The Mountain Man Discovering The Power Of The Marina Stone:

The Mountain Man Adam Sun,2003-12 Her name is Diane Jones Today her presence is calm and warm I knew her as a quiet terrified child struggling to grow up nay even to stay alive in a large violent matriarchal family There was no father figure only a sequence of men Diane was thirteen years old when I first met her Through a program in the California Department of Social Services I had been assigned to be Big Sister to a younger sister of Diane This younger sister was also badly abused both in maternal violence and in sexual abuse as was Diane but to a much lesser degree I thought of Diane s mother as a raging bull with massive mood swings from manipulative and charming to a cruel mean and evil woman I myself was afraid of her If I had known what was really going on during the years I worked with the family I would not have had the power to do anything about it My only hope and motivation at that time was to give them a view of what life was like from a different perspective and thus help them be kinder to their children I am always appalled by the fact that Social Services felt it was best to keep children connected to their families no matter how monstrous the evil in the home Twenty six years later we are all wiser MELANIE TAYLOR The Measure of the Universe Ellen Larson,2002 A wide eyed archeologist from Aldebaran lands in Greece to study with a sharp tongued professor of paleography They discover love among the runes and a plot spelling disaster for both their worlds Fire up your universal translators it s Prometheus Bloodied but Unbound
