Romano Guardini's Meditations before Mass and Sacred

Signs Romano Guardini, 2024-06-14 Follow the spiritual wisdom of one of the twentieth century's great theologians Romano Guardini as you prepare your mind body and heart for Mass Guardini's sacramental imagination influenced the liturgical renewal that took shape in the Second Vatican Council and has been highly praised by Pope Benedict XVI and Pope Francis Romano Guardini's Meditations before Mass and Sacred Signs collects two seminal works from Guardini that are both filled with brief meditations on the fundamental elements and actions of the liturgy Taken together these two classics provide readers with a treasure trove of reflections on the source and summit of Christian life The Eucharist Romano Guardini's Meditations before Mass is a set of thirty-two reflections on what the Mass asks of us and how we might properly respond The book is divided into two parts Part one focuses on cultivating the appropriate dispositions we need to bring to Mass Part two delves into the various dimensions of the Mass and the movements that demand our attention Sacred Signs goes on to explore in twenty-six short meditations the actual things of the Mass as they are used sacramentally water and wine kneeling and standing altar and linens and the ways that they make spiritual and eternal realities visible Likened to a mother who teaches her child to do the sign of the Cross and a teacher who instructs his student as to the meaning of the act Guardini hoped that he could bring the sacred signs to life for the reader Together these works reorient our attention and understanding so that in Guardini's words the gaze lifted to the altar can grow inwardly quiet and receptive to holiness Though both works were written before Vatican II their relevance has only grown over the years They are a spiritual feast for the mind and heart and a guide for modern people who wish to make sense of the Church's feasts and liturgies Romano Guardini's Meditations before Mass and Sacred Signs are wise pastoral and timeless classics on preparing for and savoring the Mass from a theological giant at his very best yet relatable and meaningful to everyday Catholics who want to deepen their worship through the Mass
