Mrs. Dalloway Virginia Woolf,2021-01-25T23:45:48Z Probably Virginia Woolf s best known novel Mrs Dalloway originally published in 1925 is a glorious ground breaking text On the surface it follows Clarissa Dalloway an Englishwoman in her fifties minute by minute through the June day on which she is having a party At a deeper level however the novel demonstrates through an effortless stream of consciousness the connections formed in human interaction whether these interactions are fleeting or persist through decades This is a novel to read and cherish if only to marvel at Woolf s linguistic acrobatics Words and phrases swoop and soar like swallows Woolf s sentences are magnificent sinuous whirling impeccably detailed As narrative perspective shifts from character to character sometimes within a single sentence readers come to understand the oh so permeable barrier between self and other Through Clarissa we meet Septimus Warren Smith his wife Rezia and a cast of dozens more all connected by the leaden circles of Big Ben marking the passage of every hour by the pavements of Bloomsbury that lead everywhere and nowhere Modernist London has never been portrayed more sublimely replete with birdsong and flowers resplendent in sunshine youthful yet eternal and even in the aftermath of war and pandemic resilient Mrs Dalloway is Woolf s attempt to express that which may be inexpressible It offers a close examination of how difficult it is even when our hearts are brimming to say what we really feel and it examines the damage we inflict
