**Brothers and Sisters** Henry Abramovitch,2014-11-18 Growing up we typically spend more time with our brothers and sisters than we do with our parents In an age of divorce mobility and alienation the sibling bond is often the only one that really lasts Given that brothers and sisters are such a fundamental aspect of human existence it is remarkable that they have received so little in depth attention in the field of psychology Henry Abramovitch s Brothers and Sisters explores the tension between the myth and reality of brothers and sisters in a variety of cultures and through the poignant brother sister stories in the Bible

Abramovitch looks at the developmental sequence in the sibling relationship as brothers or sisters struggle to find their place with each other concluding with a very personal account of his own relationship with his brother and sister *The Dust and the Glory* Earl Cripe,2010-03-31 Without serious argument Genesis is at once the most fascinating and compelling and the most misunderstood book in the Bible The foundation of the Gospel and the Historic Christian Church is laid down in the first eight chapters Without a proper understanding of what took place there why and when there is no Gospel Dr Cripe uses his winsome method of teaching his God given wisdom and knowledge his elegant eloquent and lucid writing style and his gifts

as a Christian mystic to unlock and discuss secrets that have lain dormant and hidden for far too long In this book Earl takes on the humanists who seek to make the creation account something other than literal and exposes their nefarious agendas In this book essential elusive and transcendent questions are asked and answered Where did evil come from Was the serpent the devil Why did God put the Tree of the knowledge of Good and Evil in the Garden Why did God give the serpent access to Eve Did the Genesis Flood Happen Was it universal What is the testimony of the earth around us regarding this question In the end of the age when the fury of the dragon is being unleashed against the Bible belief in God and the integrity of the historic church we cannot imagine a more vital and timely book for all who seek find truth in the foment of a caldron of lies and disinformation If you are a dedicated and sincere seeker for truth The Dust and the Glory will supply you with vital and needed information and will make a better Christian of you
