The Missionary Enterprise:

The Missionary Enterprise in China and America John King Fairbank, 1974-02-05 For more than a century missionaries were the main contact points between the Chinese and American peoples Here fourteen contributors studying both sides of the missionary effort in China and in America present case studies that suggest conclusions and themes for research **The Missionary Enterprise** Edwin Munsell Bliss, 1908 The Missionary Enterprise Baron Stow, 1846

The British Missionary Enterprise Since 1700 Jeffrey Cox, 2007-11-22 A fresh and much needed overview of the fascinating and controversial subject that is history of the missionary Jeffrey Cox presents a balanced survey which examines Britain as the home base of missions and the impact of the missions themselves **The Missionary Enterprise** Baron Stow, 2016-05-19 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Empire of Christ** Bernard Lucas, 1908 MISSIONARY ENTERPRISE Baron 1801-1869 Stow, 2016-08-27 *The Missionary Enterprise* Tbd, 2020-02-12 **The Missionary Enterprise** Chandler ROBBINS (D.D., of Boston, Mass.), 1844

The Missionary Enterprise Baron Stow, 2015-07-07 Excerpt from *The Missionary Enterprise A Collection of Discourses on Christian Missions* The preparation of this volume was undertaken at the suggestion of others whose opinions ever entitled to respect seemed to present a demand for service which the Editor did not consider himself as at liberty to disregard This claim he was the more happy to honor as it afforded an opportunity through the medium of secular enterprise to promote an interest which he has long regarded as of primary and paramount importance Whatever may be the measure of profit from the pecuniary investment the hope is fondly cherished both by the Publishers and the Editor that large benefits of a much higher order will accrue to that noble Cause which it is especially intended to advance The task of selection has been in some instances peculiarly difficult Several discourses of great excellence have been omitted which perhaps would have been included had not circumstances appeared to encourage the expectation that a second series might be demanded Should this volume be favorably received another may succeed comprising not only sermons but a rich variety of addresses essays and eloquent appeals all pertaining to the same great subject Christian Missions Many of this class of productions are

too valuable to be left scattered in ephemeral forms and should be gathered up and added to the increasing stock of our Missionary literature and thus made to extend and perpetuate their salutary efficiency Corrections and additions have been made by some of the authors with special reference to this publication Marginal notes and references not necessary to be retained have been omitted and in a few instances the text has been slightly abridged About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
