The Mount Home Of Edith Wharton:

Edith Wharton at Home Richard Guy Wilson, 2012-09-04 The Mount Edith Wharton's country place in the Berkshires is truly an autobiographical house. There Wharton wrote some of her best known and successful novels including *Ethan Frome* and *House of Mirth*. The house itself, completed in 1902, embodies principles set forth in Wharton's famous book *The Decoration of Houses*, and the surrounding landscape displays her deep knowledge of Italian gardens. Wandering the grounds of this historic home, one can see the influence of Wharton's inimitable spirit in its architecture and design. Just as one can sense the Mount's impact on the extraordinary life of Edith Wharton herself, the Mount sits in the rolling landscape of the Berkshire Hills with views overlooking Laurel Lake and all the way out to the mountains. At the turn of the century, Lenox and Stockbridge were thriving summer resort communities, home to Vanderbilts, Sloanes, and other prominent families of the Gilded Age. At once a leader and a recorder of this glamorous society, Edith Wharton stands at the pinnacle of the turn of the twentieth century American literature and social history. The Mount was crucial to her success, and the story of her life there is filled with gatherings of literary figures and artists. *Edith Wharton at Home* presents Wharton's life at The Mount in vivid detail, with authoritative text by Richard Guy Wilson and archival images as well as new color photography of the restoration of The Mount and its spectacular gardens. The Mount was to give me country cares and joys, long happy rides and drives through the wooded lanes of that loveliest region, the companionship of dear friends, and the freedom from trivial obligations which was necessary if I was to go on with my writing. The Mount was my first real home; its blessed influence still lives in me. Edith Wharton, 1934. **The Mount, Home of Edith Wharton** Scott Marshall, John G. Waite Associates, Architects, 1997.

Edith Wharton Restoration: The Mount, Describes the Mount, the home of American novelist Edith Wharton, 1862-1937, built in Lenox, Massachusetts, in 1901-02, with information provided by Edith Wharton Restoration Inc. States that the house expresses Wharton's influential views on design and is a U.S. National Historic Landmark. *A Historical Guide to Edith Wharton* Carol J. Singley, 2003-01-30. Edith Wharton, arguably the most important American female novelist, stands at a particular historical crossroads between sentimental lady writer and modern professional author. Her ability to cope with this collision of Victorian and modern sensibilities makes her work especially interesting. Wharton also writes of American subjects at a time of great social and economic change: Darwinism, urbanization, capitalism, feminism, world war, and eugenics. She not only chronicles these changes in memorable detail, she sets them in perspective through her prodigious knowledge of history, philosophy, and religion. *A Historical Guide to Edith Wharton* provides scholarly and general readers with historical contexts that illuminate Wharton's life and writing in new, exciting ways. Essays in the volume expand our sense of Wharton as a novelist of manners and demonstrate her engagement with issues of her day. **Domestic Space** Janet Floyd, Inga Bryden, 1999. This volume takes forward the debate about 19th-century domestic space, drawing on economic history and literary criticism. To date, studies of 19th-century domestic space have discussed a feminized middle-class sphere, often using

domestic guides and fictional representations of domesticity to generate their arguments *The Bloomsbury Handbook to Edith Wharton* Emily Orlando, 2022-10-20 Bringing together leading voices from across the globe *The Bloomsbury Handbook to Edith Wharton* represents state of the art scholarship on the American writer Edith Wharton once primarily known as a New York novelist Focusing on Wharton's extensive body of work and renaissance across 21st century popular culture chapters consider Wharton in the context of queer studies race studies whiteness studies age studies disability studies anthropological studies and economics Wharton's achievements in genres for which she deserves to be better known poetry drama the short story and non fiction prose Comparative studies with Christina Rossetti Henry James and Willa Cather The places and cultures Wharton documented in her writing including France Greece Italy and Morocco Wharton's work as a reader and writer and her intersections with film and the digital humanities Book ended by Dale Bauer and Elaine Showalter and with a foreword by the Director and senior staff at The Mount Wharton's historic Massachusetts home the Handbook underscores Wharton's lasting impact for our new Gilded Age It is an indispensable resource for readers interested in Wharton and 19th and 20th century literature and culture **A House of Her Own** Beth Luey, 2023-10-18 Since the founding of the United States women have picked up their pens to write and express their ideas affording them independence and self sufficiency in days when they had little By way of their poetry essays advice columns investigative journalism and more women like Helen Keller Louisa May Alcott Charlotte Perkins Gilman and Shirley Jackson wrote not only to entertain and inform but often to simply keep a roof over their heads This text offers a unique examination of female New England writers focusing on their homes The women wrote in many genres and became literary entrepreneurs bargaining with editors for higher fees and royalties participating in marketing campaigns and seeking advice and help The homes women bought with their earnings included cottages suburban houses farms and an occasional mansion Whether modest or luxurious these houses provided the room of her own that Virginia Woolf said every woman needs in order to write Sometimes that room was an elegant study and sometimes a corner of the kitchen **Shakespeare & Company** Bella Merlin, Tina Packer, 2020-03-18 Shakespeare Company When Action is Eloquence is the first comprehensive insight into this internationally acclaimed company founded in 1978 in Lenox Massachusetts by actor director Tina Packer and voice pioneer Kristin Linklater with the transformative power of Shakespeare's language at its heart Why act Shakespeare What's his relevance in the twenty first century Compelling answers to these questions lie at the center of this highly accessible journey into Shakespeare Structure of the Verse Voice and Movement Clown Fight and Actor Audience Relationship Vocational components of its Training Intensives Practical pedagogy of its Education programs Insights into its unique approaches to Performance Impact and legacy of its three lifetime founding members Dennis Krausnick Director of Training Kevin G Coleman Director of Education and Tina Packer founding artistic director Actors directors students educators scholars and theatre lovers alike will find practical acting strategies inspirational approaches to theatre making and lively insights into the sustaining of a unique and robust
