# The Morality Of Abortion Legal And Historical Perspectives

**Paul Ramsey**

## **The Morality Of Abortion Legal And Historical Perspectives:**

**The Morality of Abortion** John Thomas Noonan, 1970      **The Morality of Abortion** , 1970      **Readings in Health Care Ethics - Second Edition** Elisabeth (Boetzkes) Gedge, Wilfrid J. Waluchow, 2012-03-14

Readings in Health Care Ethics provides a wide ranging selection of important and engaging contributions to the field of health care ethics The second edition adds a chapter on health care in Canada and the introduction has been expanded to include discussion of a new direction in feminist naturalized ethics The book presupposes no prior knowledge only an interest in the bioethical issues that are shaping our world

**Rights, Duties and the Body** Rosamund Scott, 2002-08-05

If a pregnant woman refuses medical treatment needed by the fetus for instance for religious reasons or conducts some aspect of her life in a way which risks fetal harm there may arise an instance of maternal fetal conflict This is an unfortunate term since pregnant women are generally renowned for their self sacrificing behaviour but it may well reflect the reality of certain maternal choices and actions Should a pregnant woman have the legal right to refuse medical treatment needed by the fetus or should she owe it a legal duty of care which precludes her acting in ways which may harm it Does the debate hinge simply upon the appropriateness or otherwise of legally compelling presumed moral obligations or is it more complex than this Indeed what are a pregnant woman's moral obligations towards her fetus In England and in some US states courts have held that a pregnant woman has the right to refuse medical treatment needed by the fetus In similar fashion the idea of a general maternal legal duty of care toward the fetus has been rejected most recently in Canada The cases however leave the impression of an uncomfortable split between the ethics and the law as if the problem were entirely one of not legally enforcing presumed moral duties The effect is both puzzling and polarising puzzling in that the cases leave unanswered as largely they must the huge question of a pregnant woman's moral rights and duties polarising in that the cases leave troubling tensions about a pregnant woman's rights in the face of fetal harm or death The tendency is to deny these by ever more strongly asserting a woman's rights In turn this encourages a reaction in favour of fetal rights one which is unlikely to attend to a woman's interests and difficulties in pregnancy This could have serious legal repercussions for various instances of maternal fetal conflict including in those US states or other jurisdictions which have yet to address these issues It might also increase the pressures on the issue of abortion This book which seeks a way between these polarised positions tries to explain and justify a woman's moral and legal rights in pregnancy and at the same time to explore the extent of her moral duties toward the fetus The aim is to resolve as far as possible the ethical legal and social tensions which undoubtedly surround this area Innovatively in work on this issue and unusually in the field of medical law and ethics the author adopts a joint philosophical and legal approach directed to issues both of principle and policy revealing strong conceptual links between the ethics and the law In addition to an ethical exploration of the maternal fetal relationship the author explores and analyses the relevant English American Canadian and sometimes Australian arguments from the law of treatment refusal abortion tort and rescue as well as relevant

jurisprudence from the European Court of Human Rights This important book breaks new ground and will be of great interest to academics in law and philosophy lawyers health professionals policy makers and students of medical law and ethics It is rare to find a book which so skilfully combines legal and moral analysis of a controversial medical issue Rosamund Scott has produced what is undoubtedly one of the finest pieces of medico legal writing of recent years This is a clever human and immensely readable work Alexander McCall Smith Professor of Medical Law University of Edinburgh This book concerns one of the most personally agonizing and morally complex issues in medical ethics It is a work of great philosophical sophistication combining breadth of vision with acute sensitivity to the nuances of women s experiences It will soon become the standard work in philosophical legal and political debate on maternal fetal conflicts Roger Crisp Uehiro Fellow and Tutor in Philosophy St Anne s College Oxford      *Armed for Life* Jennifer Jefferis,2011-06-17 This book provides a detailed and comprehensive look at the primary players acts motivations and methods of the Army of God in their quest to make abortion illegal in the United States The Army of God may not be widely known but they are well established as an extremist Christian organization united in their belief that abortion must be stopped at all costs including the use of violence or force Who are the primary players in this underground terrorist group what acts are they responsible for and what are the motivations behind their quest to make abortion illegal in the United States *Armed for Life The Army of God and Anti Abortion Terror in the United States* addresses these questions and more drawing upon never before published interviews with members of the Army of God and their own writings to reveal the details of this grossly understudied organization and to document what its existence and expansion says about our society      *The Essential Paul Ramsey* Paul Ramsey,1994-01-01 Paul Ramsey was one of the most important ethicists of the twentieth century From the publication of his classic *Basic Christian Ethics* in 1950 until his death in 1988 his writings decisively shaped moral discourse and reflection in the areas of theology law politics and medicine This collection of Ramsey s most important essays on Christian political and medical ethics displays the scope and depth of his vision highlighting both the character of his theological commitments and the continuing significance of his work for the pressing moral problems of our day Selections deal with such issues as race relations sexuality and marriage war the meaning of Christian love abortion and medical care for the sick and dying A general introduction by William Werpehowski and Stephen D Crocco evaluates Ramsey s career and accomplishments and reviews contemporary criticism of his output and legacy Shorter introductions to each selection point out crucial themes and lines of development in Ramsey s thought      *Mere Morality* Lewis B. Smedes,1989-03-09 Lewis Smedes has written a penetrating study in ethics based on the five moral commandments those pertaining to honor of parents lying stealing adultery and murder Smedes examines what the commandments actually tell us to do and why and how they can be understood amid the ambiguities of everyday living      *Catholicism and Historical Narrative* Kevin Schmiesing,2014-01-30 Stories about the past shape not only the way people think about history but also the way they act in the present Nowhere is

this truer than in the area of religion which has been and continues to be a powerful motivating force in the lives of billions around the globe In this volume Catholicism and Historical Narrative A Catholic Engagement with Historical Scholarship contributors explore the way stories are constructed and show how a focus on Catholic figures and concerns challenges common understandings of important historical episodes and eras Editor Kevin Schmiesing has gathered a distinguished group of scholars who in various ways call into question conventional story lines by highlighting previously neglected Catholic ideas and individuals Built on ample evidence and employing keen insight each essay is the result of cutting edge research in fields ranging from historical research on Puritan New England and the antebellum South to the history of abortion to the twentieth century papacy Students and scholars of religious history Catholic historians and anyone interested in the intersection of religion and history will all find here much to interest and maybe even surprise in the chapters arguments concerning the deficiencies of history s dominant narratives The volume s focus on the history of Catholics in the United States makes it essential reading for anyone seeking to understand the place of Catholicism in the American story

Handbook of Roman Catholic Moral Terms James T. Bretzke, 2013-10-14 The Handbook of Roman Catholic Moral Terms contains more than 800 moral terms offering concise definitions historical context and illustrations of how these terms are used in the Catholic tradition including Church teaching and documents James T Bretzke SJ places Catholic tradition in a contemporary context in order to illuminate the continuities as well as discontinuities of Church teaching and key directions of Catholic thought The author also provides extensive cross referencing and bibliographic suggestions for further research Designed to serve as a vital reference work for libraries students and scholars of theology priests and pastoral ministers as well as all adults interested in theological enrichment or continuing education the Handbook of Roman Catholic Moral Terms is the most comprehensive post Vatican II work of its kind available in English Routledge Library Editions: Women and Crime Various Authors, 2022-07-30 This set reissues five books on the subject of women and crime The titles which were originally published between 1930 and 1996 include a book of case studies of female criminals a comprehensive annotated bibliography on the social conflict and change of women in crime and essays which examine the construction of women in criminology This set will be of particular interest to students of both criminology and women s studies

Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Morality Of Abortion Legal And Historical Perspectives full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Morality Of Abortion Legal And Historical Perspectives eBooks, including some popular titles.

### FAQs About The Morality Of Abortion Legal And Historical Perspectives Books

**What is a The Morality Of Abortion Legal And Historical Perspectives PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Morality Of Abortion Legal And Historical Perspectives PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Morality Of Abortion Legal And Historical Perspectives PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Morality Of Abortion Legal And Historical Perspectives PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Morality Of Abortion Legal And Historical Perspectives PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, iLovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print

restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
