THE MODERN MIDDLE EAST**

MICHAEL B. OREN

Six Days Of War June 1967 And The Making Of The Modern Middle East

Clive Jones, Tore T. Petersen

Six Days Of War June 1967 And The Making Of The Modern Middle East:

Six Days of War Michael B. Oren, 2002 In 1967 the future of the state of Israel was far from certain But with its swift and stunning military victory against an Arab coalition led by Egypt in the Six Day War Israel not only preserved its existence but redrew the map of the region with fateful consequences The Camp David Accords the assassinations of Anwar Sadat and Yitzhak Rabin the intifada and the current troubled peace negotiations all of these trace their origins to the Six Day War Michael Oren's *Six Days of War* is a gripping account of one of the most dramatic and important episodes in the history of the Middle East With exhaustive research in primary sources including Soviet Jordanian and Syrian files not previously available he has reconstructed the tension filled background and the dramatic military events of the conflict drawing the threads together in a riveting narrative enlivened by crisp character sketches of major characters many of whom from Ariel Sharon to Yasser Arafat are still leading figures today Most important Oren has unearthed some dramatic new findings He has discovered that a top secret Egyptian plan to invade Israel and wipe out its army and nuclear reactor came within hours of implementation He also reveals how the superpowers narrowly avoided a nuclear showdown over the Eastern Mediterranean and how a military coup in Israel almost occurred on the eve of the war

Six Days of War Michael B. Oren, 2004-01-01 For six tense days between June 5 and 10 1967 war raged between Israel and its neighbors Egypt Jordan and Syria There are many contexts in which this story makes sense but only Michael Oren a widely published American born Israel scholar and historian has so far knitted the diverse strands into a cohesive fabric that remains vital and relevant today With educated authority and authorial integrity Oren manages to sketch out facts and motives with the same intrigue as battles and strategies Escalating territorial and populist tensions in the Middle East only serve to make this title more relevant Anyone who wants to have a grasp of Middle Eastern politics or political tensions involving Israel must read this title *Six Days of War* was a New York Times Bestseller and Washington Post Best Book Award Winner in 2002 and has gone on to be an internationally acclaimed bestseller The book has been widely recognized as the definitive telling of the Six Day War

The Six Day War Guy Laron, 2017-02-21 The author of *Origins of the Suez Crisis* makes us look afresh at the events that led to conflict between Israel and its neighbors Financial Times One fateful week in June 1967 redrew the map of the Middle East Many scholars have documented how the Six Day War unfolded but little has been done to explain why the conflict happened at all Now historian Guy Laron refutes the widely accepted belief that the war was merely the result of regional friction revealing the crucial roles played by American and Soviet policies in the face of an encroaching global economic crisis and restoring Syria's often overlooked centrality to events leading up to the hostilities The Six Day War effectively sowed the seeds for the downfall of Arab nationalism the growth of Islamic extremism and the animosity between Jews and Palestinians In this important new work Laron's fresh interdisciplinary perspective and extensive archival research offer a significant reassessment of a conflict and the trigger happy generals behind it that continues to shape the modern world Challenging

well worth reading Moment A penetrating study of a conflict that although brief helped establish a Middle Eastern template that is operational today The author looks beyond Cold War maneuvering to examine the conflict in other lights Readers with an interest in Middle Eastern geopolitics will find much of value Kirkus Reviews **The Arab-Israeli Six-Day War** Jeff Hay,2012-12-28 This volume explores the 1967 Six Day War between Israel and several neighboring Arab nations Readers are offered background information on the events leading up and during the war as well as varying views on the controversies surrounding the war and its aftermath Readers will evaluate whether Israel should hold on to the post 1967 borders and the impact of the postwar occupations Personal narratives come from Israeli Palestinian and other perspectives allowing readers to develop opinions from the words of those who experienced it themselves **Israel Yearbook on Human Rights, Volume 49 (2019)** Yoram Dinstein,2019-09-16 The Israel Yearbook on Human Rights an annual published under the auspices of the Faculty of Law of Tel Aviv University since 1971 is devoted to publishing studies by distinguished scholars in Israel and other countries on human rights in peace and war with particular emphasis on problems relevant to the State of Israel and the Jewish people The Yearbook also incorporates documentary materials relating to Israel and the Administered Areas which are not otherwise available in English including summaries of judicial decisions compilations of legislative enactments and military proclamations Operational Art Milan Vego,2025-03-18 This book describes and explains the theory of operational art an intermediate field of theory and practice between tactics and strategy This book is one of relatively few works in the English language on the theory of operational art It deals predominantly with the theory of operational art as applied to preparing planning and conducting a high intensity conventional war In contrast to other works the book is written in broad terms rather than focusing on national military culture and experience which allows more flexibility in adjusting to new evidence The book explains the theory of operational art in all three physical dimensions land sea and air space and describes analyses various aspects of operational art in general terms using historical examples to facilitate the understanding of the theory The case studies focus on examples of major campaigns and operations in both the more recent and distant history of warfare including the current Ukraine Russia war This book will be of much interest to students of strategic studies military history defense studies and International Relations as well as military professionals Mediation of International Conflicts Lesley G. Terris,2016-12-08 This book examines the use of third party mediation as a conflict resolution method In an attempt to explain why some but not all conflicts are mediated this work argues that diverse conflict structures are inherently different in their susceptibility to mediation attempts By offering a systematic method for measuring the transformability of conflict structures this book contributes to our understanding of the sufficient and necessary conditions for mediation In addition the study offers an analytical framework for the examination of mediation as a trilateral rational bargaining process Although the general concept of mediation as a three person game is not new most studies focus on either the disputants perspectives or the mediator s perspective In contrast this study integrates the

perspectives of all three parties The framework links the different stages involved in the whole process of mediation from the onset of mediation through the mediation strategies used to the outcome rather than focusing on one particular aspect The book applies the framework to two case studies the conflict between Israel and Egypt and the conflict between India and Pakistan and provides new insights into these conflicts from a mediation perspective In general the model developed here provides a framework for systematically assessing conflicts and the options available to those involved in the mediation process This book will be of much interest to students of conflict resolution mediation war and conflict studies Asian politics Middle Eastern politics and IR in general

The Arab-Israeli Conflict Kirsten E. Schulze, 2013-11-14 In this fully revised new edition Kirsten Schulze brings us to a new understanding of the causes course and consequences of the Arab Israeli Conflict Schulze analyses the dynamics of the violence and explores the numerous attempts at resolving the conflict She assesses why in the cases of Israel Egypt in 1978 and Israel Jordan in 1994 negotiations succeeded in bringing about a lasting peace and why in the cases of Israel and the Palestinians Syria and Lebanon they failed to do so Written in a clear and accessible style this fully updated second edition Traces the origins of the conflict from their first intellectual roots in the 19th century Examines the actions and aims of the competing nationalist movements during the period of the British Mandate which led to the creation of the state of Israel Outlines and analyses each of the Arab Israeli conflicts from the creation of the state of Israel in 1948 to the 2006 Lebanon war and the on going second Palestinian uprising With a diverse collection of documents and a Chronology Glossary Guide to Further Reading and a Who's Who summarizing the careers and contributions of the main figures this book is absolutely vital to understanding the current Israeli Palestinian violence the intra Palestinian rift between Hamas and Fatah and why the Arab Israeli conflict has become the centre of Muslim politics both violent and non violent across the world

Public Administration and Policy in the Middle East Alexander R. Dawoody, 2014-09-22 The various and different Middle Eastern countries are addressing new key reform and governance reform processes but also administration and policy issues of enduring importance decentralization and local government non profit organizations political culture and reform of the policy process This book provides assessment of national strategies for reform in public administration and policy how these strategies have fared in implementation and what challenges must be overcome to achieve real and sustainable progress Seven country case studies will explore the overall policy making process from a critical perspective and consider how it could be strengthened Four cases will deal with the controversial issues of decentralization of power and decision making Two cases will address the role of civil society in the policymaking and reform process Introductory and concluding chapters will place these discussions in context and draw the primary lessons for policy makers The main objectives of the book are to present different examples of specific public policy and administration as well as governance issues in the Middle East so that policymakers both in the region and the world who are interested in the Middle East as well as practitioners scholars and graduate students can utilize the book as a study guide to better

understand various dynamics in governance in the Middle East This approach will enable the volume to bridge global perspectives on governance development with regional perspectives and experience bringing shared expertise intellectual inquisitiveness and experience in the professional practice of public policy and administration to bear on these common challenges

The Encyclopedia of the Arab-Israeli Conflict Spencer C. Tucker, Priscilla Roberts, 2008-05-12 This exhaustive work offers readers at multiple levels key insights into the military political social cultural and religious origins of the Arab Israeli conflict The Encyclopedia of the Arab Israeli Conflict A Political Social and Military History is the first comprehensive general reference encompassing all aspects of the contentious Arab Israeli relationship from biblical times to the present with an emphasis on the era beginning with World War I The Encyclopedia of the Arab Israeli Conflict goes beyond simply recapping military engagements In four volumes with more than 750 alphabetically organized entries plus a separate documents volume it provides a wide ranging introduction to the distinct yet inextricably linked Arab and Israeli worlds and worldviews exploring all aspects of the conflict The objective analysis will help readers understand the dramatic events that have impacted the entire world from the founding of modern Israel to the building of the Suez Canal from the Six Day War to the Camp David Accords from the assassinations of Anwar Sadat and Yitzhak Rabin to the rise and fall of Yasser Arafat the 2006 Palestinian elections and the Israeli Hezbollah War in Lebanon

Israel Anita Shapira, 2014-08-05 A history of Israel in the context of the modern Jewish experience and the history of the Middle East

Armies of Sand Kenneth Michael Pollack, 2019 Since the Second World War Arab armed forces have consistently punched below their weight They have lost many wars that by all rights they should have won and in their best performances only ever achieved quite modest accomplishments Over time soldiers scholars and military experts have offered various explanations for this pattern Reliance on Soviet military methods the poor civil military relations of the Arab world the underdevelopment of the Arab states and patterns of behavior derived from the wider Arab culture have all been suggested as the ultimate source of Arab military difficulties Armies of Sand Kenneth M Pollack s powerful and riveting history of Arab armies from the end of World War Two to the present assesses these differing explanations and isolates the most important causes Over the course of the book he examines the combat performance of fifteen Arab armies and air forces in virtually every Middle Eastern war from the Jordanians and Syrians in 1948 to Hizballah in 2006 and the Iraqis and ISIS in 2014 2017 He then compares these experiences to the performance of the Argentine Chadian Chinese Cuban North Korean and South Vietnamese armed forces in their own combat operations during the twentieth century The book ultimately concludes that reliance on Soviet doctrine was more of a help than a hindrance to the Arabs In contrast politicization and underdevelopment were both important factors limiting Arab military effectiveness but patterns of behavior derived from the dominant Arab culture was the most important factor of all Pollack closes with a discussion of the rapid changes occurring across the Arab world political economic and cultural as well as the rapid evolution in war making as a result of the information revolution He suggests that

because both Arab society and warfare are changing the problems that have bedeviled Arab armed forces in the past could dissipate or even vanish in the future with potentially dramatic consequences for the Middle East military balance Sweeping in its historical coverage and highly accessible this will be the go to reference for anyone interested in the history of warfare in the Middle East since 1945 *The Golan Heights* Yigal Kipnis, 2013-05-29 Presenting the settlement landscape of the Golan before and after June 1967 *The Golan Heights* deals with the issue of the border between Israel and Syria and with the Israeli settlement process in the area following the Six Day War The story of the Golan Heights and its position between Syria and Israel does not belong only to the past it is still interwoven in the political present of the two countries Public discourse in Israel on the political future of the Golan and the direct and indirect political discussions between Israel and Syria rest to a great extent on personal and collective memories and these by nature are based on the past The perceptions of the Israeli public were constructed upon the image of a mountain that became a monster This image reached its peak on the eve of the Six Day War in June 1967 but continued to be consolidated and preserved in the Israeli collective memory and so it has remained until the present Addressing the question of the political future of the Golan a central issue for both Israel and the wider Middle East this book will be an invaluable resource for students and scholars of Political History Settlement Geography and Geopolitics Dr Yigal Kipnis teaches International Relations at Haifa University He received a BS in Civil Engineering from the Technion in Haifa and an MA and PhD in Land of Israel Studies from Haifa University His first book *The Mountain That Was as a Monster The Golan Between Syria and Israel* was published in 2009 His second book *1973 The Way to War* published in 2012 immediately became a bestseller It reveals the continuing political process which led to the Middle East war of October 1973 **Arms Transfers to Israel** David Rodman, 2007-03-01 Divided into two parts this book talks about two common myths about the American Israeli patron client relationship that arms transfers to Israel have been motivated by American domestic politics rather than national interests and that these arms transfers have come without any political strings attached to them **Exploring Intelligence Archives** R. Gerald Hughes, Peter Jackson, Len Scott, 2008-03-11 This edited volume brings together many of the world's leading scholars of intelligence with a number of former senior practitioners to facilitate a wide ranging dialogue on the central challenges confronting students of intelligence The book presents a series of documents nearly all of which are published here for the first time accompanied by both overview and commentary sections The central objectives of this collection are twofold First it seeks to build on existing scholarship on intelligence in deepening our understanding of its impact on a series of key events in the international history of the past century Further it aims to explore the different ways in which intelligence can be studied by bringing together both scholarly and practical expertise to examine a range of primary material relevant to the history of intelligence since the early twentieth century This book will be of great interest to students of intelligence strategic and security studies foreign policy and international history *Israel's Clandestine Diplomacies* Clive Jones, Tore T. Petersen, 2013 Provides fascinating

insights into how Mossad leaders such as Yaacov Nimrodi Meit Amit and Reuven Shiloah conducted secret diplomatic missions to Turkey Syria Jordan Iran and elsewhere from before the founding of Israel to the present Advocating for Israel Natan Aridan,2017-08-22 This study analyzes the unique triangular relationship between Israel s diplomatic representatives pro Israel advocates and US administrations draws on a wealth of Hebrew and English primary documentation that includes government archives surveillance records wiretappings personal oral interviews and diaries of key individuals Natan Aridan demonstrates how a small new state succeeded in establishing a level of political economic and military aid that has made for an alliance that is unique in the American experience Revealed in considerable depth are the dilemmas facing Israeli and US leaders and pro Israel organizations and the extent to which individual Jewish leaders maneuvered as conduits between Israeli governments and US administrations whose senior dramatis personae in turn attempted to influence moderate restrain and change the course of policy decisions and actions Each administration had multiple voices and international contingencies presented different challenges all of which had a major impact in fluctuations and shifts in policies toward Israel There was nothing inevitable about military and financial support for Israel It was only by the end of the period that a distinct pattern began to emerge Eventual qualified US support took a long and complicated path developed over many decades on multidimensional levels The book refutes insidious allegations that from Israel s inception Jewish influence and a powerful Israel lobby hijacked US foreign policy to achieve unreserved military and financial support for Israel that undermined the best interests of the US The author illustrates one of the poorly misunderstood aspects on the subject by demonstrating how Israeli governments were more astute and powerful than previous scholars have realized and that they were in fact pulling the strings far more than AIPAC and wealthy Jews He also demonstrates that a contributing factor on the decision to aid Israel understated in previous research lay in Israel exploiting its nuisance value

Non-Aligned Movement Summits Jovan Cavoški,2022-05-19 Using newly declassified documents from Serbian British Indian Chinese Myanmar U S and Soviet archives *Non Aligned Movement Summits* shows how the Non Aligned Movement NAM gradually evolved into the third force of Cold War politics enveloping most of the post colonial and non bloc world Jovan Cavo ki follows the evolution of the NAM through its summits and other gatherings during which major political decisions pertaining to the destiny of the Third World were made These events were scrutinized by all major powers and had a corresponding effect on their policies From the Belgrade Conference in 1961 until 1989 all major Third World and non bloc nations met to demonstrate to the Eastern and Western Blocs that they were independent active and respected participants in world affairs Cavo ki shows how these summits were also closely related to events occurring in the relationship between the two blocs providing opportunities for non bloc actors to influence the global balance of power By moving the focus of 20th century international history away from the bloc nations and instead giving developing nations in Africa and Asia due attention this book provides a fresh perspective on Cold War history and fills a significant gap in the literature It is an

important study for all students and scholars of the Cold War and international history **Israel's National Security Predicament** David Rodman, 2023-09-29 This book provides a ground breaking assessment of the Israeli national security experience from the establishment of the country through to the present day Seventy five years after its establishment the State of Israel continues to face an acute national security predicament as a result of the still unresolved Arab Israeli conflict This monograph offers a new framework for analyzing this experience first exploring the crucial events of the past and present that define it including interstate wars asymmetrical wars low intensity conflicts and developments in weapons of mass destruction The book then probes how Israel s evolving national security doctrine has addressed these various challenges over the years highlighting the roles of a number of variables deterrence warning and decision strategic depth and defensible borders the quality and quantity of fighting men and machines intelligence self reliance in military matters foreign policy and the influence of ethnic demography societal resilience economic prosperity and water security Written in accessible non technical language the book will appeal to general readers seeking an introduction to Israeli security as well as to specialists and researchers in various fields including Israeli history Middle Eastern politics and security studies

Six Days Of War June 1967 And The Making Of The Modern Middle East Introduction

Six Days Of War June 1967 And The Making Of The Modern Middle East Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Six Days Of War June 1967 And The Making Of The Modern Middle East Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Six Days Of War June 1967 And The Making Of The Modern Middle East : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Six Days Of War June 1967 And The Making Of The Modern Middle East : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Six Days Of War June 1967 And The Making Of The Modern Middle East Offers a diverse range of free eBooks across various genres. Six Days Of War June 1967 And The Making Of The Modern Middle East Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Six Days Of War June 1967 And The Making Of The Modern Middle East Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Six Days Of War June 1967 And The Making Of The Modern Middle East, especially related to Six Days Of War June 1967 And The Making Of The Modern Middle East, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Six Days Of War June 1967 And The Making Of The Modern Middle East, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Six Days Of War June 1967 And The Making Of The Modern Middle East books or magazines might include. Look for these in online stores or libraries. Remember that while Six Days Of War June 1967 And The Making Of The Modern Middle East, sharing copyrighted material without permission is not legal. Always ensure youre

either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Six Days Of War June 1967 And The Making Of The Modern Middle East eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Six Days Of War June 1967 And The Making Of The Modern Middle East full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Six Days Of War June 1967 And The Making Of The Modern Middle East eBooks, including some popular titles.

FAQs About Six Days Of War June 1967 And The Making Of The Modern Middle East Books

What is a Six Days Of War June 1967 And The Making Of The Modern Middle East PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Six Days Of War June 1967 And The Making Of The Modern Middle East PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Six Days Of War June 1967 And The Making Of The Modern Middle East PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Six Days Of War June 1967 And The Making Of The Modern Middle East PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Six Days Of War June 1967 And The Making Of The Modern Middle East PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing

and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
