dream to produce his original screenplay But when the Hero s path crosses with that of an elderly American man living in Saudi Arabia everything is about to change After the old American invites the Hero on an eight day vacation to Thailand to heal from his financial and emotional woes the Hero looks forward to the respite away from his challenges in Abu Dhabi and India without any idea that the American s goal is to recruit a go go bar girl to take his virginity Despite the American s warnings to the Hero to not fall in love with the beautiful bar girl in Bangkok he does But will she reciprocate his feelings or leave him a lonely man just like all the other women in his life In this engaging novel of friendship and self discovery an American man takes an Indian hero under his wing to help him heal his mind body and spirit while on a vacation in Thailand
