Music of the Night Ian Bradley, 2025 This book offers readers a fascinating new look into the spiritual side of operetta and musical theatre two closely related genres often dismissed as trivial shallow and essentially secular Bradley challenges these judgements and seeks to show that there have been clear religious influences and spiritual resonances in some of the best known and most popular works in both genres He points to the darker and more serious side of operetta and musical theatre to analyse the work of Offenbach Lehár Gilbert and Sullivan Rodgers and Hammerstein Sondheim Schwartz Lloyd Webber and Boublil and Schoenberg Readers will never listen to The Mikado The Sound of Music Fiddler on the Roof

Music In The Night Virginia Andrews,2012-12-25 For Laura Logan life on Cape Cod with her beloved twin brother Cary has been nearly perfect Until the vicious rumours begin at school cruel voices saying unspeakable things about the Logans Not until handsome gentle Robert Royce moves to town does Laura feel truly carefree and happy again But while his smile is driving the shadows from Laura s heart she still worries about Cary whose gloomy moods drift in like the coastal fog And when the dark thunderclouds that have been gathering on the horizon suddenly burst with tragedy they howl a name from the Logan s shameful past and Laura is plunged into a silent terrible agony Now she can only dream of the warm sun filled life she so desperately desires

Music in the Night V.C. Andrews,2011-02-08 Laura Logan dreams of a glorious Cape Cod day when all the dark secrets are swept away For Laura Logan life on Cape Cod has been nearly perfect full of magical days spent enjoying the sea with her beloved twin brother Cary But then like the creeping of the tides the vicious rumors at school begin cruel voices saying unspeakable things about the Logans Laura tries to ignore them but not until handsome gentle Robert Royce moves to their town does she feel truly carefree and happy again While Robert s smile drives the shadows from Laura s heart she still worries about Cary whose gloomy moods drift in like the coastal fog And then Grandma Olivia issues a chilling threat forbidding Laura to see Robert ever again Alone to suffer because of dark secrets no one will explain Laura obeys until the miracle of a glorious summer leads her back into Robert s arms But dark thunderclouds have been gathering on the horizon and when they suddenly burst with tragedy they howl a name from the Logans shameful past that plunges Laura into a silent terrible agony Now Laura can only dream of the warm sun filled life she so desperately desires

Nocturnes: Popular Music and the Night Geoff Stahl,Giacomo Bottà,2019-03-27 The night and popular music have long served to energise one another such that they appear inextricably bound together as trope and topos This history of reciprocity has produced a range of resonant and compelling imaginaries conjured up through countless songs and spaces dedicated to musical life after dark Nocturnes Popular Music and the Night is one of the first volumes to examine the relationship between night and popular music Its scope is interdisciplinary and geographically diverse The contributors gathered here explore how the problems promises and

paradoxes of the night and music play off of one another to produce spaces of solace and sanctuary as well as underpinning strategies designed to police surveil and control movements and bodies This edited collection is a welcome addition to debates and discussions about the cultures of the night and how popular music plays a continuing role in shaping them
