Sketch Of The Politics Relations And Statistics Of The Western World:

A Sketch of the Politics, Relations, and Statistics, of the Western World Benjamin Chew, 1827 **A Sketch of the Politics, Relations, and Statistics, of the Western World** Benjamin Chew, 1827 **A Sketch of the Politics, Relations, and Statistics, of the Western World (Classic Reprint)** Benjamin Chew, 2017-09-18

Excerpt from A Sketch of the Politics Relations and Statistics of the Western World

HE next power whose state I shall consider is France Beautiful France is next to England in commerce and manufactures in every thing else that can make a nation rich and glorious she is far before her rival She stands at this moment renewing her enormous strength and in creasing it by vast additions occupied almost solely in these patriotic pursuits and in reconciling herself to the rest of Europe after the misfortunes of her revolution at which none is more shocked than herself after her triumphant and magnificent career under the consular and imperial regimes

About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Society (vol. 7, 1841) , Proceedings, American Philosophical Society (vol. 1, no. 12) , Transactions of the American Philosophical Society ,1841 **The American Union and the Problem of Neighborhood** James E. Lewis Jr.,2000-11-09

In this book James Lewis demonstrates the centrality of American ideas about and concern for the union of the states in the policymaking of the early republic For four decades after the nation s founding in the 1780s he says this focus on securing a union operated to blur the line between foreign policies and domestic concerns Such leading policymakers as Thomas Jefferson James Madison James Monroe John Quincy Adams and Henry Clay worried about the challenges to the goals of the Revolution that would arise from a hostile neighborhood whether composed of new nations outside the union or the existing states following a division of the union At the center of Lewis s story is the American response to the dissolution of Spain s empire in the New World from the transfer of Louisiana to France in 1800 to the independence of Spain s mainland colonies in the 1820s The breakup of the Spanish empire he argues presented a series of crises for the unionist logic of American policymakers leading them finally to abandon a crucial element of the distinctly American approach to international relations embodied in their own federal union **Catalogue of the Miscellaneous Library of William B. Mann ...** William Benson

Mann,1874 **Transactions of the American Philosophical Society** American Philosophical Society,1841
