Between Two Fires Justin Quinn, 2015-09-10 Between Two Fires is about the transnational movement of poetry during the Cold War Beginning in the 1950s it examines transnational engagements across the Iron Curtain reassessing US poetry through a consideration of overlooked radical poets of the mid century and then asking what such transactions tell us about the way that anglophone culture absorbed new models during this period The Cold War synchronized culture across the globe leading to similar themes forms and critical maneuvers Poetry a discourse routinely figured as distant from political concerns was profoundly affected by the ideological pressures of the period But beyond such mirroring there were many movements across the Iron Curtain despite the barriers of cultural and language difference state security surveillance spies traitors and translators Justin Quinn shows how such factors are integral to transnational cultural movements during this period and have influenced even postwar anglophone poetry that is thematically distant from the Cold War For the purposes of the study Czech poetry its writers its translators its critics stands on the other side of the Iron Curtain as receptor and which has been overlooked part creator of the anglophone tradition in this period By stepping outside the frameworks by which anglophone poetry is usually considered we see figures such as Robert Lowell Derek Walcott Allen Ginsberg and Seamus Heaney in a new way with respect to the ideological mechanisms that were at work behind the promotion of the aesthetic as a category independent of political considerations foremost among these postcolonial theory

Fear and the Muse Kept Watch Andy McSmith,2015-07-07 In this dazzling exploration of one of the most contradictory periods of literary and artistic achievement in modern history journalist Andy McSmith evokes the lives of more than a dozen of the most brilliant artists and writers of the twentieth century Taking us deep into Stalin s Russia Fear and the Muse Kept Watch asks the question can great art be produced in a police state For although Josif Stalin ran one of the most oppressive regimes in world history under him Russia also produced an outpouring of artistic works of immense and lasting power from the poems of Anna Akhmatova and Osip Mandelstam to the opera Peter and the Wolf the film Alexander Nevsky and the novels The Master and Margarita and Doctor Zhivago For those artists visible enough for Stalin to take an interest in them it was Stalin himself who decided whether they lived in luxury or were sent to the Lubyanka the headquarters of the secret police to be tortured and sometimes even executed McSmith brings together the stories of these artists including Isaac Babel Boris Pasternak Dmitri Shostakovich and many others revealing how they pursued their art under Stalin s regime and often at great personal risk It was a world in which the poet Vladimir Mayakovsky whose bright yellow tunic was considered a threat to public order under the tsars struggled to make the communist authorities see the value of avant garde art Babel publicly thanked the regime for allowing him the privilege of not writing and Shostakovich s career veered wildly between public disgrace and wealth and acclaim In the tradition of Eileen Simpson s Poets in Their Youth and Phyllis Rose s Parallel Lives Fear and the Muse Kept Watch is an extraordinary work of historical recovery It is also a bold exploration of the triumph of art during terrible times and a book that will stay with its readers for a long long while
