*The sins of Philip Fleming* Irving Wallace, 1965      **The Sins of Philip Fleming** Irving Wallace, 1979-01-01      **The Sins of Philip Fleming** Irving Wallace, 2018-12-27 Like many a man who has married early Philip Fleming felt that he had been cheated of the delights that his bachelor friends boasted of that his married friends took with guilty pleasure Cheated because after a decade of marriage with money and stature as a studio writer and an endless galaxy of desirable women available to him he had never once been unfaithful to his wife Philip told himself the dangers were too great the involvement too complete He did not tell himself that he was afraid Then one afternoon Peggy Degen a young widow walked into his living room Philip took one look at her green eyed feline beauty all promise and sensuality and for the first time knew the consuming not to be denied need to be with a woman other than his wife Peggy he soon found was willing to give herself freely not because she was wanton but as the spontaneous expression of her genuine outgoing love But when Philip went to her the inconceivable the outrageous the unendurable happened Philip saw that if he ran from Peggy there would be no stopping ever What had begun as a glamorous extramarital romance in less than a week became a dark headlong obsession threatening him with total impotence as a human being      **The Sins of Philip Fleming, by Irving Wallace** Irving Wallace, 1963      **The Sins of Philip Fleming, Etc** Irving Wallace, 1964      **LIFE**, 1964-07-31 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use      **Records and Briefs New York State Appellate Division**,      **A Question of Quality** Louis Filler, 1976 The subjects treated in this symposium have one major characteristic in common that they have recently or relatively recently enjoyed high popularity among readers Also they have received from substantial to torrents of comment      **Irving Wallace** John Leverence, 1974 This profile of Irving Wallace and his work includes more than 200 photographs and illustrations It recounts his Midwest Hollywood and European years his experiences during a lifetime of travel his adventures as a journalist in the Far East and Europe his embroilment in political and literary controversies his legal battles and many other facets of his extraordinary life      *Love, Joe* Joe Brainard, 2024-11-26 An artist and writer whose charming and inventive works are at once modest and ambitious Joe Brainard was one of the most distinctive figures on New York City s vibrant cultural scene in the 1960s and 1970s Widely known for his influential experimental memoir *I Remember* Brainard worked in a variety of forms from New York School aligned poetry to Pop Art adjacent artworks including wild riffs on the comic strip character Nancy His art drew on the everyday and popular culture exuding a sense of amiability wit and generosity *Love Joe* presents a selection of Brainard s letters stretching from 1959 to 1993 offering an intimate view of his personal and artistic life They allow readers to witness an extraordinarily fertile moment in New York s history when literary and visual arts intersected with happenings proto punk and psychedelic rock

concerts and experimental music and dance performances Brainard's letters to his partner Kenward Elmslie and others also open a window onto the transformations of queer life during this period His correspondents include poet and artist friends such as John Ashbery Anne Waldman Ted Berrigan Alice Notley Fairfield Porter Ron Padgett Bernadette Mayer James Schuyler Alex Katz and Andy Warhol as well as lovers patrons high school friends and fans At once an insider's view of the art and literary worlds and a revelation of Brainard's creative process these letters invite readers to share in his radical but gentle candor his open mindedness and a sophisticated naiveté that helped him erase the conventional barriers between art and life

Another Life Michael Korda, 2000-05-09 From world leaders to Mafia dons from Hollywood stars to the literary world's most eccentric writers the notable and notorious alike have entrusted their life's work to Simon Joan Crawford whose autobiography reflected a life she would have liked to have lived but did not Joseph Bonanno the retired Mafia don who'd do anything to keep from being killed by the reviewers And in a revelatory account that reads as compulsively as fiction Another Life paints a vivid picture of publishing's glitterati including Jacqueline Susann who liberated women's fiction and terrorized a publishing house and Tennessee Williams who nourished his genius on four course vodka lunches A veritable Who's Who of stage screen and letters Another Life is the deft interweaving of publishing at its most fascinating and storytelling at its finest
