Herman Melville

The Missile Whale And Other Stories:

The Missile Whale and Other Stories Jo Phillips, 1993 These thirteen stories have been chosen with the intention of intriguing and stimulating 14-17 year olds working towards their GCSE in both language and language literature dual certification The stories are ideal for promoting ideas for coursework that will cover a number of the criteria for language literature assignments of the various examination boards The stories will also assist the teacher in tackling many of the requirements of the National Curriculum This selection is also suitable for students re-sitting their GCSE who are already familiar with some of the great short story writers and feel therefore that they do not want to go over old ground The stories have an adult content but are at the same time about young people The stories do not necessarily have to lead to written work but they should stimulate interesting comment and debate The Talking Points and Suggested Assignments at the end of the stories encourage many skills and criticism techniques including re-telling in a variety of modes insight and investigation into other cultures comparison between different stories appreciation of language and tackling social problems

The Use of English, 1993 **JAWS OF JUSTICE & OTHER STORIES** GERALD KITHINJI, 2005-03-22 A collection of unforgettable short stories from around Africa and Mozambique in particular touching on justice greed curiosity poaching courtship bride price challenges cruelty cunning honesty customs power seers suspicion and superstitions

The Truth and Other Stories Stanislaw Lem, 2022-09-13 Twelve stories by science fiction master Stanislaw Lem nine of them never before published in English Of these twelve short stories by science

fiction master Stanisław Lem only three have previously appeared in English making this the first new book of fiction by Lem since the late 1980s The stories display the full range of Lem's intense curiosity about scientific ideas as well as his sardonic approach to human nature presenting as multifarious a collection of mad scientists as any reader could wish for Many of these stories feature artificial intelligences or artificial life forms long a Lem preoccupation some feature quite insane theories of cosmology or evolution All are thought provoking and scathingly funny Written from 1956 to 1993 the stories are arranged in chronological order In the title story The Truth a scientist in an insane asylum theorizes that the sun is alive The Journal appears to be an account by an omnipotent being describing the creation of infinite universes until in a classic Lem twist it turns out to be no such thing In An Enigma beings debate whether offspring can be created without advanced degrees and design templates Other stories feature a computer that can predict the future by 137 seconds matter destroying spores a hunt in which the prey is a robot and an electronic brain eager to go on the lam These stories are peak Lem exploring ideas and themes that resonate throughout his writing **The Golem of Deneb Seven and Other Stories** Alex

Shvartsman, 2018-04-01 31 science fiction and fantasy short stories encompassing hard SF fantasy humor and everything in between Refugees with a salvaged mech suit find that family ties are stronger than armor Two artificial intelligences in love turn the world into their playground Modern day Dante is guided through hell by the ghost of Bob Marley Ancient gods and monsters stalk the halls of a 1920s night club A young woman must save her planet by committing an act of terror In the rekindled space race between the United States Russia and India the winner might be the nation willing to sacrifice the most

Newsletter English Association, 1986 **Journey to the Moon and other stories** Ed Goodwin, 2021-05-20 Fantasy reality and humour are blended in three adventures Nothing is as it seems as two young girls go to the moon present a unique style of Punch and Judy and try to look after a unicorn In Journey to the Moon with the help of a possibly over optimistic dad and practical mum two young sisters make their dream visit to the moon and back despite numerous setbacks In Punch and Judy the question of what would happen if violence was banned in Punch and Judy shows is explored In the story Unicorn Tale looking after a unicorn presents more challenges than expected especially when it disappears into a dream world **Billy Budd & Other Stories** Herman Melville, 1998 Stung by the critical reception and lack of commercial success of his previous two works Moby Dick and Pierre Herman Melville became obsessed with the difficulties of communicating his vision to readers His sense of isolation lies at the heart of these later works Billy Budd Sailor a classic confrontation between good and evil is the story of an innocent young man unable to defend himself against a wrongful accusation The other selections here Bartleby The Encantadas Benito Cereno and The Piazza also illuminate in varying guises the way fictions are created and shared with a wider society In his introduction Frederick Busch discusses Melville's preoccupation with his correspondence with the world his quarrel with silence and why fiction was for Melville a matter of life and death Book jacket
