Strikes In Politicisation:

Strikes in Politicisation Jacqueline E. Briggs, 2019-01-22 First published in 1998 this book through a combination of theoretical and empirical research tries to advance beyond the available literature to an understanding of the links between strike activity and the political process Although its primary focus is upon the long term impact of the 1984 85 Miners Strike it discusses other industrial settings and political disputes By linking the political socialisation process with strike activity in a refreshing and thought provoking manner this book provides an insight into why some people are more interested and involved in political activity in comparison with the population at large

The NUM and British Politics Andrew Taylor, 2017-03-02 This book is the second of two volumes examining the place of the National Union of Mineworkers in post war British politics Covering the years 1969 to 1995 it charts reactions to the pit closures programme of the late 1950s and 1960s and the development of the NUM's reputation as the union that could topple governments This reputation influenced profoundly the relationship between the NUM and successive Labour and Conservative administrations underpinning changes in the state's approach to industrial disputes so vividly manifested in the strike of 1984 85 Following the same intellectual path as volume one this book concentrates on high politics and the relationship between the NUM the government and the National Coal Board It highlights many of the same the key themes of the first volume particularly the internal political process whereby the mineworkers tendency to fragmentation was managed and which was to eventually lead to the breakdown of this internal political process and the fragmentation of the NUM Volume two explores how these fractures impacted upon such key issues as the formation of the Broad Left the election of Joe Gormley as NUM President in 1971 and the strikes of 1972 and 1974 and relations with the Wilson and Heath governments It then examines the election of Arthur Scargill in 1981 and the subsequent shifting of the union's political centre of gravity together with the Conservative government's determination to use the power of the state to destroy the power of the NUM The myths and legends surrounding the NUM and its power to bring down governments is still strong today yet this book challenges many of the notions surrounding its strength militancy and cohesiveness Instead what emerges is a more complex picture as the union struggled to translate local loyalties into national solidarity Whilst nationalisation initially helped this process growing frustration exploded at the end of the 1960s ushering in a period of

Industrial Conflict in Modern Britain James E Cronin, 2024-10-02 First Published in 1979 *Industrial Conflict in Modern Britain* examines the unique rhythm of British strikes since the 1880 s and suggests that the explosive pattern of recurring strike waves provides the key to understanding both the evolution of British industrial relations and the major changes that have taken place in working class culture and behaviour Two major themes emerge from this analysis to explain how and why strikes themselves occur and the association between industrial conflict and social relations This thorough critique of prevailing research and concept within labour history provides insight into the cause of strike waves the varying propensity of workers in different industries to engage in

strike action and into the general history of British trade unionism This is a must read for scholars and researchers of British labour history British trade unionism and Industrial sociology *Laws against strikes. The South African Experience in an international and Comparative Perspective* AA. VV., Bob Hepple, Rochelle le Roux, Silvana Sciarra, 2015-05-28 Laws against Strikes comprising contributions from South African Italian and British legal scholars examines the right to strike in periods of socio economic crisis The book aims to contribute to the debates on this issue by comparing where a *Politics and Suicide* Nicholas Michelsen, 2015-10-08 Politics and Suicide argues that whilst the historical lineage of suicidal politics is recognised the fundamental significance of autodestruction to the political remains under examined It contends that practices like suicide bombing do not simply embody a strange or abnormal suicidal articulation of the political but rather that the existence of suicidal politics tells us something fundamental about the political as such and thinking about political violence more broadly Recent world events have emphatically shown our need for tools with which to develop better understandings of the politics of suicide Through the exploration of several arresting case studies including the Kamikaze bombers of World War Two Jan Palach's self immolation in 1969 Cold War nuclear deterrence and the suicide terrorist attacks of 9 11 Michelsen asks how we might talk of a political suicide in any of these contexts The book charts how political processes go suicidal and asks how we might still consider them to be political in such a case It investigates how suicide can function as politics A strong contribution to the fields of philosophy and international relations theory this work will also be of interest to students and scholars of political theory and terrorism political violence *Strikes, Social Conflict, and the First World War* Leopold H. Haimson, Giulio Sapelli, 1992 Political Economy of Industrial Relations Richard Hyman, 1989-01-05 This collection of essays attempts to demonstrate how an adequate analysis of trade unions strikes and collective bargaining must be rooted in a broader understanding of their political and economic context The second part of the book deals with the central problems of trade unionism **BRICS and the New American Imperialism** Vishwas Satgar, Ferriar Adam, Samir Amin, Patrick Bond, William K Carroll, Christopher Chase-Dunn, Alexander Gallas, Ana Garcia, Karina Kato, Nivedita Majumdar, Keamogetswe Seipato, 2020-03-01 Challenges the mainstream understanding of BRICS and US dominance to situate the new global rivalries engulfing capitalism BRICS is a grouping of the five major emerging economies of Brazil Russia India China and South Africa Volume five in the Democratic Marxism series BRICS and the New American Imperialism challenges the mainstream understanding of BRICS and US dominance to situate the new global rivalries engulfing capitalism It offers novel analyses of BRICS in the context of increasing US induced imperial chaos deepening environmental crisis tendencies such as climate change and water scarcity contradictory dynamics inside BRICS countries and growing subaltern resistance The authors revisit contemporary thinking on imperialism and anti imperialism drawing on the work of Rosa Luxemburg one of the leading theorists after Marx who attempted to understand the expansionary nature of capitalism from the heartlands to the peripheries The richness of Luxemburg's pioneering work inspires most of the volume's

contributors in their analyses of the dangerous contradictions of the contemporary world as well as forms of democratic agency advancing resistance While various forms of resistance are highlighted among them water protests mass worker strikes anti corporate campaigning and forms of cultural critique this volume grapples with the challenge of renewing anti imperialism beyond the NGO driven World Social Forum and considers the prospects of a new horizontal political vessel to build global convergence It also explores the prospects of a Fifth International of Peoples and Workers

Politics Barrie Axford, 1997 Designed to meet the needs of those taking introductory courses in politics

The Politics of the Yorkshire Miners Andrew Taylor, 2021-11-30 First published in 1984 The Politics of the Yorkshire Miners examines all aspects of political activity of the Yorkshire Area of the NUM The book was written using original research from the archives of the Yorkshire Area combined with the author's personal experience It explores developments from 1945 onwards and looks at internal politics within the Area discussing the nature of policies on both industrial bargaining and wider political aims It considers the role of sponsored MPs and their relationship to the Area as well as the NUM's special relationship with the Labour Party The structure of the Area and its role within the NUM nationally are also discussed and detailed analysis is given to the strikes of 1972 and 1974

Politics: An Introduction Barrie Axford, Gary K. Browning, Richard Huggins, Ben Rosamond, John Turner, 2005-07-15 This textbook has been carefully designed to meet the needs of students taking introductory courses in Politics It is accessible and exciting and by taking the widest possible definition of what is political it offers unrivalled coverage of the subject Specially designed as an interactive text it includes think points exercises and extracts as well as a range of illustrative material to stimulate responses from the reader The authors emphasise the role of the individual in politics and the interplay between the personal the national and the global They introduce topical issues and examples to bring the subject to life

Features and benefits of Politics An Introduction Comprehensive includes chapters on political sociology political institutions the state political parties and associations political thought and a whole section on international and global politics User friendly includes marginal comments key words and definitions extensive cross referencing and a glossary Clearly written by a team who are all actively involved in teaching undergraduates and whose enthusiasm for teaching and engaging with students and issues is manifest Encourages further study through imaginative and annotated further reading sections at the ends of chapters and a consolidated bibliography

Bodies in Protest Johanna Siméant, Christophe Traïni, James Jasper, 2025-10-01 Research on social movements has historically focused on the traditional weapons of the working class especially labour strikes and street demonstrations but everyday actions such as eating or singing which can also be turned into a means of protest have yet to be fully explored An interdisciplinary and comparative history of these modes of action Bodies in Protest reveals how hunger strikes and music ranging from gospel songs to rock anthems can efficiently convey political messages and mobilize the masses Common to both approaches the contributions show is a direct appeal to the emotions and a reliance on the physical concrete language of the human body This book was

originally published as *La musique en col re* by Christophe Traini 2008 and *La gr ve de la faim* by Johanna Sim ant 2009

The Politics of the Precariat: From Populism to Lulista Hegemony Ruy Braga, 2018-06-26 Making use of the theoretical tools of Marxist critical sociology Ruy Braga proposes an innovative reading of the social history of Brazil from Fordist populism to the Lulista hegemony using the politics of the precariat as an analytical vector Braga s analysis seeks to explain both economic and structural processes peripheral Fordism its crisis the transition to financialised post Fordism and the subjective dimension of the proletariat suffering from precarity the anxiety of the subordinate the preoccupation of the worker the plebeian or classist drive of the exploited At the moment when the plebeian drive is once again stimulating strike activity in the country underlined by the protests that have recently shaken Brazil this book impels us to reflect on the limits of the current model of Brazilian development First published in Portuguese as *A pol tica do precariado do populismo hegemonia lulista* by Boitempo Editorial in 2012 *The Working Class and Politics in Europe and America 1929-1945* Stephen Salter, John Stevenson, 2014-09-25 This volume contains a series of essays which examines various regimes and working classes of such countries as Italy France Poland the USA the Soviet Union and Great Britain in the early 20th century *The Political Role of International Trades Unions* Gary K. Bosch, 1983-06-18 **Philosophy and the Politics of Animal Liberation** Paola Cavalieri, 2016-09-13 This edited collection testifies to the fact that the animal liberation movement is now entering its political phase after a period dominated by ethical approaches that undermined the paradigm of human supremacy and demanded justice for nonhuman beings The contributors of this book collectively confront and take on questions of social transformation guided by the idea that philosophy has an important role to play even at such a new level They start from such diverse perspectives as critical theory left liberalism and biopolitical thought The result is an articulated picture in which beyond any principled divergence it is possible to detect the emergence of a relevant set of shared political preoccupations This exploration of those offers fresh theoretical insights and suggestions for praxis *The NUM and British Politics: 1969-1995* Andrew Taylor, 2003 However the divisions and splits that finally ended the strike of 1984 85 was in many ways much more typical of the NUM s experience throughout the twentieth century *Revival: Servants of Post Industrial Power (1979)* Michael Rose, 2017-07-28 This title was first published in 1979 Deftly combining an analysis of socio economic change and social institutions with political commentary intellectual biography and theoretical critique Michael Rose identifies the hidden similarities of the different currents in sociologie du travail and accounts for the popularity of such bold but fragile notions as Mallet s new working class or Touraine s post industrial society Simultaneously the relation between sociologie du travail and the state management and politics is defined and evaluated Finally Rose discusses the work of the new generation of investigators emerging after the crisis point of 1968 His conclusions are relevant not only for the many English speaking social scientists who have been rediscovering the problems of the labour process but for students of industrial relations intellectual history Marxism and modern French society *Resurgence of Class Conflict*

in Western Europe Since 1968 Colin Crouch, Alessandro Pizzorno, 1978-06-17 *Revolutionary Social Democracy: Working-Class Politics Across the Russian Empire (1882-1917)* Eric Blanc, 2021-06-29 This groundbreaking study rediscovers the socialists of Tsarist Russia's imperial borderlands upending conventional interpretations of working class politics the Russian Revolution and Second International socialism Based on archival research in eight languages Revolutionary Social Democracy is the first comparative account of the numerous socialist parties that fought for democracy and workers power across the entire span of the Russian Empire from the factories of Warsaw to the oil fields of Baku to the autonomous parliament of Finland By demonstrating that the Russian Revolution was far less Russian than commonly assumed Eric Blanc challenges long held assumptions of historians sociologists and activists about the dynamics of revolutionary change under autocratic and democratic conditions Listen to Lay Led Unions episode on Revolutionary Social Democracy Working Class Politics Across the Russian Empire 1882 1917 featuring Eric Blanc Also listen to a panel discussion of Eric Blanc's groundbreaking new book

Strikes In Politicisation Introduction

In the digital age, access to information has become easier than ever before. The ability to download Strikes In Politicisation has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Strikes In Politicisation has opened up a world of possibilities. Downloading Strikes In Politicisation provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Strikes In Politicisation has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Strikes In Politicisation. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Strikes In Politicisation. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Strikes In Politicisation, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Strikes In Politicisation has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Strikes In Politicisation Books

1. Where can I buy Strikes In Politicisation books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Strikes In Politicisation book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
