Gary S. Cross

The Miniature Man:

The Miniature Man Richard Muir, 1987 When young Marcy arrived at the St Francis Sanitarium a horrific experience had left her without any memories without an identity In an effort to learn more about the mysterious adolescent her caretakers put her under hypnosis But the treatment throws Marcy further inside herself into the world of the Miniature Man gatekeeper to her past Julian Papp was well aware of the life he lost before he came to St Francis He was a chess prodigy unbeatable because of the level of concentration he could achieve during a game Epileptic seizures brought an end to his success leaving him in a deep depression and lashing out at others When the two meet Julian finds a new obsession to match his passion for chess curing Marcy Together they push the boundaries of memory and form a bond beyond their understanding The manipulating Julian must allow Marcy to become more than a pawn in his game and she must find her way out of her imagination's maze if they are to leave St Francis ready to cope in the wider world From Song to Book Sylvia Huot, 2019-05-15 As the visual representation of an essentially oral text Sylvia Huot points out the medieval illuminated manuscript has a theatrical performative quality She perceives the tension between implied oral performance and real visual artifact as a fundamental aspect of thirteenth and fourteenth century poetics In this generously illustrated volume Huot examines manuscript texts both from the performance oriented lyric tradition of chanson courtoise or courtly love lyric and from the self consciously literary tradition of Old French narrative poetry She demonstrates that the evolution of the lyrical romance and dit narrative poems which incorporate thematic and rhetorical elements of the lyric was responsible for a progressive redefinition of lyric poetry as a written medium and the emergence of an explicitly written literary tradition uniting lyric and narrative poetics Huot first investigates the nature of the vernacular book in the thirteenth and fourteenth centuries analyzing organization page layout rubrication and illumination in a series of manuscripts She then describes the relationship between poetics and manuscript format in specific texts including works by widely read medieval authors such as Guillaume de Lorris Jean de Meun and Guillaume de Machaut as well as by lesser known writers including Nicole de Margival and Watriquet de Couvin Huot focuses on the writers characteristic modifications of lyric poetics their use of writing and performance as theme their treatment of the poet as singer or writer and of the lady as implied reader or listener and the ways in which these features of the text were elaborated by scribes and illuminators Her readings reveal how medieval poets and book makers conceived their common project and how they distinguished their respective roles The Man in the Box Christina G. Gaudet, Some gifts are better left unopened When Lou's gran passes away she inherits a small wooden box nothing like the flashy car her sister Cindy receives But hey it's better than Gran's creepy collection of toenail clippings or so Lou thinks That is until she opens the box and a guy the size of a stick of gum falls out Suddenly the toenails don't seem so bad From the moment he arrives Lou's life spirals into chaos The pint sized stranger spills secrets that turn her world upside down Gran was a powerful sorceress Cindy is a witch and they've been hiding Lou's own magical abilities for

her protection Now with her magic awakened Lou is caught in a dangerous game Without it she s defenseless against the shadowy forces hunting her With it she s marked for something far worse than death Can Lou survive the secrets her family kept locked away or will this unexpected gift be her undoing **Mini** Patrick C. muir,2005-06-01 Julian Papp found redemption in the game of chess a kind of intellectual redemption that helped offset the shame and ridicule he often faced as an albino With his unique ability to achieve a state of perfect concentration Julian was an awesome prodigy until that is he suffered his first epileptic seizure Suddenly stripped of his chess playing prowess Julian attempts suicide and finds himself at St Francis Sanitarium an institution run by an order of nuns It is here that he meets Marcy an enigma to those trying to help her an adolescent who has blotted all memory of an undisclosed past When put under hypnosis in an effort to reclaim her lost identity the young girl seeks the protection of an aged wood carver The Miniature Man who offers her hints about events she has repressed He also suggests that Julian may hold a key Julian thus begins his most significant game one in which both he and Marcy will learn much about themselves and about the unavoidable pain of being human **The Forbidden** Leo Brett,Lionel Fanthorpe,Patricia Fanthorpe,2013-12-30 Cobwebs

hung in weird grotesque festoons from the vaulted roof There was a strange odour in the ancient cellar A bent figure crouches over forbidden books and mixes indescribably strange ingredients in a cauldron The cauldron bubbles and foul fumes arise The alchemist transfers the secret formula to a flask It travels carefully and ceremoniously from flask to retort and back again Unnatural things happen in the flask terrifying things Suddenly a human figure appears yet it is not human in all respects Has the alchemist made this strange frightening thing or has it come from realms beyond The alchemist finds himself involved in a series of breathtaking psychic adventures such as he had never imagined possible even in his wildest dreams **The Book of David** David O'Meara,2019-09-03 But my book goes into my personal struggles with my drug

Cross,2021-05-06 Society has long been fascinated with the freakish

shocking and strange In this book Gary Cross shows how freakish elements have been embedded in modern popular culture over the course of the 20th century despite the evident disenchantment with this once widespread cultural outlet Exploring how the spectacle of freakishness conflicted with genteel culture he shows how the condemnation of the freak show by middle class America led to a transformation and merging of genteel and freak culture through the cute the camp and the creepy Though the carnival and circus freak was marginalised by the 1960s and had largely disappeared by the 1980s forms of freakish culture survived and today appear in reality TV horror movies dark comedies and the popularity of tattoos Freak Show Legacies will focus less on the individual freak as the other in society and more on the audience for the freakish and the transformation of wonder sensibility and sensitivity that this phenomenon entailed It will use the phenomenon of the freak to understand the transformation of American popular culture across the 20th century identify elements of the freak in popular culture both past and present and ask how it has prevailed despite its apparent unpopularity

Books of the Small Gods Vol. 1 Bruce Blake, 2022-05-20 Teryk hated the boredom of being prince sheltered and protected from the outside world He yearned for action and adventure like the heroes of yore like his father the king When he stumbled on an ancient scroll inscribed with a prophecy he got everything he craved and so much more than he bargained for The scroll speaks of non sensical things a barren mother Small Gods a Man From Across the Sea all things that can't exist or only do so in children's stories All of it means nothing to the prince except one thing the Firstborn Child of the Rightful King is prophesied to save them kingdom He is King Errol's first born child He sees this as his opportunity to show the king he is worthy to be his heir to prove his worth to a father who never cared Bolstered by the words written on the parchment Teryk sets out to fulfil his destiny never expecting his deeds are the catalyst to set the prophecy in motion An ancient evil that has waited a thousand years for revenge awakens summoning its followers to hasten its return Only the unwitting prince stands between them and the end of the world
