Sociology Looking at Disability Sara E. Green, Sharon N. Barnartt, 2016-12-22 The purpose of this volume is to explore existing literature with an eye towards encouraging scholars not to ask the same old questions but to use older writings as a basis for revolutionary and evolutionary thinking What do the older writings tell us about what questions we should be asking and what research we should be doing today Handbook of Communication and People With Disabilities Dawn O.

Braithwaite, Teresa L. Thompson, 1999-12-01 This Handbook represents the first comprehensive collection of research on communication and people with disabilities The editors have brought together original contributions focusing on the identity social and relationship adjustments faced by people with disabilities and those with whom they relate Essays report on topics across the communication spectrum interpersonal and relationship issues people with disabilities in organizational settings disability and culture media and technologies communication issues as they impact specific types of disabilities and establish a future agenda for communication and disability research Each chapter provides a state of the art literature review practical applications of the material and keywords and discussion questions to facilitate classroom use In providing an outlet for current research on communication and disability issues this unique collection contributes to the lives of people with and without disabilities helping them to improve their own communication and relationships Intended for readers in communication psychology sociology rehabilitation social work special education gerontology and related disciplines this handbook is certain to augment further theory and research as well as offer insights for both personal and professional relationships Disability Protests Sharon N. Barnartt, Richard K. Scotch, 2001 In 1952 the Federal Republic of West

Germany concluded a treaty with Israel whereby the Germans had to pay three billion Deutschmarks in compensation for the Holocaust However the Israelis felt that Germany owed Israel a moral as well as a financial debt and thus expected further aid and protection Although Germany made several concessions in favour of the Jewish State particularly in the domain of armament as Germany's political status increased its national interest gradually took priority over that of Israel George Lavy examines the grounds which motivated Germany to grant aid to Israel and the change in their relations as the German economy flourished and gained influence in world affairs ReThinking DisAbility René Gadacz, 1994 This volume provides case studies of the contemporary independent living disabled consumer movement from the perspective of New Social

Movement theory It describes the organizational strategies by which disabled people pursue the goal of integrated community living and focuses on the work of several movement organizations *Handbook of Disability Studies* Gary L.
