Strindbergs Secret Codes:

Strindberg's Secret Codes Freddie Rokem, 2004 The works of the great Swedish playwright August Strindberg are enigmatic taking the form of riddles that constantly ask readers directors actors and spectators to find new and creative solutions Focusing on all the major plays and the chamber p August Strindberg and the Other , 2022-05-20 The recent sesquicentennial of August Strindberg s 1849 1912 birth was an appropriate occasion for investigating the role of this towering figure in Nordic literature By Eugene O Neill once labeled the most modern of moderns Strindberg the playwright has commanded a prophetic influence on 20th century drama and theater and his voluminous production in several other genres continues to constitute a watershed and some of the highpoints in Swedish letters Yet Strindberg remains as controversial today as he was in his lifetime The nature and degree of his modernity are still under discussion and so is the impact of his remarkable genre proliferation and border transgressing Swedishness Once considered too unruly for the pillars of society and too pious for the radicals his artistic and existential points of gravity remain in critical dispute Generally subjected to traditional modes of inquiry Strindberg s complexity calls for new critical approaches Strindberg and the Other brings together scholars younger and older from Scandinavia and abroad who either venture such new approaches or engage their practitioners in fruitful dialogue Especially promising among the volume s methodological and theoretical propositions is the notion of the other and otherness Indeed the image of August Strindberg himself is quite an other at this millennium than it was just half a century ago An International Annotated Bibliography of Strindberg Studies 1870-2005: Autobiographies, novels, poetry, letters, historical works, natural history and science, linguistics, painting and the other arts, politics, psychopathology, biography, miscellaneous, dissertations Michael Robinson, 2008 This copiously annotated bibliography documents and examines the whole range of commentary on Strindberg s works and activity in many fields besides the plays for which he is internationally best known These include his prose fiction and poetry his work as an historian and natural historian and his relationship to the other arts most notably his painting It is concerned with both lasting works of literary and dramatic criticism as well as reviews of his books and plays in the theatre and some more ephemeral material all of this in several languages Organised generically and by subject and individual work the bibliography enables the reader to trace the changing impact of Strindberg and his works in various countries and during different periods It is thus very much a study in reception as well as a bibliographical record of published material It traces the developing image of Strindberg and his writing both during his lifetime and in subsequent years and with frequent cross reference offers a comprehensive overview of a literary and existential project that has rarely been matched for its multifaceted diversity The bibliography is published in three parts Volume 1 General Studies 978 0 947623 81 4 and Volume 2 The Plays 978 0 947623 82 1 are also now available Michael Robinson is Emeritus Professor of Drama and Scandinavian Studies at the University of East Anglia Norwich *The International Strindberg* Anna Westerståhl Stenport, 2012-11-30 The International Strindberg

presents the latest research on the Swedish playwright August Strindberg and his relation to modern and contemporary literature and art Strindberg's career spanned the late nineteenth and early twentieth century **The Cambridge Companion to August Strindberg** Michael Robinson, 2009-09-24 A collection of essays on the highly colourful life and work of August Strindberg dramatist novelist autobiographer and painter August Strindberg and Visual Culture Jonathan Schroeder, Anna Westerstahl Stenport, Eszter Szalczer, 2018-09-20 August Strindberg and Visual Culture addresses the multiplicity of Strindberg's artistic and literary output The book charts the vital intersections between theatre aesthetic theory and visual elements in his work that have been left largely unexplored Rather than following traditional genre bound critical approaches this book focuses on the intermediality of individual works the corpus as a whole and their connections to a wide array of historical and contemporary artists writers photographers film theatre and museum practitioners The book is beautifully illustrated with many never before seen images from Strindberg's work and includes contributions from actress Liv Ullmann director Robert Wilson and curator and museum director Daniel Birnbaum An International Annotated Bibliography of Strindberg Studies 1870-2005: General studies Michael Robinson, 2008 This copiously annotated bibliography documents and examines the whole range of commentary on Strindberg's works and activity in many fields besides the plays for which he is internationally best known These include his prose fiction and poetry his work as an historian and natural historian and his relationship to the other arts most notably his painting It is concerned with both lasting works of literary and dramatic criticism as well as reviews of his books and plays in the theatre and some more ephemeral material all of this in several languages Organised generically and by subject and individual work the bibliography enables the reader to trace the changing impact of Strindberg and his works in various countries and during different periods It is thus very much a study in reception as well as a bibliographical record of published material It traces the developing image of Strindberg and his writing both during his lifetime and in subsequent years and with frequent cross reference offers a comprehensive overview of a literary and existential project that has rarely been matched for its multifaceted diversity The bibliography is published in three parts Volume 2 The Plays 978 0 947623 82 1 and Volume 3 Prose Poetry Miscellaneous 978 0 947623 83 8 are also now available Michael Robinson is Emeritus Professor of Drama and Scandinavian Studies at the University of East Anglia Norwich **Philosophers and Thespians** Freddie Rokem, 2010 This book investigates the discursive practices of philosophy and theater performance on the basis of actual encounters between representatives of these two fields An International Annotated Bibliography of Strindberg Studies 1870-2005: The plays Michael Robinson, 2008 This copiously annotated bibliography documents and examines the whole range of commentary on Strindberg's works and activity in many fields besides the plays for which he is internationally best known These include his prose fiction and poetry his work as an historian and natural historian and his relationship to the other arts most notably his painting It is concerned with both lasting works of literary and dramatic criticism as well as reviews of his books and plays in the theatre and some more

Contesting Performance J. McKenzie, H. Roms, C. Wee, 2009-11-18

Contesting Performance is a collection of essays by international scholars that addresses the global development of performance research in the late twentieth and early twenty first centuries The collection functions as a critical reader on diverse approaches to studying performance that contest dominant paradigms of performance studies

Antonin Artaud Blake Morris, 2021-12-30

Routledge Performance Practitioners is a series of introductory guides to the key theatre makers of the last century Each volume explains the background to and the work of one of the major influences on twentieth and twenty first century performance Antonin Artaud was an active theatre maker and theorist whose ideas reshaped contemporary approaches to performance This is the first book to combine an overview of Artaud's life with a focus on his work as an actor and director an analysis of his key theories including the Theatre of Cruelty and the double a consideration of his work as a director at the Theatre Alfred Jarry and his production of Strindberg's *A Dream Play* and a series of practical exercises to develop an approach to theatre based on Artaud's key ideas As a first step towards critical understanding and as an initial exploration before going on to further primary research *Routledge Performance Practitioners* are unbeatable value for today's student

Jewish Theatre: A Global View Edna Nahshon, 2009-07-30

While a frequently used term Jewish Theatre has become a contested concept that defies precise definition Is it theatre by Jews For Jews About Jews Though there are no easy answers for these questions *Jewish Theatre A Global View* contributes greatly to the conversation by offering an impressive collection of original essays written by an international cadre of noted scholars from Europe the United States and Israel The essays discuss historical and current texts and performance practices covering a wide gamut of genres and traditions

Things: Dick Houtman, Birgit Meyer, 2012-09-12

The relation between religion and things has long been conceived in antagonistic terms privileging spirit above matter belief above ritual and objects meaning above form and inward contemplation above outward action This book addresses these issues

The Book of Job Leora Batnitzky, Ilana Pardes, 2014-12-12

The Book of Job has held a central role in defining the project of modernity from the age of Enlightenment until today The Book of Job *Aesthetics Ethics and Hermeneutics* offers new perspectives on the ways in which Job's response to disaster has become an aesthetic and ethical touchstone for modern reflections on catastrophic events This volume begins

with an exploration of questions such as the tragic and ironic bent of the Book of Job Job as mourner and the Joban body in pain and ends with a consideration of Joban works by notable writers from Melville and Kafka through Joseph Roth Zach Levin and Philip Roth

Worlds in Words Mateusz Borowski, Malgorzata Sugiera, 2010-04-16 The collection of essays *Worlds in Words* Storytelling in Contemporary Theatre takes up the currently widely debated issue of the revival of various techniques of storytelling in contemporary theatre practice and playwriting This topic is set in a larger context of the crisis of traditional theatrical and dramatic representation in the 20th century and sets the discussion of new storytelling techniques within the framework of cultural and post colonial studies as well as the recent theories of performativity These new performative modes of theatre practice in the recent decades have exerted a strong impact on the mainstream staging techniques as well as on the form and use of texts written for the theatre today By focusing on the basic relationship between the text the stage and the audience the papers collected in this volume trace these fundamental changes taking place nowadays which testify to the major shifts in the understanding of the very concept of theatre its place among other arts and media as well as in culture especially in the marginalized cultures and diasporas The authors of the papers collected here undertake a comprehensive analysis of the phenomenon of storytelling and adopt an interdisciplinary approach which will make it possible to give account of the diverse cultural and socio political grounding of the contemporary theatrical and dramatic techniques

The German-Hebrew Dialogue Amir Eshel, Rachel Seelig, 2017-12-18 In the wake of World War II and the Holocaust it seemed there was no place for German in Israel and no trace of Hebrew in Germany the two languages and their cultures appeared as divergent as the directions of their scripts Yet when placed side by side on opposing pages German and Hebrew converge in the middle Comprised of essays on literature history philosophy and the visual and performing arts this volume explores the mutual influence of two linguistic cultures long held as separate or even as diametrically opposed From Moses Mendelssohn's arrival in Berlin in 1748 to the recent wave of Israeli migration to Berlin the essays gathered here shed new light on the painful yet productive relationship between modern German and Hebrew cultures

Writing and Rewriting National Theatre Histories S.E. Wilmer, 2009-11 Historians of theatre face the same temptations and challenges as other historians they negotiate assumptions their own and those of others about national identity and national character they decide what events and actors to highlight or omit and what framework and perspective to use for telling the story Personal biases trends in scholarship and sociopolitical contexts influence all histories and theatre histories too are often revised to reflect changing times and interests This significant collection examines the problems and challenges of formulating national theatre histories The essayists included here leading theatre scholars from all over the world many of whom wrote essays specifically for this volume provide an international context for national theatre histories as well as studies of individual nations They cover a wide geographical area Asia the Middle East Africa Europe and North America The essays contrast large countries India Indonesia with small Ireland newly independent Slovenia with established

U S A developed Canada with developing Mexico South Africa capitalist U S A with formerly communist Russia monolingual Sweden with multilingual Belgium Canada and countries with stable historical boundaries Sweden with those whose borders have shifted Germany The essays also explore such sociopolitical issues as the polarization of language groups the importance of religion the invisibility of ethnic minorities the redrawing of geographical borders changes in ideology and the dismantling of colonial legacies Finally they examine such common problems of history writing as types of evidence periodization canonization styles of narrative and definitions of key terms Writing and Rewriting National Theatre Histories will be of special interest to students and scholars of theatre cultural studies and historiography Inter Views in Performance Philosophy Anna Street, Julien Alliot, Magnolia Pauker, 2017-09-20 This book offers a glimpse of new perspectives on how philosophy performs in the gaps between thinking and acting Bringing together perspectives from world renowned contemporary philosophers and theorists including Judith Butler Alphonso Lingis Catherine Malabou Jon McKenzie Martin Puchner and Avital Ronell this book engages with the emerging field of performance philosophy exploring the fruitful encounters being opened across disciplines by this constantly evolving approach Intersecting dramatic techniques with theoretical reflections scholars from diverse geographical and institutional locations come together to trace the transfers between French theory and contemporary Anglo American philosophical and performance practices in order to challenge conventional approaches to knowledge Through the crossings of different voices and views the reader will be led to explore the in between territories where performance meets traditionally philosophical tools and mediums such as writing discipline plasticity politics or care **The Palgrave Handbook of Theatre and Migration** Yana Meerzon, S.E Wilmer, 2023-08-01 The Palgrave Handbook of Theatre and Migration provides a wide survey of theatre and performance practices related to the experience of global movements both in historical and contemporary contexts Given the largest number of people ever over one hundred million suffering from forced displacement today much of the book centres around the topic of refuge and exile and the role of theatre in addressing these issues The book is structured in six sections the first of which is dedicated to the major theoretical concepts related to the field of theatre and migration including exile refuge displacement asylum seeking colonialism human rights globalization and nomadism The subsequent sections are devoted to several dozen case studies across various geographies and time periods that highlight describe and analyse different theatre practices related to migration The volume serves as a prestigious reference work to help theatre practitioners students scholars and educators navigate the complex field of theatre and migration Performance Making and the Archive Ashutosh Potdar, Sharmistha Saha, 2022-11-30 This book investigates theories and practices shaped by a performance's relationship to the archive The contributions in the volume examine how the changing nature of performance practices has made it imperative to understand how the archive and archival practices could add to the performance work They explore a variety of themes including artistic engagement with the archive in both conceptual and material terms physical virtual and digital forms publicly and privately

collected oral written and digital ways or organized and unorganized collections Finally the volume examines how archives are modelled on existing structure and the ways in which they can be brought into discourses and practices of performance making through engagement and contestation A novel approach to performance theory this volume will be of great interest to scholars and researchers of performance studies media and culture studies studies of technology and art as also literature and literary criticism
