The Musharraf Factor:

The Musharraf Factor Abid Ullah Jan, 2005 The Military Factor in Pakistan Ravi Shekhar Narain Singh, 2008
Pakistan's politics governance institutional capacities internal and external security and the nation building process are at a critical juncture The stance of the military thus will be a critical factor in determining the future course of Pakistan Under the prevailing scenario in the country any elected government would need to reestablish the viability and vitality of the state Should it fail the army would be compelled to intervene to save the country from falling apart For an objective and in depth analysis as to how Pakistan has arrived at this critical juncture it is important to delve into the personalities and processes that have shaped the destiny of the country The future of Pakistan is dependent on the flux and interplay of the internal and external processes and compulsions This book therefore traces the military underpinnings in the political geopolitical strategic economic religious sociological and sectarian journey that Pakistan has made over the last sixty years
