Status Of Efforts To Identify Persian Gulf War Syndrome:

The Status of Efforts to Identify Persian Gulf War Syndrome Christopher Shays, 1999-05 Congressional hearing on the health problems of Persian Gulf war veterans Includes statements by a number of doctors professors vets and others concerned with these problems such as Committee to Review the Health Consequences of Service during the Persian Gulf War Institute of Medicine and Director Gulf War Research Foundation Also includes statements submitted by a number of doctors members of Congress veterans and others such as Disabled American Veterans International Advocacy for Gulf War Syndrome Pres Advisory Committee on Persian Gulf Vets Illnesses and Nat Persian Gulf War Resource Center The Status of Efforts to Identify Persian Gulf War Syndrome House of Representatives, 2014-01-16 The problems of Persian Gulf war veterans challenge the Federal Government's capacity to care Faced with an alarming variety of symptoms and possible pathologies the Department of Veterans Affairs and others have since 1991 undertaken an impressive number of studies to explore the illnesses suffered by Gulf war veterans But so far studies lead only to more studies and clinical data yields more hypotheses than conclusions These oversight hearings will examine how ongoing efforts to diagnose treat and compensate Gulf war veterans can be more sharply focused and more imbued with the same sense of urgency with which we committed our troops to that war Without that focus without that urgency we risk literally studying the problem to death **The Status of Efforts to Identify Persian Gulf War Syndrome** United States.
