That's what an increasing number of anxious Americans are asking themselves: The US workforce, which has been one of the most productive and wealthiest in the world, is undergoing an alarming transformation. Increasing numbers of workers find themselves on shaky ground, turned into freelancers, temps, and contractors. Even many full-time and professional jobs are experiencing this precarious shift. Within a decade, a near majority of the 145 million employed Americans will be impacted. Add to that the steamroller of automation, robots, and artificial intelligence already replacing millions of workers and projected to obsolesce millions more, and the jobs picture starts looking grim. Now a weird yet historic mash-up of Silicon Valley technology and Wall Street greed is thrusting upon us the latest economic fraud: the so-called sharing economy, with companies like Uber, Airbnb, and TaskRabbit allegedly liberating workers to become independent and their own CEOs hiring themselves out for ever smaller jobs and wages while the companies profit. But this share-the-crumbs economy is just the tip of a looming iceberg that the middle class is drifting toward. *Raw Deal: How the Uber Economy and Runaway Capitalism Are Screwing American Workers* by veteran journalist Steven Hill is an exposé that challenges conventional thinking and the hype celebrating this new economy by showing why the vision of the techno-sapien leaders and their Ayn Rand libertarianism is a dead end. In *Raw Deal*, Steven Hill proposes pragmatic policy solutions to transform the US economy and its safety net and social contract, launching a new kind of deal to restore power back into the hands of American workers.

Digital Hustle Secrets Martina Glueck, 2025-05-28 Tired of watching others thrive online while you're stuck in the daily grind, *Digital Hustle Secrets* is your all-in-one blueprint to building reliable, scalable income streams in the digital economy. Learn how to turn your skills into income, automate your earnings, and master the mindset that separates the financially free from the frustrated. Packed with actionable strategies and no fluff, *Digital Hustle Secrets* gives you everything you need to start making money online today. Stop dreaming and start doing: your path to passive income and online freedom begins now.

Ready, Aim, Specialize! Kelly James-Enger, 2007-11 Offering established and novice freelancers suggestions on specializing, this handbook guides writers towards more successful careers. As this analysis demonstrates, when freelancers concentrate on one type of writing rather than being a general freelancer, they discover a lucrative niche in the writing market. Using the advice supplied in this reference, writers will be able to make more money, focus their careers, and learn a more effective way of freelancing. The book lays out the basics of 10 key markets, including health, parenting, and home and garden, and provides a series of interactive exercises to help discover which is the writer's best fit. Published writers and unpublished hopefuls alike will benefit from this valuable and informed guidebook.

The Odesk Revolution Michael Wenkart, 2014-05-07 The recent boom in freelancing has only been enhanced and expanded by the global availability that the internet provides, and many have turned to the web as either

client or contractor to get the best possible options for jobs Around the millennium entrepreneurs began to catch on to the business potential of this latent supply and demand and online freelancing sites such as elance and odesk sprang up They have thrived and cater for hundreds of thousands of jobs and people today This book looks at freelancing as a concept the advantages and pitfalls the pros and cons It also looks at the plethora of websites offering this type of opportunity for different disciplines such as writing computing design and admin work We are not recommending online freelance as a life style nor any of the sites or techniques mentioned What we are doing is providing a useful introduction to the subject and a rich information source so you can decide yourself whether this is for you Good hunting
