Service Worlds John Bryson, Peter Daniels, Barney Warf, 2013-04-15 As the twenty first century begins significant changes are occurring in the way that services and goods are produced and consumed One of the key drivers of this change is information and communications technology ICT It has transformed the role of space and time in patterns of economic development in the rise of globalization and in the scale and structure of organizations ICT has therefore accelerated the process of continual change and evolution that is the hallmark of both the capitalist economy and of organizations Giving a student friendly account of the diversity of theoretical perspectives this outstanding book aids understanding the evolving economic geography of advanced capitalist economies A series of detailed firm and employees case studies from Europe North America and the Asia Pacific are used to inform useful theoretical case studies which also investigate the significance of increased blurring of the lines between services and manufacturing functions in the production and consumption process

Sustainability and the Fashion Industry Annick Schramme, Nathalie Verboven, 2024-06-06 There is widespread rhetorical agreement that the fashion industry must get itself onto a more ethical and sustainable footing What does this mean in practice and how can this be achieved in different regions around the world This book brings together expert scholars and reflective practitioners via a network of dialogue and exchange to help drive forward an ethical and sustainable future for the fashion industry With insights from fashion design management sociology philosophy education heritage studies and policy the book asks whether or not fashion can save the world Enriched with illuminating case interviews and the perspective of experts this book will be of interest to researchers and scholars in the fields of sustainable business and the fashion industry and provides a unique resource for readers seeking to understand more about the need for responsible fashion

Parsforte Spring 2022 Amir Amin Sharifi, 2022-01-01 ISSN 2816 6000 ISSN 2816 6019 Fashion and Its Social Agendas Diana Crane, 2012-06-12 It has long been said that clothes make the man or woman but is it still true today If so how has the information clothes convey changed over the years Using a wide range of historical and contemporary materials Diana Crane demonstrates how the social significance of clothing has been transformed Crane compares nineteenth century societies France and the United States where social class was the most salient aspect of social identity signified in clothing with late twentieth century America where lifestyle gender sexual orientation age and ethnicity are more meaningful to individuals in constructing their wardrobes Today clothes worn at work signify social class but leisure clothes convey meanings ranging from trite to political In today's multicode societies clothes inhibit as well as facilitate communication between highly fragmented social groups Crane extends her comparison by showing how nineteenth century French designers created fashions that suited lifestyles of Paris elites but that were also widely adopted outside France By contrast today's designers operate in a global marketplace shaped by television film and popular music No longer confined to elites trendsetters are drawn from many social groups and most trends have short trajectories To assess the impact of

fashion on women Crane uses voices of college aged and middle aged women who took part in focus groups These discussions yield fascinating information about women s perceptions of female identity and sexuality in the fashion industry An absorbing work Fashion and Its Social Agendas stands out as a critical study of gender fashion and consumer culture Why do people dress the way they do How does clothing contribute to a person s identity as a man or woman as a white collar professional or blue collar worker as a preppie yuppie or nerd How is it that dress no longer denotes social class so much as lifestyle Intelligent and informative this book proposes thoughtful answers to some of these questions Library Journal

Fashioning the Afropolis Kerstin Pinther,Kristin Kastner,Basile Ndjio,2022-07-14 A revelation Reclaiming fashion from its European history Shane White With a focus on sub Saharan Africa Fashioning the Afropolis provides a range of innovative perspectives on global fashion design dress photography and the body in some of the major cities with a focus on Lagos Johannesburg Dakar and Douala It contributes to the ongoing debates around the globalization of fashion and fashion theory by exploring fashion as a genuine urban phenomenon on the continent and among its diasporas To date fashion and city have not been systematically related to each other in the African context and for too long a western centric gaze has dominated scholarship resulting in the perception of Africa as provincial and its visual arts and textile cultures as static and folkloristic This perspective is all the more distorted given Africa s rich sartorial past With a huge number of tailors ready to adapt and renew clothing reshaping garments into contemporary styles and many cities in Africa becoming hot spots for a steadily growing and well connected scene of fashion designers in the past 20 years the time is ripe for a reevaluation and reconsideration of the fashionscapes of Africa Leading scholars offer an updated empirical and theoretical foundation on which to base new and exciting research on sub Saharan fashion challenging perceptions and offering new insights

In the Cool Shade of Blackness Pasquale De Marco, 2025-03-14 In a world where authenticity and individuality are prized coolness stands as a beacon of self expression and empowerment For African Americans coolness is more than just a style it's a way of life a shield against adversity and a source of pride This book takes a deep dive into the multifaceted nature of coolness in Black America exploring its historical roots cultural significance and contemporary expressions Through a blend of personal anecdotes historical accounts and cultural analysis we paint a vivid picture of how coolness has evolved over time shaping everything from music and fashion to politics and social activism We delve into the psychology of coolness examining the traits and characteristics that make someone cool and how these qualities can be cultivated and expressed in different contexts We also explore the intersection

of coolness with identity race class and gender revealing how these factors influence the way coolness is perceived and experienced This book is not just a celebration of coolness it s also a critical examination of its potential pitfalls We acknowledge that the pursuit of coolness can sometimes lead to inauthenticity elitism and a sense of alienation However we argue that when coolness is rooted in genuine self expression and a commitment to positive values it can be a powerful force for good in the world With insights from scholars artists activists and everyday people this book offers a fresh perspective on an enduring cultural phenomenon It s a must read for anyone interested in African American culture sociology or the ever evolving concept of coolness If you like this book write a review **The Geographies of Fashion** Louise Crewe,2017-03-23

Clothes are inherently geographical objects yet few of us consider the social and economic significance of their journey from design to production to consumption The Geographies of Fashion is the first in depth study of fashion economies from a geographer s perspective exploring the complex relationship between our attachment to the clothes we own love and desire and their geographic and economic ties How far does a garment physically travel from factory to wardrobe How do clothes come to have social or economic value and who or what creates it What are the geographies of fashion and how do they interact with one another This ground breaking book powerfully reframes fashion spaces from the body to the city digital or virtual space to material production positioning fashion at the centre of contemporary culture and collective identities Combining contemporary theoretical approaches with a cutting edge analysis of international fashion brands and institutions including Maison Martin Margiela Zara Louis Vuitton ASOS and Savile Row The Geographies of Fashion is essential reading for students of fashion geography and related disciplines including sociology architecture and design **Production of**

Culture/Cultures of Production Paul du Gay,1997 The contributors examine the emergence of truly global cultural products and the strategies of global cultural players analyse how culture is circulated and consider why culture has become a crucial concern in business and organisations **Revival Culture** Michael Brodeur,Banning Liebscher,2013-01-17 We all

want revival We talk about it pray for it and devise every evangelism strategy imaginable We read about the Great Awakening and recall the Jesus Movement And today we stand at the precipice of another sweeping spiritual outbreak that could reach the ends of the earth But are we ready Revival Culture is an inspirational biblical and empowering manual for the next generation of revivalists Michael Brodeur and Banning Liebscher have been witnessing a spiritual renewal at Bethel Church in Redding California and through Jesus Culture that goes beyond slogans and high hopes to actually reaching They have learned that transformation happens when we see the unreached as Jesus sees them and when we make revival a part of our lives rather than an event This is the full picture of revival culture [The Independent](#) ,1917 *The Mini Mod Sixties Book* Samantha Bleikorn,2002 The Mini Mod Sixties Fashion Book looks at youth culture through the hip fashion of the day The book is filled with colour pictures of men and women s fashion but most notably the miniskirt and gogo boots Top models and actresses from Stephanie Powers to Twiggy wear the most outrageous and complimentary outfits of the time
