Phillips vividly recounts Roach sat on the church steps looking out at the strange orange yellow light created by hydrocarbon gas flares emerging from nearby oil refineries I feel like I m sitting on a keg of dynamite he told parishioners who were passing by His premonition proved prophetic When a fire erupted onboard the Grandcamp Father Bill hurried to the docks to lend assistance It was then that the ship detonated There is still much to be learned from the Texas City disaster and from the legacy of Father Bill an early crusader for social justice in America Descendants of the disaster victims received financial reparations and yet as Phillips cautions safety and environmental regulations barely exist in Texas today particularly when it comes to the petrochemical industry Sitting on a Keg of Dynamite serves as a cautionary tale for Texans and all Americans as environmental accidents continue to threaten our safety Sporting Magazine ,1821 *Learning from Burnout* Tim Casserley,David Megginson,2009 Examines the nature causes and symptoms of burnout the role of dysfunctional organisations in contributing to burnout and how coaches HR professionals and bosses can support people experiencing burnout
