Rethinking Sexuality Diane Richardson, 2000-10-26 This thoughtful and accessible book provides a critical examination of the central debates attached to conceptualizing sexuality as a site of knowledge and politics. These are explored in chapters on the meaning of heterosexuality, sexual citizenship, and the associated notions of sexual rights and obligations, queer theory, and its relationship with feminisms, both new and old. Also included is discussion of responses to the HIV/AIDS epidemic and the implications for understandings of gender and sexuality **Communicating Ethnic and Cultural Identity** Mary

Fong, Rueyling Chuang, 2004 This intercultural communication text reader brings together the many dimensions of ethnic and cultural identity and shows how they are communicated in everyday life. Introducing and applying key concepts, theories, and approaches from empirical to ethnographic, a wide variety of essays look at the experiences of African Americans, Asians, Asian Americans, Latinos, and Native Americans, as well as many cultural groups. The authors also explore issues such as gender, race, class, spirituality, alternative lifestyles, and inter- and intra-ethnic identity. Sites of analysis range from movies and photo albums to beauty salons and Deadhead concerts. Visit our website for sample chapters Queer Theory and

Communication Gust Yep, 2014-06-17 Get a queer perspective on communication theory. *Queer Theory and Communication: From Disciplining Queers to Queering the Discipline* is a conversation starter sparking smart talk about sexuality in the communication discipline and beyond. Edited by members of The San Francisco Radical Trio, the book integrates current queer theory research and interventions to create a critical lens with which to view the damaging effects of heteronormativity on personal, social, and cultural levels and to see the possibilities for change through social and cultural transformation. *Queer Theory and Communication* represents a commitment to positive social change by imagining different social realities and sharing ideas, passions, and lived experiences. As the communication discipline begins to recognize queer theory as a vital and viable intellectual movement equal to that of Gay and Lesbian studies, the opportunity is here to take current queer scholarship beyond conference papers and presentations. *Queer Theory and Communication* has five objectives: 1. to integrate and disseminate current queer scholarship to a larger audience, academic and nonacademic; 2. to examine the potential implications of queer theory in human communication theory and research in a variety of contexts; 3. to stimulate

dialogue among queer scholars 4 to set a preliminary research agenda and 5 to explore the implications of the scholarship in cultural politics and personal empowerment and transformation Queer Theory and Communication boasts an esteemed panel of academics artists activists editors and essayists Contributors include John Nguyet Erni editor of Asian Media Studies and Research Analysis Program Board member for GLAAD Joshua Gamson author of Freaks Talk Back Tabloid Talk Shows and Sexual Nonconformity Sally Miller Gerahart author activist and actress Judith Halberstam author of Female Masculinity David M Halperin author of How to Do the History of Homosexuality E Patrick Johnson editor of Black Queer Studies Kevin Kumashiro author of Troubling Education Queer Activism and Antioppressive Pedagogy Thomas Nakayama co editor of Whiteness The Communication of Social Identity A Susan Owen author of Bad Girls Cultural Politics and Media Representations of Transgressive Women William F Pinar author of Autobiography Politics and Sexuality and editor of Queer Theory in Education Ralph Smith co author of Progay antigay The Rhetorical War over Sexuality Queer Theory and Communication From Disciplining Queers to Queering the Discipline s is an essential addition to the critical consciousness of anyone involved in communication media studies cultural studies gender studies and the study of human sexuality whether in the classroom the boardroom or the bedroom

Line Drawings Cressida Heyes, 2018-08-06 At the heart of feminist theory lies the seemingly intractable issue of essentialism Feminism has thus far failed to transcend critiques of essentialism and currently offers only two inadequate positions against it One response reifies the category women representing the experience of oppression of privileged women as archetypal for feminism and the other denies the category because it unjustly overgeneralizes thus undercutting the possibility of a robust theory of gender oppression To spur anti essentialist methods and practice around such issues as sexual violence feminist theory crucially needs a constructive and politically powerful strategy for defining women Cressida J Heyes deftly elucidates and then travels beyond the essentialism debates to rescue the efficacy of feminist theory for activism and research She offers a genealogy of essentialism specifically as it applies to the work of Carol Gilligan and Catharine MacKinnon and employs a Wittgensteinian approach to feminism that understands similarities between women as family resemblances and political decisions about inclusion and exclusion as contextual and purposive Line Drawings argues for an anti essentialist method that enables generalizing feminist discourse but insists on paying close attention to the operations of power in constructing claims about women This is a fresh and vitally important step past stymied debate on what is arguably the most pressing issue in cross disciplinary feminist theory

Race and Racialization, 2E Tania Das Gupta, Carl E. James, Chris Andersen, Grace-Edward Galabuzi, Roger C. A. Maaka, 2018-02-01 Few words have generated as much debate and controversy as the word race Through a critical examination of this complex subject this anthology brings together essential contributions to the study of race and racialization An excellent compilation of classic and contemporary works by academic and activist writers Race and Racialization provides historical comparative and global perspectives on race and its intersection with gender class ethnicity indigeneity and sexuality This well updated
