Discover what lengths the Father of our hearts will go to in order to restore us to Himself **Rebooted** Tim
Gough,2018-09-20 Most youth ministry is simply too small Or too time or fad bound Or based on a model of some sort but
without solid biblical foundations The author is passionate about growing youth ministry that can outlive the youth worker
He deplores particularly the call for something for youth Something just won t do Tim Gough seeks to redress the balance He
takes us on an expositional journey through the Bible as he sees it relating to youth work pulling out purposeful themes
through key stories and passages He offers guidelines which can be used by any leader as he casts this strong healthy
biblical vision to inspire us Here is youth leadership training for the long haul May this book contribute to the revival of

This story is based on a true love story that spanned almost two decades The names and places have been changed to protect
the privacy of the individuals involved in this affair The chronological sequence of events has been maintained for continuity
All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and
perhaps shouldve remained a secret The first book related to this love story was a book of poems entitled Somewhere
Sometime Somehow Love Poems and Short Stories published in 2008 by this author and Xlibris For the perceptive reader of
this book one can trace the ups and downs of our love relationship These 18 years were filled with robust love and passion
for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of
this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love
for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart
Perhaps it was a one sided love affair but I surely think and hope not I was convinced that she truly loved me through her
words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through
the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for
