The Mule Who Struck It Rich:

The Mythology of the Animal Farm in Children's Literature Stacy E. Hoult-Saros, 2016-07-21 *The Mythology of the Animal Farm in Children's Literature* Over the Fence analyzes the ways in which myths about farmed animals' lives are perpetuated in children's materials. Specifically, this book investigates the use of five recurring thematic devices in about eighty books for young children published during the past five decades. The close readings of texts and images draw on a wide range of fields including animal theory, psychoanalytic and Marxian literary criticism, child development theory, histories of farming and domestication, and postcolonial theory. In spite of the underlying seriousness of the project, the material lends itself to humorous and not overly heavy-handed explications that provide insight into the complex workings of a literary genre based on the covering up of real animal lives.

The Mule who Struck it Rich, 1971 When the old prospector gave up his stubborn mule went on alone and found a fortune.

The Pike's Peak Rush; Or, Terry in the New Gold Fields Edwin L. Sabin, 2019-11-29 Edwin L. Sabin's *The Pike's Peak Rush Or Terry in the New Gold Fields* presents a vivid portrayal of the fervor and excitement surrounding the Colorado Gold Rush in the mid 19th century. With a narrative style that blends adventure with the gritty realism of frontier life, Sabin immerses readers in a world characterized by rugged individualism, ambition, and the boundless quest for fortune. His detailed descriptions and well-crafted characters illuminate the socio-economic dynamics of the time, exploring the impact of the gold rush on both the landscape and the people who sought wealth amidst adversity. Sabin, an American author and historian, was deeply influenced by the spirit of exploration and adventure that defined his era. His own experiences with the American West, coupled with an academic background in literature, enabled him to weave a compelling story that resonates with themes of perseverance and aspiration. This novel reflects his fascination with the American frontier, portraying the allure of opportunity while also capturing the harsh realities faced by prospectors eager for gold. For readers interested in historical fiction that deftly intertwines human courage and the harshness of the American landscape, *The Pike's Peak Rush* is a must-read. It not only entertains but also educates, offering insights into a pivotal moment in American history, making it an invaluable addition to the canon of Western literature and a compelling page-turner.

The Cambrian, 1907

The Pike's Peak Rush, Or, Terry in the New Gold Fields

Anonymous, 2022-12-30 Excerpt: Twenty-five thousand people and more on the way! Think of that exclaimed Mr. Richards, Terry's father. It was an evening in early April 1859 and spring had come to the Richards ranch up the Valley of the Big Blue, Kansas Territory. Excitement had come too for Harry, Harry Revere, that is the clever boyish Virginia school teacher who was a regular member of the family, had been down to the town of Manhattan south on the Kansas River and the emigrant trail there and had brought back some Kansas City and St. Louis papers. They were brimming with the news of a tremendous throng of gold seekers swarming to cross the plains for the new gold fields discovered only last year in the Pike's Peak country of the Rocky Mountains.

Silver and Gold Dane Coolidge, 2021-04-03 Mother Trigedgo is one of the old Cornish

clairvoyants that tell fortunes by cards and by pouring water in your hand and going into a trance Her prophecy says that a man will take a long journey out West where he will find two treasures one of Silver and the other of Gold He must choose carefully or he ll lose them both He will fall in love with a beautiful lady but must be aware or she ll go with another man Finally she predicts that a man will meet his death by the hand of a dear friend Driven by this prophecy a young westerner called Denver Russell heads off to Arizona and by the occurrence of strange circumstances he finds a place known as the Apache Leap where some of the fortune teller s words begin to make sense
