L. Chua,2014-07-14 This study is an analysis of the first three of Beethoven s late quartets Opp 127 132 and 130 commissioned by Prince Nikolai Galitzin The five late quartets usually considered as a group were written in the same period as the Missa solemnis and the Ninth Symphony and are among the composer s most profound musical statements Daniel K L Chua believes that of the five quartets the three that he studies trace a process of disintegration whereas the last two Opp 131 and 135 reintegrate the language that Beethoven himself had destabilized Through analyses that unearth peculiar features characteristic of the surface and of the deeper structures of the music Chua interprets the Galitzin quartets as radical critiques of both music and society a view first proposed by Theodore Adorno From this perspective the quartets necessarily undo the act of analysis as well forcing the analytical traditions associated with Schenker and Schoenberg to break up into an eclectic mixture of techniques Analysis itself thus becomes problematic and has to move in a dialectical and paradoxical fashion in order to trace Beethoven s logic of disintegration The result is a new way of reading these works that not only reflects the preoccupations of the German Romantics of that time and the poststructuralists of today but also opens a discussion of cultural political and philosophical issues Originally published in 1995 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Advocate** ,2000-09-26 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States
