The Moss Gatherers:

The Moss Gatherers. A Tale for Children MOSS GATHERERS.,1866 *The Moss Gatherers* Tia Jones,2013-01-31 A sequel to *On Open Ground* **The Moss Gatherers** Society for Promoting Christian Knowledge (Great Britain). Committee of General Literature and Education,1866 **The Moss Gatherers. A Tale for Children** ,1866 *The Moss Gatherers* Matt Briggs,2005-01-01 A sense of the bizarre unique to the Pacific Northwest runs through these short stories a French cyclist is murdered by supposed moss gatherers in coastal Oregon a child has fungus growing on his forehead and an old woman wearing a crown of lit candles plays a Victrola in a cornfield The stories are infused with a sense of decay and stagnancy lit by surprising flickers of human decency however small a young girl plays boogie woogie at her brother's wedding and her family dances an old woman tried to comfort a grieving teenager and a woman preoccupied with safety leaves her front door wide open one night for the sake of a lost bird Through these stories we realize that the bizarre is always at the periphery of our otherwise mundane lives and when we meet it we are offered the chance to be forever changed Matt Briggs is the author of the *Remains of River Names* *Misplaced Alice* and the forthcoming *Shoot the Buffalo* *The Flaming Sword* ,1916 **The Creek** J. T. Glisson,1993-05-19 I had met only two or three of the neighboring Crackers when I realized that isolation had done something to these people They have a primal quality against their background of jungle hammock moss hung against the tremendous silence of the scrub country The only ingredients of their lives are the elemental things Marjorie Kinnan Rawlings March 1930 in a letter to Alfred S Dashiell of Scribner's Magazine Except for one extended black family and one writer from up north folks from Cross Creek were ornery independent Crackers J T Glisson writes in this memoir of growing up in the backwoods of north central Florida The time spanned the late twenties to the early fifties and isolation and an abundance of mosquitoes and snakes were their claim to fame The writer was Marjorie Kinnan Rawlings In her 25 years at the Creek Miz Rawlings was regarded as That Woman warm high strung and simply eccentric She drove recklessly smoked in public and had black spells A Pulitzer Prize did little to change her status In Cross Creek everyone had space to be a character and every character had a title the meanest laziest most pregnant or best cat fisherman Describing day to day life in unaffected prose Glisson's portraits include Charley the fisherman who did his banking in a Prince Albert tobacco can nailed to a tree Bernie Bass who spoke perfect Florida Cracker without polish Old Blue young Jake Glisson's nuisance hog Aunt Martha Mickens the matriarch of all the blacks at the Creek including Henry the first critic to pass judgment on Jake's drawings and especially Jake's father Tom the man whose wisdom boundless optimism and colorful speech figure prominently in Rawlings's Cross Creek Of his famous neighbor Tom once commented that when she gets her tail up above her head her brain don't work Glisson's own finely detailed pencil and pen and ink drawings illustrate these vignettes and he explains that the idea of earning his living as an artist first came to him when he saw Rawlings's books illustrated with such vivid pictures that he could smell the sawgrass sweat and gunpowder of the Creek No wonder One

edition of *The Yearling* the story of a deer and a boy Jake's own age was illustrated by N C Wyeth who visited Cross Creek and chatted about drawing it's a matter of seeing and practice while eleven year old Jake watched him sketch Tom Glisson died while his son was enrolled in art school in Sarasota three years later Miz Rawlings died and an era ended Today J T Glisson lives four and a half miles from the house where he grew up When there's a breeze from the south he writes he sits on his porch and listens to the soft rustling of palmetto fronds almost embarrassed by the beauty of his memories J T Glisson has been an illustrator publisher and businessman **British Museum Catalogue of printed Books**, 1892 *The Furniture Trade Review and Interior Decorator*, 1910 Ain't There No More Carl A. Brasseaux, Donald W. Davis, 2017-02-06 Winner of the 2018 Louisiana Literary Award given by the Louisiana Library Association For centuries outlanders have openly denigrated Louisiana's coastal wetlands residents and their stubborn refusal to abandon the region's fragile prairies tremblants despite repeated natural and more recently man made disasters Yet the cumulative environmental knowledge these wetlands survivors have gained through painful experiences over the course of two centuries holds invaluable keys to the successful adaptation of modern coastal communities throughout the globe As Hurricane Sandy recently demonstrated coastal peoples everywhere face rising sea levels disastrous coastal erosion and inevitably difficult lifestyle choices Along the Bayou State's coast the most insidious challenges are man made Since channelization of the Mississippi River in the wake of the 1927 flood which diverted sediments and nutrients from the wetlands coastal Louisiana has lost to erosion subsidence and rising sea levels a land mass roughly twice the size of Connecticut State and national policymakers were unable to reverse this environmental catastrophe until Hurricane Katrina focused a harsh spotlight on the human consequences of eight decades of neglect Yet even today the welfare of Louisiana's coastal plain residents remains at best an afterthought in state and national policy discussions For coastal families the Gulf water lapping at the doorstep makes this morass by no means a scholarly debate over abstract problems *Ain't There No More* renders an easily read history filled with new insights and possibilities Rare previously unpublished images documenting a disappearing way of life accompany the narrative The authors bring nearly a century of combined experience to distilling research and telling this story in a way invaluable to Louisianans to policymakers and to all those concerned with rising sea levels and seeking a long term solution
