In Midsummer Days August Strindberg, 1913

Inferno August Strindberg, 2013-03-20 *The Inferno* By August Strindberg Brand New Edition *Inferno* is an autobiographical novel by August Strindberg Written in French in 1896-97 at the height of Strindberg's troubles with both censors and women the book is concerned with Strindberg's life both in and after he lived in Paris and explores his various obsessions including alchemy occultism and Swedenborgianism and shows signs of paranoia and neuroticism *Inferno* has often been cited as proof of Strindberg's own personal neuroses such as a persecution complex but evidence also suggests that Strindberg although

experiencing mild neurotic symptoms both invented and exaggerated much of the material in the book for dramatic effect

There Are Crimes and Crimes; A Comedy August Strindberg, 2023-09-09 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision

Married August Strindberg, 2016-08-18 These stories originally appeared in two volumes the first in 1884 the second in 1886 The latter part of the present edition is thus separated from the first part by a lapse of two years Strindberg's views were continually undergoing changes Constancy was never a trait of his He himself tells us that opinions are but the reflection of a man's experiences changing as his experiences change In the two years following the publication of the first volume Strindberg's experiences were such as to exercise a decisive influence on his views on the woman question and to transmute his early predisposition to woman hating from a passive tendency to a positive active force in his character and writing Strindberg's art in *Married* is of the propagandist of the fighter for a cause He has a lesson to convey and he makes frankly for his goal without attempting to conceal his purpose under the gloss of pure art He chooses the story form in preference to the treatise as a more powerful medium to drive home his ideas That the result has proved successful is due to the happy admixture in Strindberg of thinker and artist His artist's sense never permitted him to distort or misrepresent the truth for the sake of proving his theories In fact he arrived at his theories not as a scholar through the study of books but as an artist through the experience of life When life had impressed upon him what seemed to him a truth he then applied his intellect to it to bolster up that truth Hence it is that however opinionated Strindberg may at times seem his writings carry that conviction which we receive only when the author reproduces truths he has obtained first hand from life One sided he may occasionally be in *Married* especially in the later stories but rarely unfaithful His manner is often to throw such a glaring searchlight upon one spot of life that all the rest of it stays in darkness but the places he does show up are never unimportant or trivial They are well worth seeing with Strindberg's brilliant illumination thrown upon them

The Red Room August Strindberg, 2013-07-17 The Red Room is the room of life that holds the motley crowd of pretenders the high and the mighty and the out at the elbow folk who persist in living a life of humbug that ends in the cessation of mental and spiritual growth Religious swindle and charitable fraud are excoriated the sheep's clothing is stripped from malicious women and hypocritical men who minister to their own vanity by ostentatious works of charity The book presents as it were a section of a crowded street with all the passersby rich poor good bad high and low held up for a microscopic analysis of their souls which Strindberg sees as sheathing their bodies In his pitiless subjectivity Strindberg is the most ruthless of novelists and dramatists that is why we turn from him with a kind of dread Before his searching vision our self excusing withering we feel that God would pity us where this man has judged And yet no one such is the duality of the man is more lenient or loving toward humanity than Strindberg in his illumined moments The Red Room ends with one of those transfigured scenes of wedded bliss that Strindberg who could not be happy married to any woman was able to conceive
