

The illustration depicts a young girl with dark hair and bangs, wearing a light-colored, short-sleeved dress and a beaded necklace. She is kneeling on a patch of dry, brownish ground, smiling as she shapes a small figure out of a lump of reddish-brown mud. Several other mud figures are scattered around her: one with a face and limbs, another that looks like a small animal, and a third that is more abstract. The background is a soft-focus field of tall, golden-brown grasses under a pale blue sky with a few wispy clouds. The overall style is painterly and warm, with a focus on earthy tones.

Martin,2009 In distinctive engaging prose S R Martin Jr crafts the story of his forebears and their westward journey begun even before the great black migration that occurred around the two world wars By narrating the struggles and triumphs of his family both paternal and maternal during their move west he illuminates an understudied facet of African American history As Martin explains it he and his brother arrived on the scene at the confluence of these family streams in time to catch a ride to the shining sea Students scholars and interested general readers of modern African American history and sociology will be greatly rewarded by reading this warm and vivid personal and family memoir **The Mind of**

Consciousness Ray Morose,2011 The Mind of Consciousness The Mind of Consciousness is a book unfolding a new way with new process methods to evaluate your existence It is an experiential work written in textbook format that analytically delineates how and why consciousness and mind interface and function exposing the inter connective dependency of non biological consciousness and the biologically created mind Knowing how that interconnectivity interrelates provides avenues of exploration that reveal the fundamental nature of existence unveiling an innate purpose and direction embedded within consciousness This book works through all the major questions of existence using reproducible and experiential logic allowing everyone to experience the results of that exploration Throughout your life you have two realities at war with one another the primary I am reality formed from non biological consciousness and the secondary I am this or that reality formed by the biological mind You may not be aware of or even appreciate the internal conflict these two inter connective and inter dependent realities create However you experience the resultant turmoil and confusion their subliminal battles establish by

not having an experiential appreciation of how those realities are formed function and potentially control your life The text delineates causation for those ongoing internal battles and outlines processes to help overcome the sense of frustration isolation and discord they generate This experiential method of examination creates empirical processes that afford you the opportunity to make an informed choice rather than a conditioned reaction providing a more secure productive directional and enjoyable life This book takes you into the core of your being turning it inside out exposing who and what you are by revealing a self created shadow world controlling your life without you being aware that control exists **The Making of a Religious Radical** Gene Wesley Marshall, 2025-08-26 This memoir is the last book and the 12th currently available book by this author The dates and titles of the other 11 books tell in their own way this whole story of the memoir 1987 The Reign of Reality A Fresh Start for the Earth 1994 To Be or Not To Be a Christian Meditations and Essays on Authentic Christian Community 2003 The Call of the Awe Rediscovering Christian Profundity in an Inter religious Era 2008 Jacob s Dream A Christian Inquiry into Spirit Realization 2011 The Road From Empire to Eco Democracy 2014 The Love of History and the Future of Christianity Toward a Manifesto for a next Christianity 2015 The Enigma of Consciousness A Philosophy of Profound Humanness and Religion 2019 The Creator of Christianity A Commentary on the Gospel of Mark 2020 The Thinking Christian Twenty Three Pathways of Awareness 2023 So Be Free Pastoral Discourses on Freedom 2024 Approximate Knowing The End of our Dogmatic View of Religion For more about these books and how to secure them go to this website <https://www.realisticliving.org/our-books>
