The Mortal Messiah From Bethlehem To Calvary 4:

The Three Nephites and Other Translated Beings Bruce E. Dana, 2022-12-23 Though there have been many translated beings seen on earth none seem to have captured the interest and intrigue of the Latter day Saint people as have the Three Nephites Through the scriptures and the words of General Authorities this well documented and easy to read book provides a wealth of historical information about translated beings information that is finally brought together under one cover **The Christmas Story** Randal S. Chase, 2011-12-08 The Christmas Story Mary Joseph and the Baby Jesus from a Personal Perspective is a touching and essential telling of the familiar Christmas story Focusing on the personal lives of John the Baptist Joseph Mary the prophet Nephi in America and the Baby Jesus it reminds us of the extraordinary faith and sacrifices of these key characters in the Nativity narrative Readers will be amazed at the faith and charity of Joseph toward Mary before he knew anything at all about the divine source of her conception They will be touched by the faith and obedience of the very young virgin Mary despite the threat of rejection and death They will be inspired by the faith of Nephi as he prayed from the coming of the Messiah to save the lives of his people in the Americas And they will gain a new appreciation of the condescension of the Mighty God the Prince of Peace in allowing Himself to be born in such a mean and lowly and filthy place Dr Randal S Chase a veteran CES and Institute instructor provides insights into these events that cannot be found anywhere else and he does so in a relaxed and understandable style Readers will find themselves gaining insights and understanding about this story of the Birth of Jesus that have eluded them before The cover features the beautiful painting of the Journey to Bethlehem by Joseph Brickey **Standing Apart** Miranda Wilcox, John D. Young, 2014-04-15 Winner of the Best Anthology Award from John Whitmer Historical Association Latter day Saints have a paradoxical relationship to the past even as they invest their own history with sacred meaning celebrating the restoration of ancient truths and the fulfillment of biblical prophecies they repudiate the eighteen centuries of Christianity that preceded the founding of their church as apostate distortions of the truth Since the early days of Mormonism Latter day Saints have used the paradigm of apostasy and restoration in their narratives about the origin of their church This has generated a powerful and enduring binary of categorization that has profoundly impacted Mormon self perception and relations with others Standing Apart explores how the idea of apostasy has functioned as a category to mark define and set apart the other in Mormon historical consciousness and in the construction of Mormon narrative identity The volume s fifteen contributors trace the development of LDS narratives of apostasy within the context of both Mormon history and American Protestant historiography They suggest ways in which these narratives might be reformulated to engage with the past as well as offering new models for interfaith relations This volume provides a novel approach for understanding and resolving some of the challenges faced by the LDS church in the twenty first century Interpreter: A Journal of Mormon Scripture, Volume 10 (2014) Jeffrey M. Bradshaw, Daniel Oswald, Tanya Spackman, 2014-08-24 This is volume 10 2014 of Interpreter A Journal of Mormon Scripture

published by The Interpreter Foundation It contains articles on a variety of topics including some notes on faith and reason dating Christ's birth Mary Whitmer's witness of the gold plates the LDS Church's polygamous past dissenters Book of Mormon anachronisms the comma in the Word of Wisdom Enos's adaptations of the onomastic wordplay of Genesis Mormonism and intellectual freedom differing investigative approaches of Jeremy Runnells and Jeff Lindsay a theological poem in the Book of Mormon and reading the scriptures geographically Reaching Through the Veil: Angels in Everyday Life Sherrie Anthony, 2023-02-02 We are not alone in this life God sends angels to teach protect warn and comfort each of us in our individual circumstances With tender stories and profound insights this book highlights the different types of angels the roles they play in mortality and how we can grow closer to our family members on the other side Recognize the angels at work in your own life *"This Is My Doctrine": The Development of Mormon Theology* Charles R. Harrell, 2011-08-05 The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose Early Mormons like their early Christian and even earlier Israelite predecessors brought with them their own varied culturally conditioned theological presuppositions a process of convergence and only later acquired a more distinctive theological outlook a process of differentiation In this first of its kind comprehensive treatment of the development of Mormon theology Charles Harrell traces the history of Latter day Saint doctrines from the times of the Old Testament to the present He describes how Mormonism has carried on the tradition of the biblical authors early Christians and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures In the process he probes three questions How did Mormon doctrines develop What are the scriptural underpinnings of these doctrines And what do critical scholars make of these same scriptures In this enlightening study Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology This Is My Doctrine will provide those already versed in Mormonism's theological tradition with a new and richer perspective of Mormon theology Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger Jewish and Christian theological traditions **Understanding Covenants and Communities** Mark Diamond, Andrew Reed, 2020-08-01 A joint publication between CCAR Press and Brigham Young University Interfaith dialogues of understanding are valuable both for challenging individuals to articulate their beliefs and practices in a careful way and for deepening connections between people of different faiths The Jewish and Latter day Saint communities have at times been at odds yet they share a number of significant historical and communal bonds Understanding Covenants and Communities comes out of the Jewish Latter day Saint Academic Dialogue Project a groundbreaking interfaith encounter between these two religious communities The fruit of five conferences held semiannually since 2016 the volume addresses such themes as theological foundations sacred scriptures lived experience

and worship and culture and politics Readers will emerge with a deeper understanding of the Jewish and Latter day Saint traditions and how the two faith communities can engage in a meaningful dialogue *New Testament Study Guide, Pt. 1* Randal S. The Week of Atoning Sacrifice Randal S. Chase, 2014-04-16 The Week of Atoning Sacrifice For This Purpose Came I Into the World is a stirring summary of the most important week in the history of our Father s universe This is the week when Jesus Christ performed His act of mercy and grace that allows all of us to overcome all things and return to our Heavenly Father The story is told in a chronological narrative that adds context and meaning to the individual events of that final week Jesus enters Jerusalem triumphant with crowds shouting Hosanna But one week later those same crowds demanded that the Romans Crucify Him The intervening events show how Jesus ministered to the people healing and forgiving and teaching He cleansed the temple condemned the hypocrisy of Jerusalem s religious leaders and prophesied the destruction of the city and temple On the night before His crucifixion Jesus met with his disciples taught them and instituted the ordinance of the sacrament Then He retreated to the Garden of Gethsemane where by some process that is beyond our comprehension He

suffered for the sins sorrows disappointments disabilities pains and unjust circumstances of every living child of God in every part of our vast universe in every dispensation of time Jesus is then betrayed arrested and illegally tried He declares himself to the Son of God endures hateful and humiliating insults and is condemned to death He suffers unspeakable torture concluding with His being nailed to a cross He died ministered to the spirits in the Spirit World then rose from the dead He taught His disciples for 40 days then ascended into heaven with a promise that one day He would return in great power It was without doubt the most consequential week of human history Dr Randal S Chase a veteran CES and Institute instructor provides insights into these in a relaxed and understandable style Readers will find themselves gaining insights and understanding about the week of atoning sacrifice that may have eluded them before The cover features the stunning image of the crosses on Golgotha by Carl Bloch **The Truth About Prayer and Divine Revelation** Joseph C.
