R. Streitberger, 2017-08-17
The Masters of the Revels and Elizabeth I's Court Theatre places the Revels Office and Elizabeth I's court theatre in a pre modern patronage and gift exchange driven world of centralized power in which hospitality liberality and conspicuous display were fundamental aspects of social life W R Streitberger reconsiders the relationship between the biographies of the Masters and the conduct of their duties rethinking the organization and development of the Office re examining its productions and exploring its impact on the development of the commercial theatre The nascent capitalist economy that developed alongside and interpenetrated the gift driven system that was in place during Elizabeth's reign became the vehicle through which the Revels Office along with the commercial theatre was transformed Beginning in the early 1570s and stretching over a period of twenty years this change was brought about by a small group of influential Privy Councillors When this project began in the early 1570s the Queen's revels were principally in house productions devised by the Master of the Revels and funded by the Crown When the project was completed in the late 1590s the Revels Office had been made responsible for plays only and put on a budget so small that it was incapable of producing them That job was left to the companies performing at court Between 1594 and 1600 the revels consisted almost entirely of plays brought in by professional companies in the commercial theatres in London These companies were patronized by the queen's relatives and friends and their theatres were protected by the Privy Council Between 1594 and 1600 for example all the plays in the revels were supplied by the Admiral's and Chamberlain's Players which included writers such as Shakespeare and legendary actors such as Edward Alleyn Richard Burbage and Will Kempe The queen's revels essentially became a commercial enterprise paid for by the ordinary Londoners

who came to see these companies perform in selected London theatres which were protected by the Council *Play Therapy Interventions with Children's Problems* Garry L. Landreth, Dee C. Ray, Daniel S. Sweeney, Linda E. Homeyer, Geraldine J. Glover, 2010-08-14 This is an easy to use reference to the most effective play therapy techniques and their substantiated results Play therapy is not an approach based on guess trial and error or whims of the therapist at the moment It is a well thought out philosophically conceived developmentally based and research supported method of helping children cope with and overcome the problems they experience in the process of living their lives Concise digests of play therapy procedures explore the most difficult as well as the most common problems encountered by play therapists These digests cover play therapy approaches based on a variety of theoretical positions for dealing with a broad range of specific problems Because they often do not have access to substantiated results play therapists sometimes doubt themselves and the effectiveness of their work This book an invaluable resource puts an end to such questioning **London companies** John Tucker Murray, 1910 Six Plays for Children ... with Instructions for Impromptu Scenery, Etc Charles HARRISON (Editor of "Moonshine."), 1884 Players Magazine , 1928 **Innovations** Kay M. Chapters cover: The indoor and outdoor environment and resources; Child-led and non-directive play including risk; The adult role; play maintenance and interventions; The Play Cycle and Play Cycle Observation Method; The Play Cycle in Policy and Practice. Including vignettes and reflective questions, this text brings the theory and application of the Play Cycle fully up to date and is essential reading for practitioners and those studying play-related courses, for example playwork, childcare, and early years education.
