The Misunderstanding Of The Church

James D. Murch

The Misunderstanding Of The Church:

The Misunderstanding of the Church Emil Brunner, 2002 Brunner sees St Paul's Epistle to the Romans as the chapter of destiny of the Christian Church Here in Luther's words is the purest gospel upon which the very existence of the Christian faith depends and from which it draws its life Concentrated decisive and instructive nothing within the New Testament is more closely argued both theological and personal Out of his years of scholarly wisdom Brunner meditates on the great Question What is wrong with the Churches Brunner finds an answer in the contrast between the virile Spirit filled fellowship of the New Testament and the institutions which are now called churches He writes in his preface The title of the book The Misunderstanding of the Church is equivocal Is it a question of a misunderstanding of which the Church is guilty or of a misunderstanding of which it is the victim Or is it that the Church itself as such is perhaps the product of a misunderstanding The author is not responsible for this ambiguity it is intrinsic in the theme itself *The Misunderstanding of the Church* Emil Brunner, 1939 It Takes a Church to Raise a Christian Tod E. Bolsinger, 2004-04 Rediscover the triune nature of God to reawaken and nourish a communal spirit in our individualist times **The Free Church** James D. Murch, 2014-06-06 About the Contributor's James DeForest Murch 1892-1973 was born in Ohio where he was educated in Ohio University and the University of Cincinnati He was an editor organizer historian and unity activist among the Christian Churches and Churches of Christ in the twentieth century **The Power of the Church** Michael R. Wagenman, 2020-11-20 It is fascinating that in all the media reports and discussions of the church's abuse of power in the early years of the twenty first century few if any seemed to notice that the accusation of the church's misuse of power presupposed a shared understanding of the positive use of power within the church that had been violated Rather than an interest in the sociological aspect of this question this book examines the more ontological and normative aspects of it That is it investigates and discerns the foundational theological framework of culture and society and the location and purpose of the church within them As a cultural force and societal institution what does the church constructively bring to the human community *Fundamental Theology* Heinrich Fries, 1996 Renowned theologian Heinrich Fries offers what is both a traditionally structured treatment of the basic issues of fundamental theology as they have been modified by Vatican II and a study of the major ethical religious and cultural issues of the late twentieth century **The Living Church**, 1907 The Priesthood of All Believers Cyril Eastwood, 2009-05-20 The doctrine of the Priesthood of all Believers underlies all the great and far reaching religious movements of the last five hundred years Apart from that doctrine it is impossible either to understand or appreciate the cause of the Reformation the impetus of the Puritan Movement or the widespread influence of the Evangelical Revival Yet nowhere can the student find a thorough examination of its meaning for no such systematic statement exists Here is an attempt to fill this gap An examination of Reformation Theology shows that this doctrine is the basis of three dominant concepts which Luther stressed Faith Word and Congregation and that Luther's seven marks of the true Church arise from it

A study of Calvin leads to the conclusion that the doctrine of vocation is the necessary counterpart of the Priesthood of all Believers that election is always related to consecration service and mission it is an election to priesthood An investigation of Wesley shows that he took this doctrine seriously and provided opportunities for the People of God to exercise their priestly privileges in the service of the Word of the Church and of the World From all this comes the inescapable conclusion that in Reformation Theology the spiritual priesthood of justified believers consists in their proclamation of God s justifying love to the world This book is an attempt to present a clear and constructive statement of a doctrine which lies at the very heart of Protestantism and is closely connected with three important issues in current theological discussion the union of the Churches the doctrine of vocation and the liturgical revival

Theology of the Church Charles Journet, 2015-05-27 This is a brilliant intellectually rigorous and highly spiritual work which invites readers to deepen their understanding of the rich theology of the Catholic Church In today s secular world when confident knowledge of the Church s beliefs and teachings is so critical for both clergy and laymen Cardinal Journet s beautiful contribution to ecclesiology is a worthy addition to any theological reading list

Pastoral Identity Douglas D. Webster, 2023-07-18 Webster calls pastors to reject Christendom approaches to church leadership that require the pastor to exert control over the church s direction and ministry Such models differ fundamentally from the New Testament household of faith vision of pastoral ministry which affirms the disciple making responsibility of the whole community the priesthood of all believers and the shared gifts of the Spirit Rather than perpetuate pastoral leadership based on individual initiative institutional power and personal charisma experienced pastor and seminary professor Douglas Webster defines a New Testament model of the pastor outlining the major features of pastoring among the household of faith such as Viewing the church as an every member ministry Seeking synergism between pastoral identity and congregational identity Prioritizing a pastor s daily rhythms of grace in prayer study and care for the body Supporting pastor theologians who shepherd believers in the whole counsel of God Such pastoral authority and guidance require mutual submission in Christ Pastors and laypeople alike let go of dominant cultural models of pastoring and embrace the values of Christ s kingdom
