Strategies To Help Solve Our School Dropout Problem:

Strategies to Help Solve Our School Dropout Problem Franklin P. Schargel, Jay Smink, 2014-05-22 This book will help you reduce the number of young adults who leave school without completing a high school program. These successfully proven strategies were identified through research conducted by The National Dropout Prevention Center at Clemson University. The strategies are: **EARLY INTERVENTIONS** Family Involvement reach out to all families; Early Childhood Education begin positive learning environments; early Reading and Writing Programs establish this foundation to all learning. **THE BASIC CORE STRATEGIES** Mentoring Tutoring increase competency with a supportive adult or peer; Service Learning implement academic learning connected to service; Alternative Schooling provide options beyond the traditional setting; Out of School Enhancement develop after care summer school and extended hours. **MAKING THE MOST OF INSTRUCTION** Professional Development provide resources training for innovative research based techniques; Learning Styles and Multiple Intelligences implement proven methods for a diverse student population; Instructional Technologies integrate technology into daily curriculum; Individualized Learning provide customized work plans for each student. **MAKING THE MOST OF THE WIDER COMMUNITY** Systemic Renewal change rules, roles, and relationships to effect school improvement; Community Collaboration engage businesses and organizations; Career Education and Workforce Readiness provide applied training and instruction for today's workplace; Conflict Resolution and Violence Prevention teach the strategies of fair engagement and safety. The School Services Sourcebook, Second Edition Cynthia Franklin, Mary Beth Harris, Paula Allen-Meares, 2012-11-27 The School Services Sourcebook covers every aspect of school service delivery, arming practitioners with the nuts and bolts of evidence-based practice. The second edition has been significantly revised with a new structure including 73 chapters divided into five Parts across thirteen Sections, with an additional six chapters included in an online section found on the book's companion website. Fifteen new chapters cover key topics such as implementing an RTI framework, positive behavioral supports, school climate, functional behavioral assessment, the integration of ethics, Autism and suicide, school engagement, military families, Latino immigrant families, classroom management, transition planning, and several chapters that speak to assessment and accountability. Each chapter serves as a detailed intervention map, quickly summarizing the problem area before presenting step-by-step instructions on how to implement an evidence-based program with clear goals in mind and methods to measure the outcome. The concise, user-friendly format from the first edition has been retained, orienting readers to each issue with a Getting Started section, then moving smoothly into What We Know, What We Can Do, Tools and Practice Examples, and Key Points to Remember. A new section, Applying Interventions within Response to Intervention Framework, has been added to each chapter to facilitate the implementation of an RTI model. Quick reference tables and charts highlight the most important information needed for daily reference, and annotated lists of further reading and Web resources guide readers in gathering additional information to tailor their practice to suit their students' needs. Each

chapter has been specifically crafted by leaders in their fields with the ultimate goal of giving school based practitioners the tools they need to deliver the best mental health and social services possible to students families and communities This sourcebook is an invaluable reference for all school based social workers psychologists counselors mental health professionals educators and administrators Visit the companion website for more information and to access additional book content URL
