THE MORAL DECISION

by Edmond Cahn

The Moral Decision Right And Wrong In The Light Of American Law Midlands

Albert A Gayle

The Moral Decision Right And Wrong In The Light Of American Law Midlands:

The Oxford Handbook of Biblical Law Pamela Barmash, 2019-10-10 Major innovations have occurred in the study of biblical law in recent decades The legal material of the Pentateuch has received new interest with detailed studies of specific biblical passages The comparison of biblical practice to ancient Near Eastern customs has received a new impetus with the concentration on texts from actual ancient legal transactions The Oxford Handbook of Biblical Law provides a state of the art analysis of the major questions principles and texts pertinent to biblical law The thirty three chapters written by an international team of experts deal with the concepts significant texts institutions and procedures of biblical law the intersection of law with religion socio economic circumstances and politics and the reinterpretation of biblical law in the emerging Jewish and Christian communities The volume is intended to introduce non specialists to the field as well as to stimulate new thinking among scholars working in biblical law

Interpreting the Bible and the Constitution

Jaroslav Pelikan, 2008-10-01 Both the Bible and the Constitution have the status of Great Code but each of these important texts is controversial as well as enigmatic They are asked to speak to situations that their authors could not have anticipated on their own In this book one of our greatest religious historians brings his vast knowledge of the history of biblical interpretation to bear on the question of constitutional interpretation Jaroslav Pelikan compares the methods by which the official interpreters of the Bible and the Constitution the Christian Church and the Supreme Court respectively have approached the necessity of interpreting and reinterpreting their important texts In spite of obvious differences both texts require close word by word exegesis an awareness of opinions that have gone before and a willingness to ask new questions of old codes Pelikan observes He probes for answers to the question of what makes something authentically constitutional or biblical and he demonstrates how an understanding of either biblical interpretation or constitutional interpretation can illuminate the other in important ways

Beyond God the Father Mary Daly, 1993-06-01 Certainly one of the most promising theological statements of our time The Christian Century Not for the timid this brilliant book calls for nothing short of the overthrow of patriarchy itself The Village Voice The American Journal of Comparative Law , 1952 Yale Journal of Law & the Humanities , 1999 American Book Publishing Record , 1982-04 Law Books, 1876-1981 R.R. Bowker Company, 1981

□□□□□□□□□□ □□□□□, 1996 *The Moral Decision* Edmond Nathaniel Cahn, 1959 Pre-law Handbook , 1983
