Handbook of Research on Effective Project Management through the Integration of Knowledge and Innovation Jamil, George Leal, Lopes, Sérgio Maravilhas, Malheiro da Silva, Armando, Ribeiro, Fernanda, 2015-01-31

The field of project management experiences conceptual technological and decision issues when projects are created, implemented and executed without the needed strategic connection. It is important to improve the connection between knowledge management and project management practices. The Handbook of Research on Effective Project Management through the Integration of Knowledge and Innovation bridges the gap between knowledge management and project management practices by providing both classical and modern views on their relationship. Discussing principles, practices, methods and real case studies, this book describes the importance of aligning projects with a knowledge based strategic plan to the benefit of practitioners, professionals, scholars and researchers in the fields of management and information science.

Promoting Nonprofit Organizations Ruth Ellen Kinzey, 2013-08-21

Promoting Nonprofit Organizations is a practical guide to developing and implementing a strategic public relations program to enhance a nonprofit's reputation. The ways in which businesses both for profit and not for profit communicate with customers has changed dramatically in recent years. Coupled with economic uncertainty, nonprofits have had to adopt a leaner operational mode further underlining the need for organizations to take advantage of all the promotion strategies available to them. This book discusses why public relations and reputation management go hand in hand with marketing efforts. Offers a step by step guide to develop a public relations strategy. Considers the importance of nonprofit sustainable citizenship. Provides tips for reputation enhancement using a range of tools such as social media and board ambassadorship. Guides the reader in developing a reputation approach to crisis communication management. Highly practical in its approach, this book is a great guide for students in public relations and nonprofit management courses as well as for professionals seeking to enhance the success of their nonprofit organization.

Strategic Business Partner Dana Gaines Robinson, 2009-01-09

You'll note our reference to Human Resources and the term HR. We are viewing this area in its broadest sense inclusive of the HR, Learning and OD disciplines practiced today. Essentially this book is written for people
