Sir Aurel Stein Archaeological Explorer:

Sir Aurel Stein Jeannette Mirsky, 1998-10 An extraordinary man who advanced human knowledge on many fronts Sir Aurel Stein 1862-1943 pursued dramatic adventure with scientific purpose Jeannette Mirsky has drawn from Stein's voluminous outpouring of books and articles as well as from his letters and unpublished archival materials to produce a lively and definitive biography of this archaeological explorer, geographer, historical topographer, and linguist. Mirsky has digested the correspondence and she quotes so skillfully that her book will save many people the trouble of reading Stein's own exhaustive and exhausting volumes. **Definitive** Larry McMurtry, Washington Post A first-rate and unique biography of one of the more significant explorers of Central Asia and the Indo-Iranian borderlands. Mirsky has recreated not only the life of an intrepid explorer but the spirit of the times. **Choice** Mirsky has performed a signal service in distilling the life, travels, and letters of Aurel Stein into a manageable, graceful, and meaningful synthesis. **Theodore A. Wright**, *Technology and Culture*

The General Theory of Dunhuang Studies Jinbao Liu, 2022-03-25 Dunhuang studies refer to a discipline focusing on Dunhuang Manuscripts, Dunhuang grotto art, the theory of Dunhuang studies, and Dunhuang history and geography. It is a broad subject of studying, excavating, sorting, and protecting the cultural relics and documents in the Dunhuang area of China. **The General Theory of Dunhuang Studies** explores the basic concept of Dunhuang studies. It presents a more comprehensive and systematic study of six aspects of Dunhuang, covering the background of Dunhuang studies, the history of Dunhuang, Dunhuang grotto art, the scattering of Dunhuang cultural relics, Dunhuang manuscripts, and the history of Dunhuang studies, and discussing and summarizing the relevant national and international research. **The General Theory of Dunhuang Studies** has extensively absorbed the research achievements of domestic and foreign academic circles, and the author's decades of academic research experience. As a comprehensive and systematic academic monograph with both academic depth and extensive readability, the book provides descriptions, theory, and objective comments written in a clear and straightforward style. The book is intended for professional scholars, graduates, and general readers. It is an excellent teaching and learning resource for those interested in understanding and learning about Dunhuang studies. However, it is also a helpful reference book for readers interested in Dunhuang culture. **Aurel Stein on the Silk Road** Susan

Whitfield, 2004 This work presents an illustrated account of the adventures of the great Silk Road explorer and archaeologist Sir Aurel Stein, whose expeditions included the discovery of an amazing hoard of Buddhist paintings hidden since the 11th century inside a secret cave at Dunhuang. **Buddhist Nuns, Monks, and Other Worldly Matters** Gregory

Schopen, 2014-07-31 **Buddhist Nuns, Monks, and Other Worldly Matters** Recent Papers on Monastic Buddhism in India is the fourth in a series of collected essays by one of today's most distinguished scholars of Indian Buddhism. In these articles, Gregory Schopen once again displays the erudition and originality that have contributed to a major shift in the way that Indian Buddhism is perceived, understood, and studied. **The Oxford Companion to Archaeology** Neil Asher

Silberman,2012-11 The second edition of The Oxford Companion to Archaeology is a thoroughly up to date resource with new entries exploring the many advances in the field since the first edition published in 1996 In 700 entries the second edition provides thorough coverage to historical archaeology the development of archaeology as a field of study and the way the discipline works to explain the past In addition to these theoretical entries other entries describe the major excavations discoveries and innovations from the discovery of the cave paintings at Lascaux to the deciphering of Egyptian hieroglyphics and the use of luminescence dating Recent developments in methods and analytical techniques which have revolutionized the ways excavations are performed are also covered as well as new areas within archeology such as cultural tourism and major new sites which have expanded our understanding of prehistory and human developments through time In addition to significant expansion first edition entries have been thoroughly revised and updated to reflect the progress that has been made in the last decade and a half

The Missionary and the Maharajas Hugh Tyndale-Biscoe, 2018-12-18 Cecil Tyndale Biscoe polarised opinion in early 20th India by his unconventional methods of educating Kashmiris and through them changing the social order of a society steeped in old superstitions He was a man of contradictions a Christian and a boxer a missionary who made very few converts a staunch supporter of British imperialism and a friend of Kashmir s political reformers He made enemies of the Hindu Establishment who described him as exceedingly a bad man and one too much fond of cricket but earned the respect of two successive Hindu Maharajas as well as the Muslim leader who succeeded them He was 27 when he became the Principal of the Church Missionary Society s school in Kashmir in 1890 and he left as India gained independence in 1947 His vision was of a school in action vigorously involved in the affairs and problems of the city of Srinagar to support the weak and to fight corruption wherever it occurred Under his leadership the masters and boys were engaged in fighting fires in the city saving people from drowning taking hospital patients for outings on the lakes helping women and removing the ban on the remarriage of young widows His avowed purpose was to make his students into honest fearless leaders who would serve their beloved country of Kashmir The book begins with the medieval condition of Kashmir in the nineteenth century describes the development of his unusual approach to education explores the many challenges he had to overcome including his chronic bad health his difficulties with the CMS and the opposition of the Hindu establishment and State Government and contrasts this with the speedy and enthusiastic acceptance by his young Kashmiri teachers and students of what he was offering and how together they transformed their society and prepared Kashmir for independence

The Psychology of Religion and Place Victor Counted, Fraser Watts, 2019-11-01 This book examines the role of religious and spiritual experiences in people s understanding of their environment The contributors consider how understandings and experiences of religious and place connections are motivated by the need to seek and maintain contact with perceptual objects so as to form meaningful relationship experiences The volume is one of the first scholarly attempts to discuss the

psychological links between place and religious experiences The chapters within provide insights for understanding how people's experiences with geographical places and the sacred serve as agencies for meaning making pro social behaviour and psychological adjustment in everyday life

Journeys on the Silk Road Joyce Morgan, Conrad Walters, 2012-08-22 When a Chinese monk broke into a hidden cave in 1900 he uncovered one of the world's great literary secrets a time capsule from the ancient Silk Road Inside scrolls were piled from floor to ceiling undisturbed for a thousand years The gem within was the Diamond Sutra of AD 868 This key Buddhist teaching made 500 years before Gutenberg inked his press is the world's oldest printed book The Silk Road once linked China with the Mediterranean It conveyed merchants pilgrims and ideas But its cultures and oases were swallowed by shifting sands Central to the Silk Road's rediscovery was a man named Aurel Stein a Hungarian born scholar and archaeologist employed by the British service Undaunted by the vast Gobi Desert Stein crossed thousands of desolate miles with his fox terrier Dash Stein met the Chinese monk and secured the Diamond Sutra and much more The scroll's journey by camel through arid desert by boat to London's curious scholars by train to evade the bombs of World War II merges an explorer's adventures political intrigue and continued controversy The Diamond Sutra has inspired Jack Kerouac and the Dalai Lama Its journey has coincided with the growing appeal of Buddhism in the West As the Gutenberg Age cedes to the Google Age the survival of the Silk Road's greatest treasure is testament to the endurance of the written word

Eighteen Lectures on Dunhuang Xinjiang Rong, 2013-07-01 In Eighteen Lectures on Dunhuang Rong Xinjiang provides an accessible overview of Dunhuang studies an academic field that emerged following the discovery of a medieval monastic library at the Mogao caves near Dunhuang The manuscripts were hidden in a cave at the beginning of the 11th century and remained unnoticed until 1900 when a Daoist monk accidentally found them and subsequently sold most of them to foreign explorers and scholars The availability of this unprecedented amount of first hand material from China's middle period provided a stimulus for a number of scholarly fields both in China and the West Rong Xinjiang's book provides for the first time in English a convenient summary of the history of Dunhuang studies and its contribution to scholarship
