The Musical Quarterly Volume 76 Number 1 Spring 1992

Alton Chester Morris

The Musical Quarterly Volume 76 Number 1 Spring 1992:

E.T.A. Hoffmann's Musical Aesthetics Abigail Chantler, 2017-07-05 Whilst E T A Hoffmann 1776 1822 is most widely known as the author of fantastic tales he was also prolific as a music critic productive as a composer and active as a conductor This book examines Hoffmann's aesthetic thought within the broader context of the history of ideas of the late eighteenth and early nineteenth centuries and explores the relationship between his musical aesthetics and compositional practice The first three chapters consider his ideas about creativity and aesthetic appreciation in relation to the thought of other German romantic theorists discussing the central tenets of his musical aesthetic the idea of a religion of art of the composer as a genius and the listener as a passive genius In particular the relationship between the multifaceted thought of Hoffmann and Friedrich Schleiermacher is explored providing some insight into the way in which diverse intellectual traditions converged in early nineteenth century Germany In the second half of the book Hoffmann's dialectical view of music history and his conception of romantic opera are discussed in relation to his activities as a composer with reference to his instrumental music and his two mature large scale operas Aurora and Undine The author also addresses broader issues pertaining to the ideological and historical significance of Hoffmann's musical and literary oeuvre [Ancient Song Recovered](#) Mimi S. Daitz, Veljo Tormis, 2004 Known for over thirty years in the Soviet Union and Eastern Europe the music of Estonian composer Veljo Tormis born 1930 was not heard in the West until the 1990s Tormis has written more than 200 choral works an opera a ballet cantata thirty film scores vocal and instrumental chamber music solo songs and several orchestral pieces Educated at the Tallinn and Moscow Conservatories Tormis has integrated the techniques of 20th century art music with the melodies of the regilaul or ancient Estonian folksong Ancient Song Recovered The Life and Music of Veljo Tormis is the first book in a Western language about a master of 20th century choral music The book includes chapters on Estonian history Tormis's music helped inspire the national independence movement the regilaul and the Estonian choral tradition followed by the biography and discussion of major works Also included is an article by a leading Estonian scholar as well as an article by and an interview with Tormis all of which appear for the first time in English A works list CD discography glossary of names and CD of sound examples conclude this volume by musicologist and choral conductor Mimi S Daitz It will interest scholars of contemporary music the general music public and persons concerned with Soviet cultural history [Essays on Music](#) Theodor Adorno, 2002-08-08 A book of landmark importance It is unprecedented in its design a brilliantly selected group of essays on music coupled with lucid deeply incisive and in every way masterly analysis of Adorno's thinking about music No one who studies Adorno and music will be able to dispense with it and if they can afford only one book on Adorno and music this will be the one For in miniature it contains everything one needs a collection of exceptionally important writings on all the principal aspects of music and musical life with which Adorno dealt totally reliable scholarship and powerfully illuminating commentary that will help readers at all levels read and re read the essays in question Rose

Rosengard Subotnik author of *Deconstructive Variations Music and Reason in Western Society* An invaluable contribution to Adorno scholarship with well chosen essays on composers works the culture industry popular music kitsch and technology Leppert s introduction and commentaries are consistently useful his attention to secondary literature remarkable his interpretation responsible The new translations by Susan Gillespie and others are outstanding not only for their care and readability but also for their sensitivity to Adorno s forms and styles Lydia Goehr author of *The Quest for Voice Music Politics and the Limits of Philosophy* With its careful full edition of Adorno s important musical texts and its exhaustive yet eminently readable commentaries Richard Leppert s magisterial book represents a brilliant solution to the age old dilemma of bringing together primary text and interpretation in one volume James Deaville Director School of the Arts McMaster University The developing variations of Adorno s life long involvement with musical themes are fully audible in this remarkable collection What might be called his literature on notes brilliantly complements the notes to literature he devoted to the written word Richard Leppert s superb commentaries constitute a book length contribution in their own right which will enlighten and challenge even the most learned of Adorno scholars Martin Jay author of *The Dialectical Imagination A History of The Frankfurt School and the Institute of Social Research* There is afoot in Anglo American musicology today the first wholesale reconsideration of Adorno s thought since the pioneering work of Rose Rosengard Subotnik around 1980 *Essays on Music* will play a central role in this effort It will do so because Richard Leppert has culled Adorno s writings so as to make clear to musicologists the place of music in the broad critique of modernity that was Adorno s overarching project and it will do so because Leppert has explained these writings in commentaries that amount to a book length study so as to reveal to non musicologists the essentially musical foundation of this project No one interested in Adorno from any perspective or for that matter in modernity and music all told can afford to ignore *Essays on Music* Gary Tomlinson author of *Metaphysical Song An Essay on Opera* This book is both a major achievement by its author editor and a remarkable act of scholarly generosity for the rest of us Until now English translations of Adorno s major essays on music have been scattered and often unreliable Until now there has been no comprehensive scholarly treatment of Adorno s musical thinking This volume remedies both problems at a single stroke It will be read equally and eagerly for Adorno s texts and for Richard Leppert s commentary on them both of which will continue to be essential resources as musical scholarship seeks increasingly to come to grips with the social contexts and effects of music No one knows Adorno better than Leppert and no one is better equipped to clarify the complex interweaving of sociology philosophy and musical aesthetics that is central to Adorno s work From now on everyone who reads Adorno on music whether a beginner or an expert is in Richard Leppert s debt for devoting his exceptional gifts of learning and lucidity to this project Lawrence Kramer author of *Musical Meaning Toward a Critical History* *The Musical Quarterly* Oscar George Sonneck,1992 *Shakespeare Survey With Index 1-10: Volume 11, The Last Plays* Allardyce Nicoll,1958-01-02 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback **Opera**

on Screen Marcia J. Citron, Professor Marcia J Citron, 2000-01-01 The author draws on ideas from diverse fields including media studies and gender studies to examine issues ranging from the relationship between sound and image to the place of the viewer in relation to the spectacle As she raises questions about divisions between high art and popular art and about the tensions between live and reproduced art forms Citron reveals how screen treatments reinforce opera's vitality in a media intensive age BOOK JACKET

Southern Folklore Quarterly Alton Chester Morris, 1953 Includes section Book reviews
Serials & Newspapers in Microform, 1992 The Well-spring, 1846 **The Cambridge History of Literary Criticism: Volume 4, The Eighteenth Century** H. B. Nisbet, Claude Rawson, 2005-12-08 This is a comprehensive 1997 account of the history of literary criticism in Britain and Europe between 1660 and 1800 Unlike previous histories it is not just a chronological survey of critical writing but a multidisciplinary investigation of how the understanding of literature and its various genres was transformed at the start of the modern era by developments in philosophy psychology the natural sciences linguistics and other disciplines as well as in society at large In the process modern literary theory at first often implicit in literary texts themselves emancipated itself from classical poetics and rhetoric and literary criticism emerged as a full time professional activity catering for an expanding literate public The volume is international both in coverage and in authorship Extensive bibliographies provide guidance for further specialised study

The Musical Quarterly Volume 76 Number 1 Spring 1992: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthraling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. The Musical Quarterly Volume 76 Number 1 Spring 1992 : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. The Musical Quarterly Volume 76 Number 1 Spring 1992 : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
