Street Life Hard Time:

The Street Life Series: Is It Rags or Riches? Kevin M. Weeks, 2009-10-06 When you read the Washington D C tabloids you might surmise that Teco Jackson was slain by a delusional killer The Paradox However Federal Agents are not convinced A crime spree in Atlanta Georgia is strikingly similar to that of the Washington D C G String murders Atlanta Detective Paul Yeomans tries to keep the south s Phoenix City safe but is forced to seek help from Washington D C s quick witted and statuesque Detective Hanae Troop Never realizing until it s too late the multi jurisdiction operation is eventually forced into a propitious government mission with international appeal Atlanta resident Gail Indigo Que GQ a former Strictly Business SB drug crew member attempts to achieve legitimate riches by virtue of rags with her signature clothing line However The Paradox feels double crossed and elevates his deadly game to a new level by trying to sabotage GQ s fashion career and draw her back into the streets All in the name of lady justice The Paradox has spread his vigilantly game across the entire metro Atlanta area Several weeks after investigating the case the multi jurisdiction law enforcement team solicits the assistance of an unlikely bodyguard to take GQ into protective custody Regardless GQ is determined to succeed in fashion despite the odds Leaving the street life is it rags or riches Book Review Library Journal The Word on Street Lit November 19 2009 The Paradox a psychotic killer who leaves G strings on his victims bodies returns in the latest in Weekss self published award winning Street Life series after Is It Suicide or Murder and Is It Passion or Revenge The murderer has moved from DC to Atlanta and is executing members of the Pennsylvanian SB Strictly Business crew He sets his sights on GQ Gail Que who is living the rags or riches challenge to make it big in the fashion industry Hot on The Paradoxs trail is Hanae Troop a DC cop determined to bring him down Troops lover Teco Jackson is a former member of SB and will fight to the death for her man Verdict Weekss combination of mystery and police procedural will draw in readers as he shows the cops point of view The long list of characters and plot tangents may be confusing but bloody executions and a wild climatic shoot out will hold interest Think of CBSs 48 Hours Mystery set to a street lit riff At the African American Pavilion at BookExpo 2009 Weekss books won the Urban Series of the Year Award Ed *Pimpology: Lessons of the Streets* Jean Mellor, 2022-08-31 Just when you think you got it all figured out Pimpology Lessons of the Streets will remind you that you re dead wrong Besides pimping women there are harsh lessons that you pick up along the way In a world that connects us all the streets require you to use your third eye especially when you choose to pimp women trying to come up with a hustle that you think would be smooth However for every choice and action you take you have to answer to somebody whether the eyes of the law or a jealous girlfriend at home A lesson is learned but then after spending most of your life behind bars how do you come back to a world that has changed after losing eighteen years This novel will remind us that even the smoothest criminal who runs an empire for decades can lose everything Especially when love comes into play how do you ever come back to the streets One thing for sure that is a lesson for most who use the streets to make money Never let your heart take over the way you make your next

dollar From the author who brought you *Bingo It's Not a Game to Trapped but Free of Heart* this third novel displays lessons that will hopefully remind us that every choice we make comes with heartache and pain *Sex, Scams, and Street Life* Robert Hartmann McNamara, 1995-11-30 For more than 60 years Times Square has reigned as one of New York's premiere tourist attractions In recent years an average of 20 million people visit New York City and Times Square is a sight most do not miss The reason for this is that Times Square holds something for everyone theaters restaurants entertainment and a transportation center that brings almost 400 000 people into the city every day For a sociologist interested in studying crime and the ways in which deviant networks and communities emerge Times Square offers numerous opportunities Because large segments of these groups pride themselves on anonymity many researchers employ ethnographic research methods The articles in this manuscript focus on the various aspects of Time Square using the ethnographic approach The topics include the sex trade drugs and drug dealing recent redevelopment efforts the social ecology of Times Square and a discussion of police operations in this marketplace

Hard Time Blues Sasha Abramsky, 2025-08-22 In September 1996 fifty three year old heroin addict Billy Ochoa was sentenced to 326 years in prison His crime committing 2100 worth of welfare fraud Ochoa was sent to New Folsom supermax prison joining thousands of other men who will spend the rest of their lives in California's teeming correctional facilities as a result of that state's tough Three Strikes law His incarceration will cost over 20 000 a year until he dies *Hard Time Blues* weaves together the story of the growth of the American prison system over the past quarter century primarily through the story of Ochoa a career criminal who grew up in the barrios of post World War II L A Ochoa who had a long history of non violent crimes committed to fund his drug habit who cycled in and out of prison since the late 1960's is a perfect example of how perennial misfits rather than blood soaked violent criminals make up the majority

of America's prisoners This is also the story of the burgeoning careers of politicians such as former California Governor Pete Wilson who rose to power on the crime issue Wilson whose grandfather was a cop murdered by drug runners in early twentieth century Chicago scored a stunning come from behind re election victory in 1994 In so doing he came to epitomize the 1990s tough on crime politician Award winning journalist Sasha Abramsky uses immersion reportage to bring alive the political forces that have led America's prison and jail population to increase more than four fold in the past twenty years Through the stories of Ochoa Wilson and others he explores in devastating detail how the public has been manipulated into supporting mass incarceration during a period when crime rates have been steadily falling Hard Time Blues deftly explores the War on Drugs the Rockefeller Laws the growth of the SuperMax Prisons the climate of fear that led to laws such as Truth in Sentencing and how the stunning repercussions of imprisoning two million citizens affect all of America In the tradition of J Anthony Lukas's Common Ground and Melissa Fay Greene's The Temple Bombing Abramsky explores this new and dangerous fault line in American society in a dramatic and compelling manner From the opening courtroom scene through the final images behind the electrified fences of the nation's toughest meanest prisons Abramsky paints a grimly intimate portrait of the players and personalities behind this societal earthquake Hard Time Blues combines a sense of history with a powerful narrative to tell a story about issues and people that leads us to understand how The Land of the Free has become the world's largest prison nation

Crime Control and Everyday Life in the Victorian City David Churchill, 2017-12-29 The history of modern crime control is usually presented as a narrative of how the state wrested control over the governance of crime from the civilian public Most accounts trace the decline of a participatory discretionary culture of crime control in the early modern era and its replacement by a centralized bureaucratic system of responding to offending The formation of the new professional police forces in the nineteenth century is central to this narrative henceforth it is claimed the priorities of criminal justice were to be set by the state as ordinary people lost what authority they had once exercised over dealing with offenders This book challenges this established view and presents a fundamental reinterpretation of changes to crime control in the age of the new police It breaks new ground by providing a highly detailed empirical analysis of everyday crime control in Victorian provincial cities revealing the tremendous activity which ordinary people displayed in responding to crime alongside a rich survey of police organization and policing in practice With unique conceptual clarity it seeks to reorient modern criminal justice history away from its established preoccupation with state systems of policing and punishment and move towards a more nuanced analysis of the governance of crime More widely the book provides a unique and valuable vantage point from which to rethink the role of civil society and the state in modern governance the nature of agency and authority in Victorian England and the historical

Technology Willem H. Vanderburg, 2000-12-15 Why does modern technology succeed so brilliantly in some respects and simultaneously fail in others While he was completing a doctoral thesis in mechanical engineering in the late 60s and early 70s Willem Vanderburg became convinced that the environmental crisis and the possible limits to growth would require a fundamental change in the engineering management and regulation of technology In this volume he exposes the limitations of conventional approaches in these fields Modern societies urgently need to rethink the intellectual division of labour in science and technology and the corresponding organization of the university corporation and government in order to get out of a self destructive pattern where problems are first created by some than then dealt with by others making it almost impossible to get to the roots of anything The result is what he calls the labyrinth of technology a growing patchwork of compensations that merely displace and transform problems from one place to another The author's diagnosis suggests the remedy a new preventive strategy that situates technological and economic growth in its human societal and biospheric contexts and calls for a synthesis of methods in engineering management and public policy and of approaches in the social sciences and humanities He also suggests that this same synthesis can be applied in medicine law social work and other professions The Labyrinth of Technology is a unique and invaluable text for students academics and laypersons in all disciplines and speaks to those who are torn between the benefits that modern technology provides and the difficulties it creates in our individual and collective lives **The Oxford Encyclopedia of British Literature** David Scott

The streets of Victorian London became increasingly congested with vehicles fast and furious drivers pedestrians costermongers prostitutes brass bands homeless children and other obstacles to safe and rapid motion Concerned citizens were alarmed by this unprecedented build up of traffic and pollution But how did this chaotic state come about and why was more not done to prevent it London s Teeming Streets brings an historical perspective to present day concerns about the effects of continued urban expansion and shows that many current problems date back to the Victorian era James Winter reveals that the issue of street reform was fraught with political intrigue Many reformers were liberals yet the question of attempting to limit or prohibit activity on the King s Highway which was by definition an open and democratic preserve brought the very purpose of liberal reform into sharp focus *Fool's Paradise* La'Charzeon Cropper,2019-01-15 This is a book of the author s childhood growing up in the streets of South Norfolk Virginia The people he partied with the most after moving to Newport News his life on the streets and his true enemies from the street life **The Nineteenth Century** ,1884

Saved by Love: A Story of London Streets Emma Leslie, 2020-09-28 THERE are some places in London where King Dirt holds a carnival all the year round narrow back streets where the tall houses almost meeting at the top shut out every gleam of sunlight except during the longest and hottest days of summer and then only a narrow rift of golden glory lights up a strip in the centre and makes the shady corners look more dark and desolate than ever In one of the shadowed nooks of such a street sat a little girl her head leaning against the brick wall for a pillow and you might have thought her fast asleep but for an occasional sob She had cried so long that her eyes were swollen and heavy and even the faint light of Fisher s Lane made them ache so much that she was glad to close them No one noticed her for some time but at length a girl about her own age stopped and looked at her and at last spoke What s the matter she said touching her shoulder With a sob and a start the girl opened her eyes O Elfie is it you she said and then her tears broke out afresh What is it Haven t you got anything to eat she asked I shall never want to eat anything again sobbed the other O Elfie mother s dead Dead is she said Elfie but looking as though she could not understand why that should cause any one to cry I shall never be happy again Elfie O mother mother why didn t you take me with you wailed the poor little orphan Just because she didn t want you I guess said Elfie but at the same time sitting down to soothe the grief she could not understand There don t cry she went on in a matter of fact tone My mother s gone away but I don t cry after her not a bit of it I know better than that Susie Sanders Susie shrank from her companion s touch as she said this and thought of what her mother had said about making companions of the children in the street and half regretted having spoken to Elfie There was a great difference in the two girls any one could see though both might be equally poor Elfie was unmistakably a street child ragged dirty sharp looking with bright cunning eyes shining out of a good tempered looking face while Susie in her patched black frock and tidy pinafore and timid shrinking ways showed unmistakably that poor as she might be there had been some one to love and take care of her Alas for her poor child Her only friend in the wide world had died that morning leaving her alone in the streets of London It was the old old story a widow striving to work for herself and her only child and sinking at last beneath the stroke of disease after giving up one by one every article of furniture and moving from place to place until at last she was glad to find a refuge in the garret of one of these gaunt houses where she had not lived many weeks before God called her to the mansion he had prepared for her
