Stride To Glory:

The Ladies of the White House, Or, In the Home of the Presidents Laura Carter Holloway, 1882 *The Ladies of the White House* Laura Carter Holloway, 1881 **Ties -- Human and Divine** Benjamin Leopold Farjeon, 1891 **The Human Law** Farjeon, 1892 *Ibbetson Street #41* Doug Holder, 2017-06-05 Poetry by Pui Ying Wong Joyce Peseroff Ted Kooser Brendan Galvin and more God in 3D Colin Green, 2019-12-11 This groundbreaking book sets out fresh arguments that common views on the doctrine of the Trinity are mistaken on three counts One the idea of the Trinity can't be found explicitly in Scripture Two it is a mystery irrational to the human mind Three the classical creeds of the church are the best place to start These old ideas break down in light of recent research in biblical studies Writing in plain English the author sets out where the Trinity can be found in Hebrew and Christian Scripture that it is rational and understandable and that there are biblical ways of understanding it that are easier to get across than the classical creeds This book offers what many interested in teaching or learning about the Trinity have lacked up to now And it will be a great help to those who are unsure how to communicate the idea of the Trinity in ways that the nonspecialist can understand For the scholar interested in biblical and early church studies recent insights from temple theology and name theology produce a fresh perspective that will stimulate further discussion on this important subject In the temple of God we find the triune God **In Glory's Shadow** Catherine S. Manegold, 2009-12-09 In Glory's Shadow explores the history of The Citadel an institution set on preserving tradition in the face of profound change Established as protection against slave insurrections feared by the white minority of Charleston South Carolina a generation later The Citadel was a school of privilege for young white men Through two world wars it grew in size and reputation proudly providing the United States with male military leaders paying little heed to what was happening in the country around it In 1993 when the school rescinded Shannon Faulkner's admission because of her gender a landmark legal battle ensued Faulkner won and although she faced vicious harassment and left after a week The Citadel was forced to reform nearly 30 women have graduated since her brief time at The Citadel In Glory's Shadow is an engrossing and illuminating look at this pivotal event in military history and the history of women **Frame by Frame III** Audrey T. McCluskey, Audrey Thomas McCluskey, 2007 An invaluable compendium for anyone interested in cinema **Glory's Child** Paul Ellis, 2018-07-31 The year is 1968 and the Vietnam War is reaching its nadir Thomas Bishop like so many other young men of this generation faces terrible decisions forced on him by foreign policy of the American government Honor bound to defend America from communism Thomas trains to become a Marine Corps pilot to avoid a walking tour in the jungles of Vietnam Tran Thien Don is a simple peasant boy thrust into the American War following a violent and life changing encounter with soldiers from Saigon The struggle to preserve and maintain Vietnamese culture through a history of invasion from China Japan France and now the inexplicable devastation from America has ignited a fire in Don to fight for his country's unification while seeking the opportunity for revenge on his personal enemies Oliver Lacey is a young man who is an accidental Marine

inductee facing racism in the ranks in Vietnam missing a civil rights movement at home and experiencing his own awakening about his place in the world On the streets of the United States and in universities around the world the war rages Few escape its reality as the nightly news sends images from Vietnam into homes during dinner This tragic and unrelenting supertime carnage sparks a collective awakening and a revolution of social change is born Glory's Child is a story of the death of American idealism From multiple perspectives the horrifying truth of war settles in around its characters It is a gripping tale of heartbreak survival death and a thorough examination of the philosophy and politics surrounding the execution of the American War in Vietnam

The Biblical Encyclopedia James Comper Gray,George Moulton Adams,1903 **God's Being in Reconciliation** Adam J. Johnson,2012-03-01 One of the most pressing issues in the doctrine of the atonement today is the question of the unity and diversity of the work of Christ What are we to make of the diversity within the biblical witness and the history of doctrine when it comes to explanations of the meaning and significance of Jesus death and resurrection Without a grasp of the unity of his work our understanding and use of the diversity runs the risk of becoming haphazard and disordered Proposals regarding the unity of Christ's work today tend to focus on the metaphorical nature of language the role of culture and various possible conceptual schemes rarely reflecting on unity and diversity proper to the being God To fill this gap Johnson draws on Karl Barth's integrated account of the doctrines of God and reconciliation harnessing the resources contained within the doctrines of the Trinity and divine perfections to energize a properly theological account of the unity and diversity of the atonement
