Presents thirteen years of field research on the endangered mountain gorilla of the African rain forest **Cometography:**
Volume 2, 1800-1899 Gary W. Kronk,1999 Cometography is a four volume catalog of every comet observed throughout
history Volume II provides a complete discussion of every comet seen during the nineteenth century Cometography uses the
most reliable orbits known to determine the distances from the Earth and Sun at the time a comet was discovered and last
observed as well as the largest and smallest angular distance to the Sun most northerly and southerly declination closest
distance to the Earth and other details to enable the reader to understand the physical appearance of each well observed
comet The book also provides non technical details to help the reader better appreciate how the comet may have influenced
various cultures at the time of its appearance Cometography will be valuable to historians of science as well as providing
amateur and professional astronomers with a definitive reference on comets through the ages **Dreams in the Mist**
Barbara Nattress,2012-07-27 Guests staying at a B B often remark that this would be the perfect job All it requires is some
decorating skill to make the rooms look appealing baking goodies and interacting with the guests Marilee soon discovers
there is more to it than she thought especially when her dreams start becoming reality The noises in the attic the letters
falling from hidden spots all seem to relate to a war fought 200 years ago Loyalist House may be more than just a lovely
historic home It may have secrets that relate to Marilees dreams in the mist **The Edinburgh topographical,**
