The Moore Kids A Look Back:

The Moore Kids Iola Pair, 1997-06 *Textual Transformations in Children's Literature* Benjamin Lefebvre, 2013 This book offers new critical approaches for the study of adaptations abridgments translations parodies and mash ups that occur internationally in contemporary children's culture It follows recent shifts in adaptation studies that call for a move beyond fidelity criticism a paradigm that measures the success of an adaptation by the level of fidelity to the original text toward a methodology that considers the adaptation to be always already in conversation with the adapted text This book visits children's literature and culture in order to consider the generic pedagogical and ideological underpinnings that drive both the process and the product Focusing on novels as well as folktales films graphic novels and anime the authors consider the challenges inherent in transforming the work of authors such as William Shakespeare Charles Perrault L M Montgomery Laura Ingalls Wilder and A A Milne into new forms that are palatable for later audiences particularly when for perceived ideological or political reasons the textual transformation is not only unavoidable but entirely necessary Contributors consider the challenges inherent in transforming stories and characters from one type of text to another across genres languages and time offering a range of new models that will inform future scholarship **The Bronx Street Kid** Richard Kane, 2012-01-06 This book is about my journey from brokenness to wholeness as a child I survived physical and sexual abuse As I got older I found comfort in the bottle I became a drunk I made the rounds of the hospitals detox and the jails I rode with motorcycle gangs I hit bottom when I thought about suicide I have gotten better in 12 step recovery meetings I allowed God and the 12 steps to change me into a sober loving and gentle person I hope my book will help others His Secret Quintuplets AZCCULTURE, 2024-05-18 Now I'm caring for five children as a mother I'm simply an average girl who had an unexpected kid after having an unfortunate encounter with a guy 5 more A number of years later I made another attempt to enter the workforce but this time I met with much resistance My memory of the dashing person makes me think he will become a powerful business leader He was charming affluent and surprisingly commanding Years later he still carried a grudge over the gratuity I had given him and relentlessly teased me but I let it go since he was unaware of my family situation Dear children your father is a micromanager We need him so much The American Journal of Obstetrics and Diseases of Women and Children , 1899 The Kindertransport Jennifer Craig-Norton, 2019-06-25 A timely study of the effects of family separation on child refugees using newly discovered archival sources from the WWII era Highly recommended Choice The Kindertransport an organized effort to extract children living under the threat of Nazism lives in the popular memory as well as in literature as a straightforward act of rescue and salvation but these celebratory accounts leave little room for a deeper more complex analysis This volume reveals that in fact many children experienced difficulties with settlement they were treated inconsistently by refugee agencies their parents had complicated reasons for giving them up and their caregivers had a variety of motives for taking them in Against the grain of many other narratives Jennifer Craig

Norton emphasizes the use of newly discovered archival sources which include the correspondence of refugee agencies carers Kinder and their parents and juxtaposes this material with testimonial accounts to show readers a more nuanced and complete picture of the Kindertransport In an era in which the family separation of refugees has commanded considerable attention this book is a timely exploration of the effects of family separation as it was experienced by child refugees in the age of fascism
