Lally,2004 My experience with my mother gave me the strength to go through the emotional trauma that occurs after a death In our Irish Catholic fishbowl we had the family fight the wake the family fight the burial then finally the family no longer on speaking terms It also gave me the strength to let her go I did everything within my own ability to make it okay for her It was the least I could do for the woman who bore me raised me and forgave me I could ask for no greater gift than the one I could carry with me I learned never to give up hope Even in the darkest hours faith holds the light Once you open your eyes the rest is cake I m not sure if she ever really accepted the fact that she was dying Sometimes I thought she did and other times not My accepting it looking at what was happening right here now was the most difficult fragment of my journey with my mother Like her sometimes I did look at reality and sometimes I didn t Those times it was just too painful I wouldn t trade a lifetime for what I had with my mother that year What she did for herself was best What she did for me was awesome This book is meant to revere the woman that she was the woman she became in the end and the mother she will always be to me Elizabeth was an extraordinary woman with strength and wisdom beyond her own belief This book is to honor her memory and her beautiful soul **A VICIOUS LIFESTYLE** Solomon King,2019-09-19 Crack addiction is a growing cancer in many of our inner cities Many of the individuals caught up in this vicious lifestyle feel helpless and powerless and sometimes despite all their aspirations just give up in life This is because crack among other drugs has some very unique characteristics that simply makes it the worst drug one can be addicted to Alhaji has just gotten himself entangled into this dangerous lifestyle of which he knows practically nothing about drawn by the superficial glitz that dangles like trap bait inside this sordid lifestyle As an amateur in the game he knows very little about the lifestyle he has gotten himself into or the dangerous people he is bound to cross in this precarious lifestyle This is why he felt so fortunate the day he ran into a guy who happens to know everything about the disease of crack addiction Camello has been living this lifestyle for so long that he has devised ways to not only thrive in this vicious lifestyle but also to profit from it He decides to teach Alhaji how to thrive in the game and Alhaji was very grateful to be his prot g However in the end Alhaji will have to learn a bitter lesson about crack addiction that some things are just too good to be true *The Shot* Philip Kerr,2001-08-28 In this pseudo historical what if thriller assassin for hire Tom Jefferson has been commissioned for his next assignment the assassination of Fidel Castro Mobster Sam Giancana the CIA and presidential candidate Jack Kennedy are in on the plan But just as Tom sets his sights on Cuba he is exposed to explosive information that alters his course Tom is no longer gunning for Castro his target is now Jack Kennedy *Boyle's court and country guide* ,1824 **Prove Yourself** Kingsley R. Chin MD MBA,2023-03-15 My vision pulls me along and fuels my desire to continuously educate myself on how to succeed in life and business to rise far above the low level that I started out at in life How does my vision continue to drive me even though I have risen to much success I have made it a habit to pursue success and to not become comfortable with past successes The way you get success is from success no matter how small So

I am always working on success and as I achieve successes I am able to see more opportunities to succeed Daily I look myself in the mirror to remind myself I am underachieving and I must keep learning and staying relevant in the world today so I can make an impact and be influential I know I can achieve more because when I compare what I know today versus a few months ago or a year ago I see that I could have done better in the past if I had the knowledge I have today You also don't know what you don't know you don't know so I want to learn fast so I can achieve more Achieving more is not just a quantity for me it is being able to win trophies and close out many of my opportunities
