Raising My Rainbow Lori Duron, 2013-09-03 Raising My Rainbow is Lori Duron's frank heartfelt and brutally funny account of her and her family's adventures of distress and happiness raising a gender creative son. Whereas her older son Chase is a Lego loving sports playing boy's boy, Lori's younger son C.J. would much rather twirl around in a pink sparkly tutu with a Disney Princess in each hand while singing Lady Gaga's Paparazzi. C.J. is gender variant or gender nonconforming whichever you prefer. Whatever the term, Lori has a boy who likes girl stuff really likes girl stuff. He floats on the gender variation spectrum from super macho masculine on the left all the way to super girly feminine on the right. He's not all pink and not all blue. He's a muddled mess or a rainbow creation. Lori and her family choose to see the rainbow. Written in Lori's uniquely witty and warm voice and launched by her incredibly popular blog of the same name, Raising My Rainbow is the unforgettable story of her wonderful family as they navigate the often challenging but never dull privilege of raising a slightly effeminate possibly gay totally fabulous son. Now with Extra Libris material including a reader's guide and bonus content

Lurkers Sandi Tan, 2021-03-30 From author and filmmaker Sandi Tan, director of the acclaimed documentary *Shirkers*, comes a novel about a neighborhood of immigrants, seekers, lovers, and lurkers. The residents of Santa Claus Lane do their best to stay out of each other's way but desire, fury, and mischief too often propel these suburban neighbors to collide. Precocious Korean American sisters Mira and Rosemary find their world rocked by a suicide, and they must fight to keep their home. A charismatic and creepy drama teacher grooms his students. A sardonic gay horror novelist finds that aging is more terrifying than any monster. And a white hippie mom and her adopted Vietnamese daughter realize that their anger binds them rather than pushes them apart. *Lurkers* is an homage to the rangy beauty of Los Angeles and the surprising power that we have to change the lives of those around us
