The Molybdenum Age Chris Cox, 2001-09-19 Well I don't know much about molybdenum and I wouldn't put it past them But it's a fact they had a lot of money from way back back before I reckon folks knew anything about molybdenum The way I hear it in the old days the Faerids weren't so mysterious they used to just come and go as they pleased in the middle of the day back in the time of Charlie Faer old man Faer's granddad And he was on real friendly terms with them as likely as not he was more than half Faerid himself and he picked up on more than a few of their tricks he did They say he could reach out and touch a thing with his little finger and turn it to gold Al demonstrated as he spoke And this here finger he could use to turn things to cherry red and the long one was for aquamarine and the pointer finger made things violet They say he made a fortune painting billboards But that's not all not by a long shot They say he knew the old songs for everything from changing the weather to getting rid of warts to making brownies And you never knew when he was going to show up cause he could just come and go as he pleased with nothing more than a snap of his fingers You just never knew
