Siouxsie and the Banshees Photo Book, 1986 **Ray Stevenson's Siouxsie and the Banshees** Ray Stevenson, 1983

Let's spend the night together Subcultures Network, 2023-11-07 Let's spend the night together explores how sex and sexuality provided essential elements of British youth culture in the 1950s through to the 1980s. It shows how the underlying sexual charge of rock n roll and pop music more generally was integral to the broader challenge embodied in the youth cultures that developed after World War Two. As teenage hormones rushed to move to the music and take advantage of the spaces opening up through consumption, education and employment, so the boundaries of British morality and cultural propriety were tested and often transgressed. Be it the assertive masculinity of the teds or the lustful longings of the teeny bopper, the gender bending of glam or the subterranean allure of an underground club disco, the free love of the 1960s or the punk provocations in the 1970s, sex was forever to the fore and more often than not underpinned the moral panics that fitfully followed any cultural shift in youthful style and behaviour. Drawing from scholarship across a range of disciplines, the Subcultures Network explores how sex and sexuality were experienced, presented, conferred, responded to and understood within the context of youth culture, popular music and social change in the period between World War Two and the advent of AIDS. The essays locate sex, music and youth culture in the context of post-war Britain with a widening and ever more prevalent media amidst the loosening bonds of censorship in a society shaped by changing patterns of consumption and the emergence of the teenager existing as Jeff Nuttall famously argued under the shadow of the nuclear bomb. The Medium Picture Roy Christopher, 2025-10-15 The ever evolving ways that we interact with each other our world and ourselves through technology is a topic as worn as the devices we clutch and carry every day How did we get here Drawing from the disciplines of media ecology and media archaeology as well as bringing fresh perspectives from subcultures of music and skateboarding The Medium Picture illuminates aspects of technological mediation that have been overlooked along the way Roy Christopher's high tempo lucid prose shows us how immersion in unmoored technologies of connectivity places us in a world of pure media and redefines who we are how we are and what we will be

Post-Punk Then and Now Sue Clayton, Kodwo Eshun, Green Gartside, 2016-09-13 What were the conditions of possibility for art and music making before the era of neoliberal capitalism What role did punk play in turning artists to experiment with popular music in the late 1970s and early 1980s And why does the art and music of these times seem so newly pertinent to our political present despite the seeming remoteness of its historical moment Focusing upon the production of post punk art film music and publishing this book offers new perspectives on an overlooked period of cultural activity and probes the lessons that might be learnt from history for artists and musicians working under 21st century conditions of austerity Contemporary reflections by those who shaped avant garde and contestatory culture in the UK US Brazil and Poland in the 1970s and 1980s Alongside these are contributions by contemporary artists curators and scholars that provide critical perspectives on post punk then and its generative relation to the aesthetics and politics of cultural production today

The Life of David Gale Dewey Gram, 2003-01-28 David Gale sits on death row awaiting execution by lethal injection an irony not lost on the imprisoned death penalty opponent Charged with and convicted of the rape and murder of a fellow activist the former university professor contacts a hardened investigative reporter in a final attempt to clear his name From her interview with Gale Bitsey Bloom learns that the case isn t as open and shut as it seems Convinced that Gale isn t guilty Bitsey finds herself working on the story of a lifetime tracing the events that led up to a woman s murder and put an innocent man behind bars and racing against time to save him **The Peel Sessions** Ken Garner, 2010-12-15 This is a story of teenage dreams which as any Peel fan knows are hard to beat Between 1967 and 2004 John Peel picked over 2000 bands to come and record over 4000 sessions to be played on his radio show Many were young and had never been in a recording studio before for some it was the start of an illustrious career for others it was the only recognition their musical talent ever got For over 35 years the cream of British musical talent made the journey to the BBC s studio in Maida Vale from Pink Floyd to Pulp the Small Faces to the Smiths And because John Peel was so respected his sessions took on a legendary status they were a rite of passage that every new band wanted to go through Unfettered by commercial pressure the Peel Sessions were a unique British institution an archive of music that reflects one man s passion for finding and encouraging new music Includes a full sessionography listing songs band members and broadcast dates Jarvis Cocker writing about his first Peel Session aged 18 Wayne the drummer was 15 We travelled down to Maida Vale in a van driven by a very strange man we d contacted via a card pinned to the Virgin record shop noticeboard We d had to borrow lots of equipment from a band called The Naughtiest Girl Was a Monitor cause we didn t have enough stuff of our own The session was to be produced by Dale Griffin who used to be the drummer in Mott the Hoople I seem to remember that he was wearing cowboy boots I think the crisis point came when Wayne was attempting to get a home made synth drum to work that a friend of his at school had made out of a rubber burglar alarm mat and an old electronic calculator Dale Griffin looked at this 15 year old kid crouching on the floor bashing what looked like a doormat with some wires coming out of it and just put his head in his hands But to his

credit the session did get finished and after it everything else started for me

Vague: The Great British Mistake Tom Vague, 2017-01-05 Vague began as it happened a few months after England's Dreaming left off in the post punk diaspora of late 1979 Turning nineteen years old in sunny Salisbury Tom Vague began by featuring local punk bands as well as all the major acts that passed through or nearby the Banshees the Cure the Ruts Joy Division Red Krayola the Gang of Four Clash Adam and the Ants It wasn't a pure punk fanzine it was too late for that but matched punk irreverence with the overall feeling of experimentation that still existed at the end of the 1970s Over the first few issues Vague continued to work out the possibilities of independence in all senses of the word that had been pioneered in 1976 by Mark Perry fanzines and in 1977 by Buzzcocks and the Desperate Bicycles seven inch records The whole point about fanzines and DIY singles was that you didn't have to do what everyone else did So Vague mixed up reviews with Perry Harris cartoons and what Tom describes as stream of consciousness prose that reflected the chaos and the intimacy of the moment Vague followed the post punk strands from the Ants to Goth to Crass to Psychobillies and Positive Punks through to the mid 80s and Tom's commentary precisely dates the changes In the notes for Issue 12 July 1982 he observes that it was around this time that the number of exaggerated Mac Curtis haircuts increased around London and Theatre of Hate indirectly started the punkabilly cult which consisted of disillusioned young Ants fans and reformed punky types largely Londoners Suddenly everyone started to look like Kirk Brandon Tom Vague recorded the present without any thought to posterity Because he noted the moment so thoroughly he became a historian providing a record of Punk's most obdurate and persistent strands In documenting the chaos of the 1980s from within he has preserved a forgotten narrative of that decade not Live Aid New Romantic Pop or Thatcher but a dogged and anarchic strand of youth culture that persisted into the flowering of rave in the early 90s This collection should be read by any serious enquirer into the period Jon Savage 2017

May Contain Flashing Images Paul Welsh, 2012-12-14 As the only person with a camera attending the first Sex Pistols gig outside London at the Lesser Free Trade Hall in Manchester on Friday June 4th 1976 I unwittingly captured a piece of musical history which still intrigues people to this day I was covering the event for the magazine that I was producing at the time entitled Penetration Today those photographs as well as many others taken by me during that period are selling around the world courtesy of Getty Images appearing in books and magazines as well as featuring in a number of TV and film documentaries I was born in Manchester when music first went pop and the teenager made its first appearance in society I left school at the earliest opportunity without any qualifications and very little interest in education or even reading I worked in a photographic studio for one year before joining my father as a window cleaner which I worked at for the next ten years I fell in love with rock

music at an early age and regardless of my lack of education produced two magazines Purple Smoke an arts magazine and the aforementioned Penetration Rock Magazine as a consequence of this and my association with the music scene I quickly took the alcohol drugs and backstage pass route to oblivion When people would be talking about whether their glass was half empty or half full I didn't need to ponder the question as I'd be at the bar getting a top up Along the way with the help of several girlfriends and a large dose of realisation I decided to try and educate myself and improve myself as a person in general I later became interested in comedy and spent fifteen years writing sketches for popular TV shows both in the UK and in Germany With this book the music and comedy blend together to create a style far removed from other books covering similar events and periods in time It takes us all the way from my earliest recollections to today in my late fifties attending hardcore raves With anecdotes about the music scene and tales from behind the stage door with amongst others Motorhead Hawkwind Steve Peregrine Took And the Damned through to my time living in the next room to Mick Hucknall and later as a neighbour of Richard Madeley Judy Finnegan and Tony Wilson There are also tales from the church of Dirty Dick the Swinging Vic to a prostitute by the name of Tenpenny cabbage from a glass collector in Cornwall called Rat Spew to a rugby player I accompanied to Paris by the name of Black Man's Bum An unusual journey through psychedelic music rock music punk metal techno trance and finally happy hardcore from the Pink Fairies to the Russ Abbot Show Wayne County to the Jonathan Ross Show and with lots of previously unseen photographs and associated visuals The first page of the book features the song title Life's What You Make It by talk talk and my story is of somebody who against the odds created a decent life for himself after such an unpromising start My school reports said that I was a daydreamer who they expected would be a failure however one thing is certain with this book you can always expect the unexpected **Step-by-step**
