book provides an intimate and haunting look at one of the most notorious unsolved serial killer cases in history Will the killer ever be caught This compelling tale will leave readers questioning the truth behind the trail of terror left on the foggy streets of San Francisco

Zebra Clark Howard,1979 At the end of day one hundred seventy nine there were twenty three victims The killings take place between 1972 1974 when a group of blacks called Death Angels began to stalk and kill whites Choosing women or old men who could not fight back The investigation and increased police prescence was given the name Operation Zebra

Young, Queer, and Dead Reagan Martin,2019-02 The Zodiac Killer may have been San Francisco s most notorious serial killer but another equally cruel killer was also stalking the streets at the same time and just like the Zodiac Killer has never been arrested for his crimes The difference is while the Zodiac Killer s murder spree was heavily publicized this other killer nicknamed The Doodler went unreported by the media and is nearly unknown today How did this ruthless killer become almost forgotten Because he didn t target helpless women or children he targeted gays and in the 70s many people believed they had it coming if they would just stop being gay then all would be well In this gripping short book you will go on the trail for one of the most brutal killers who ever lived Read about why his victims were disregarded by a homophobic press and how he was positively identified by three escaped victims only to walk away free without being arrested
